1978 was a year of change-not only at Harding but also in Memphis and the world around us. Here at Harding we saw new buildings, new teachers and administrators, new policies, and new students. The city of Memphis saw curfews, blackouts, the revitilization of downtown, and a police and firemen's strike that almost crippled our city. Our nation saw the Equal Rights Amendment become a closer reality, the inflation rate rise, and Proposition 13 cause a tax-payers' revolt. Our world saw the struggle for a lasting peace settlement in the Middle East, the violation of human rights, and the death and election of new Popes. 1978 proved to be a year of many big changes.

MEMPHIS SHOWBOAT

Many changes were waiting for Harding students as school resumed this fall. We saw a new girls' gym, a new academic dean, a new guidance counselor, new teachers, new administrative policies, a new head football coach, and a new cafeteria system. More emphasis was given to patriotism and respect for authority. Prayer and the pledge were added to the morning routine, refuge from tests was no longer a Thursday blessing and homework was given nightly. The most controversial change occurred every Wednesday as it was declared "dress-up" day for all students, faculty, and staff. Some of these changes drew mixed reactions but they added in making this a better year.

Amid the shuffle of administrators, the construction of new buildings, and the daily routine of classes was an underlying aura of an on going spirit in Harding students. This spirit was shown in a school pride that was unchanging and unending. Entire classes, not just a few individuals, became involved in showing their school spirit. The week of homecoming brought people and classes together like never before as Seniors, Juniors, Sophomores, and Freshmen strove to achieve oneness within their respective classes and within Harding as a whole. Homecoming and its excitement are gone but the spirit of the students at Harding remains unchanged and undimmed.

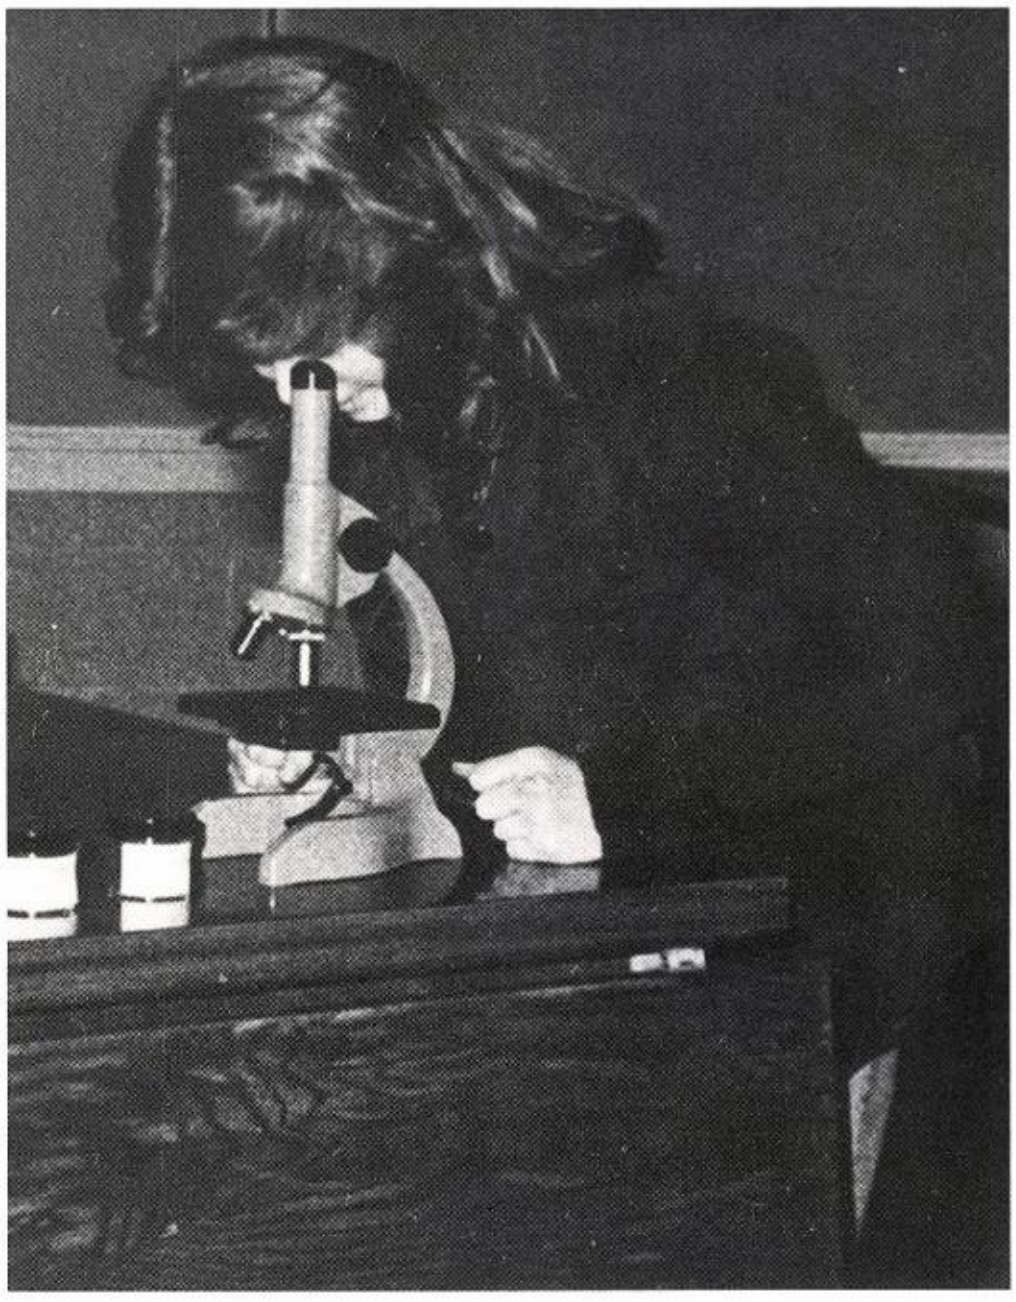
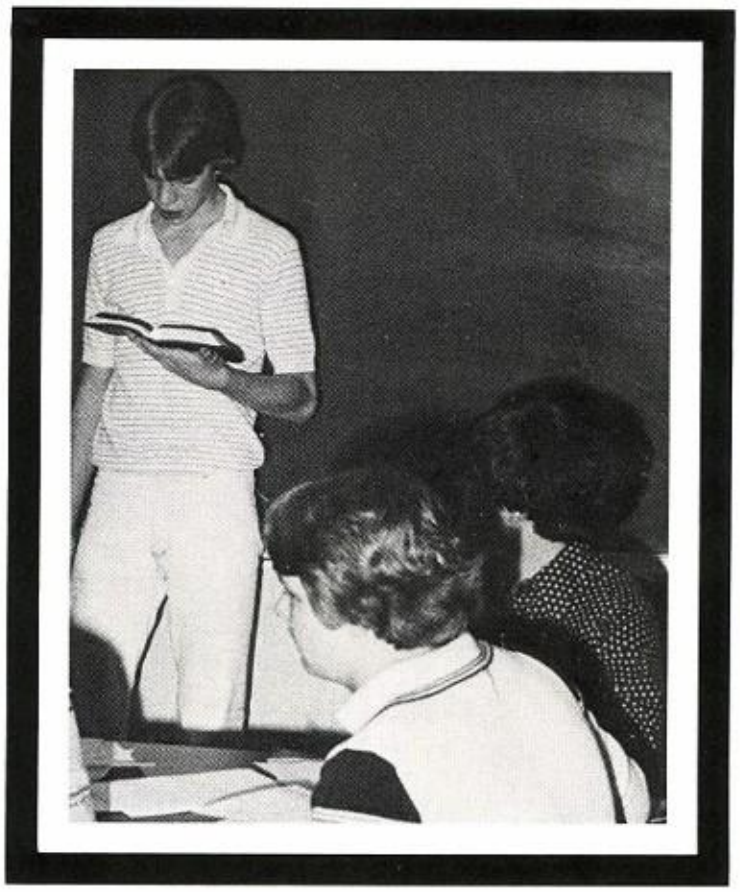
HA

Amid the addition of buildings, the expansion of the curriculum, and the changeability of the faculty and students, it might seem hard to find something unchanging about Harding. At a closer glance, that certain something becomes obvious - it's Harding's purpose. Harding is not just another school but was established to provide Christian education and to build Christian principles in the students. Bible classes and chapel are part of a student's daily schedule. Harding also has a strong academic program which is geared toward preparing students for college. Among all the changes that have occured over Harding's 26 years, its purpose remains the same.



← miss Ijams



We live in changing times. Some changes are obvious while others are subtle. Fads come and go, styles change, and our attitudes change. Amidst all of these changes it often seems impossible to find a constant. Although we may change our fashions, our likes and our dislikes, everyone finds joy in having friends. A friend can be found almost anywhere at Harding. Being a teacher can become more than just another job, students become more than just casual acquaintances, and administrators actually get to know the students. Friendship provides us with the strength to make it through the bad days and to enjoy the good days even more. Times may change—friendship doesn't.

Student Life

Do You Have

Each year, without exception, a mysterious disease strikes students and even the faculty at Harding. No, it's not mono, the flu, or broken limbs, but what is known as the sillies. There is no medicine or shots to keep you from coming down with the sillies. No one is immune to this mysterious phenomenon - some simply have a worse case than others. The sillies have some obvious symptoms: having an uncontrollable desire to burst out in laughter for no apparent reason, making faces, getting a bad case of "the giggles," and resorting to strange behavior like rolling yards. The sillies cause teachers to tell funny stories, mispronounce words, and even confuse their students. Even those who have had severe cases of the sillies have somehow survived. They can be awkward but just remember, "if you can't beat 'em, join 'em."

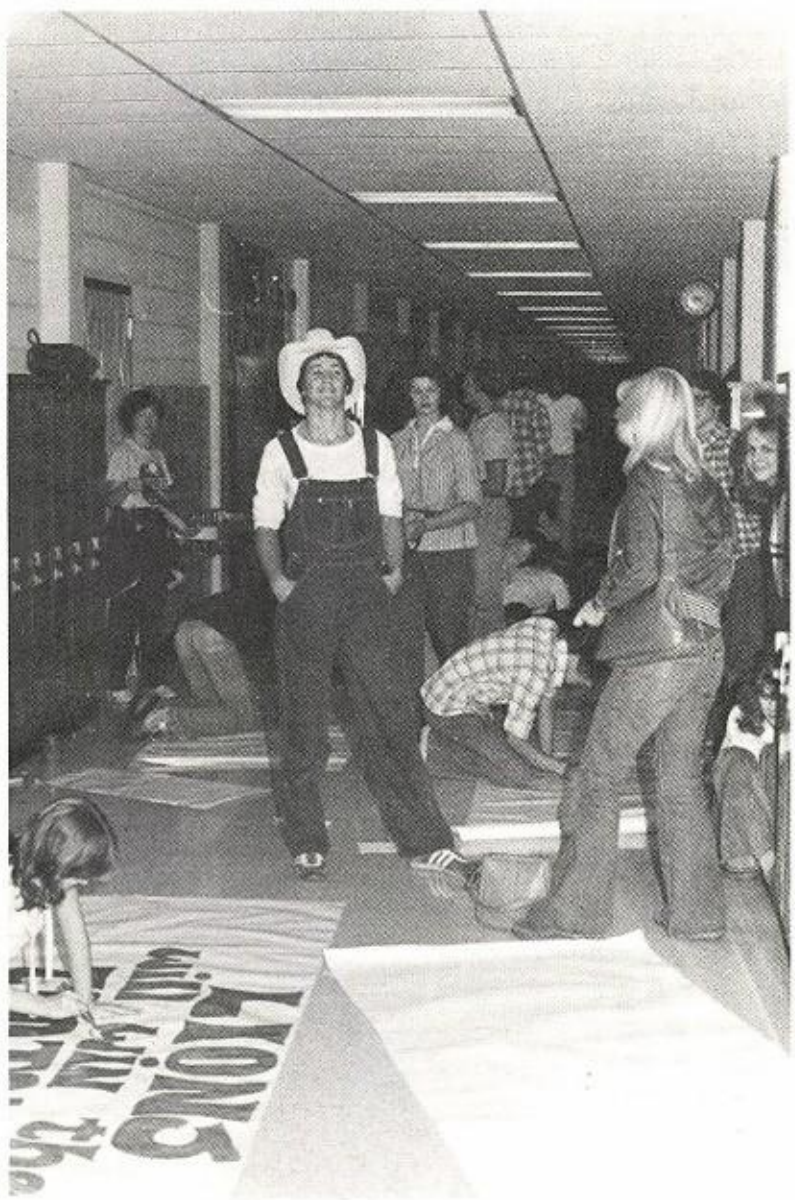
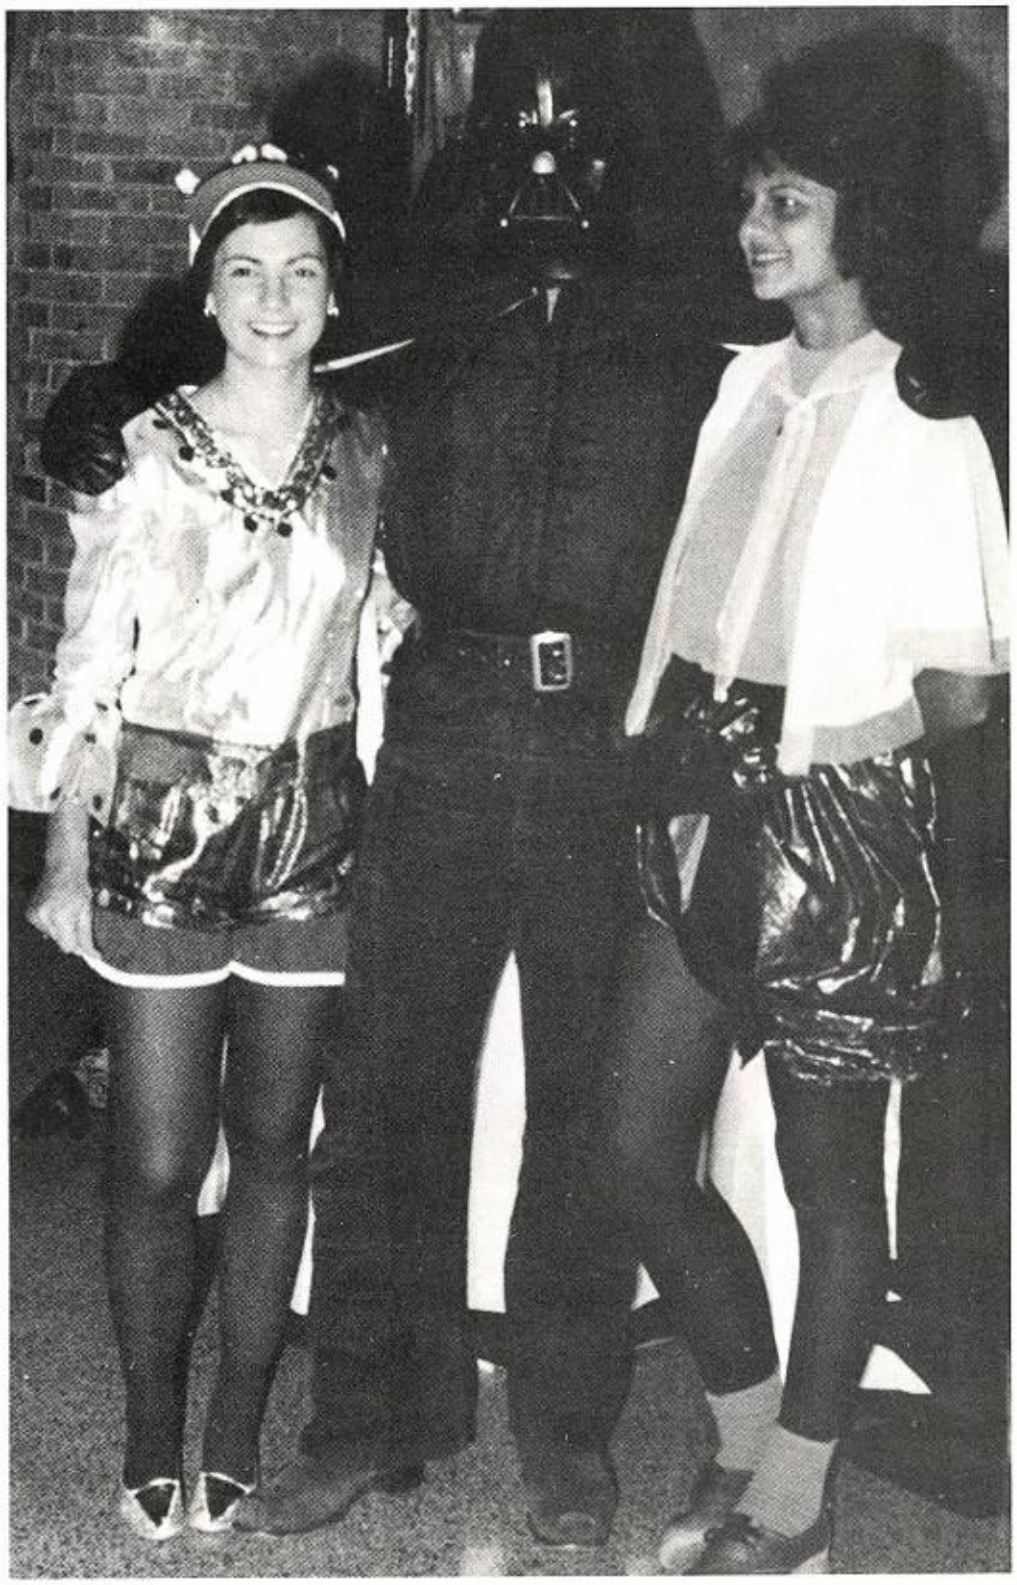
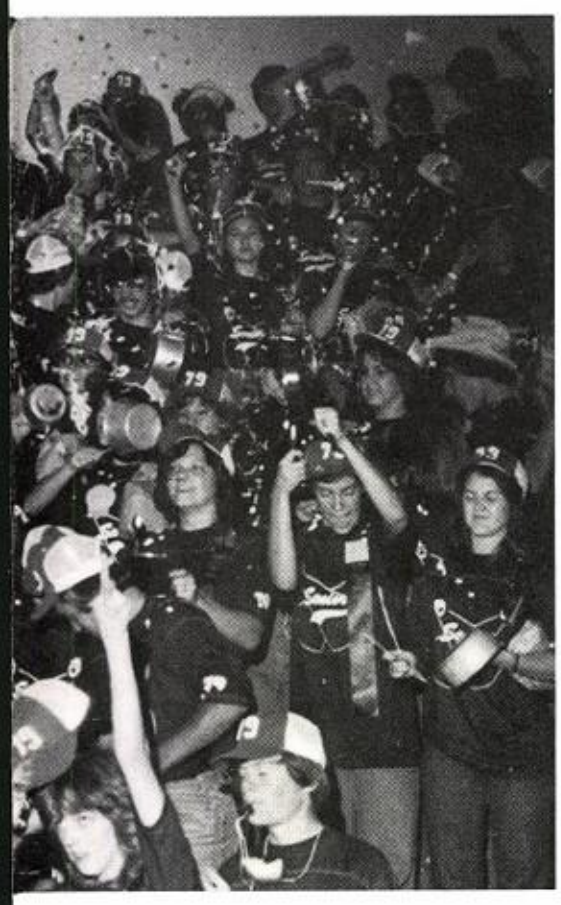
Space Odyssey - Lion Style







This year's Homecoming was a fun filled week. There were several activities that were exciting, some of which were skits, float competition, hall decoration, dress-up days, and a spirit filled pep rally.

The Senior skit was about Star Trek, the Juniors presented the Muppet Show, the Sophomores did a take off from Saturday Night Live, and the Freshman Class delighted us with Fantasy Island.

The halls were decorated like the inside of a space ship. This activity was a very time consuming but worthwhile project that brightened up Harding's halls and got everyone in the Homecoming spirit. The Senior Class won the hall competition.

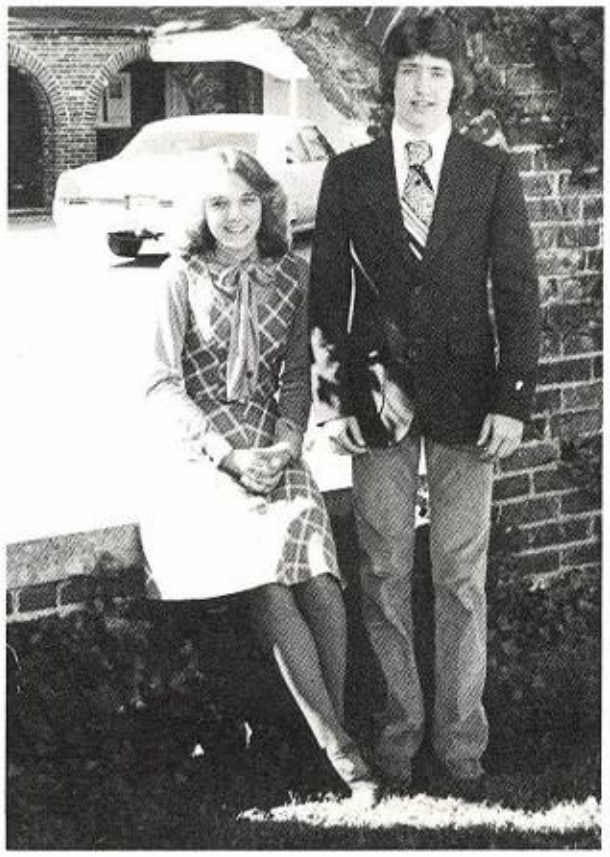
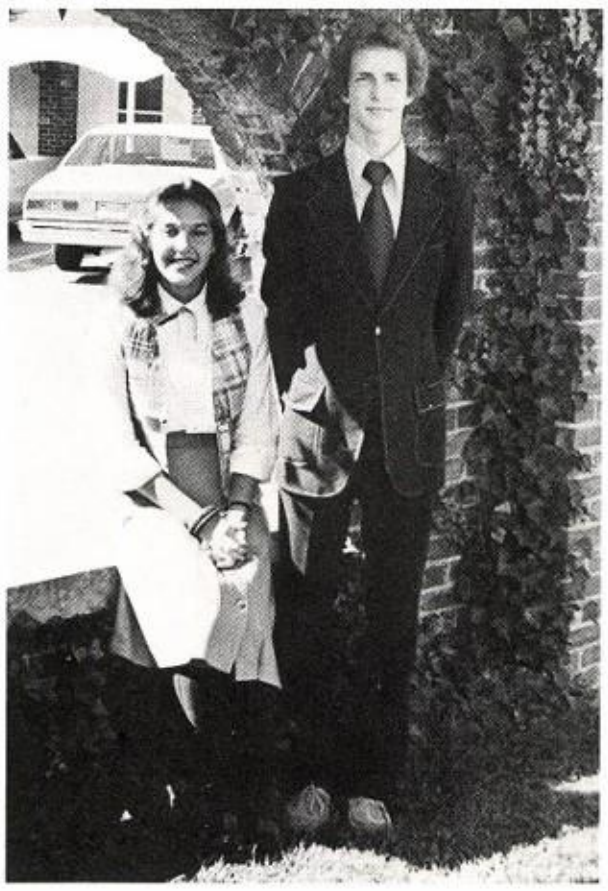
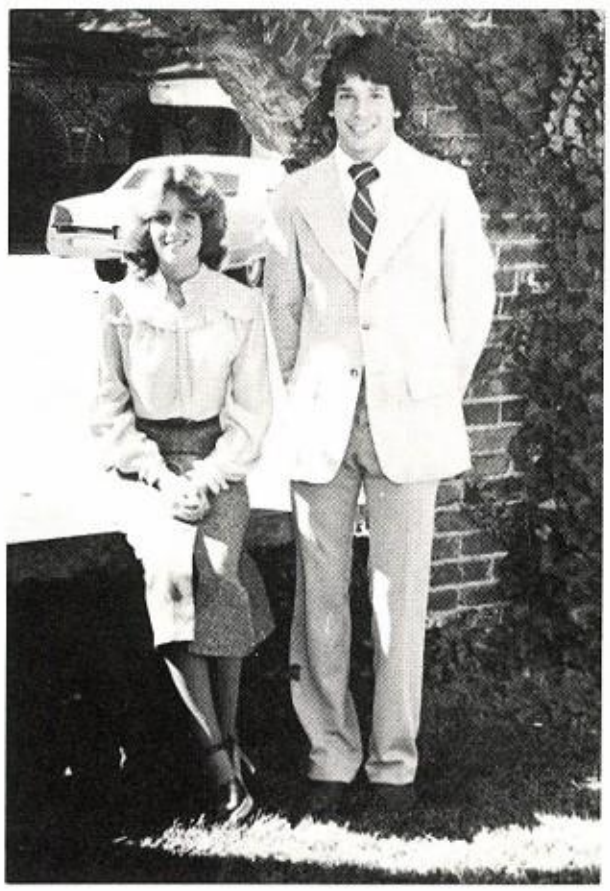
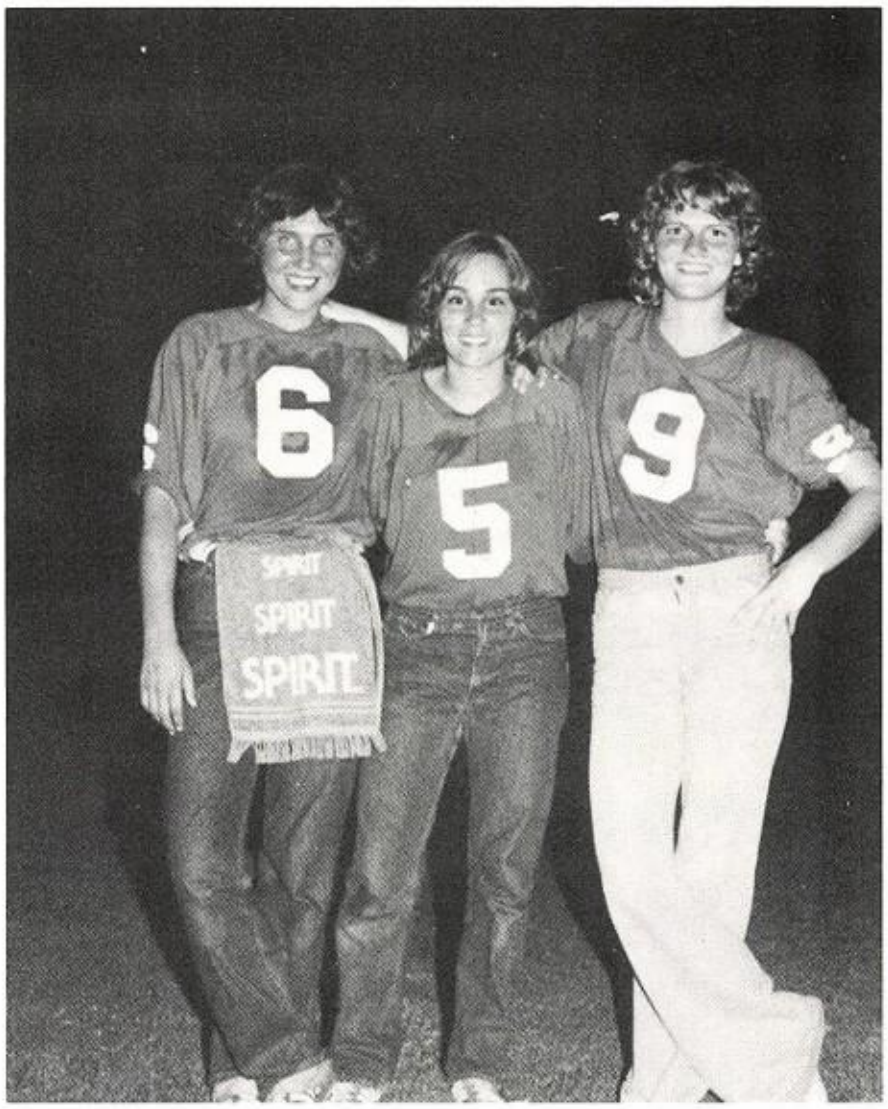
On October 13, the Homecoming festivities came to an end with the crowning of Terri Martin as Homecoming Queen. The candidates for queen were Beverly Bourland, Melissa Meyer and Terri Martin. The Seniors chose as their representative Kristi Thorton. Leigh Martin represented the class of '80. Melody Sanderson was chosen as the Sophomore representative, and Debbie Prince represented the Freshman class.









Powder Puff Game Brings Money

The Student Council sponsored the "Powder Puff" football game to raise money to overcome a financial deficit at the beginning of the year. Much advertising was done and the climax of the week was the pep rally the day of the game. The game pitted the Juniors against the "Super Seniors." Guys from both classes served as coaches as well as cheerleaders. Although there was no bloodshed from the powder puffs, Kelly Comstock did break her ankle. In the end, after two over-times it was the Seniors who pulled away to the 14-7 victory. After all the money was counted and expenses extracted, the Student Council had taken in $314.00

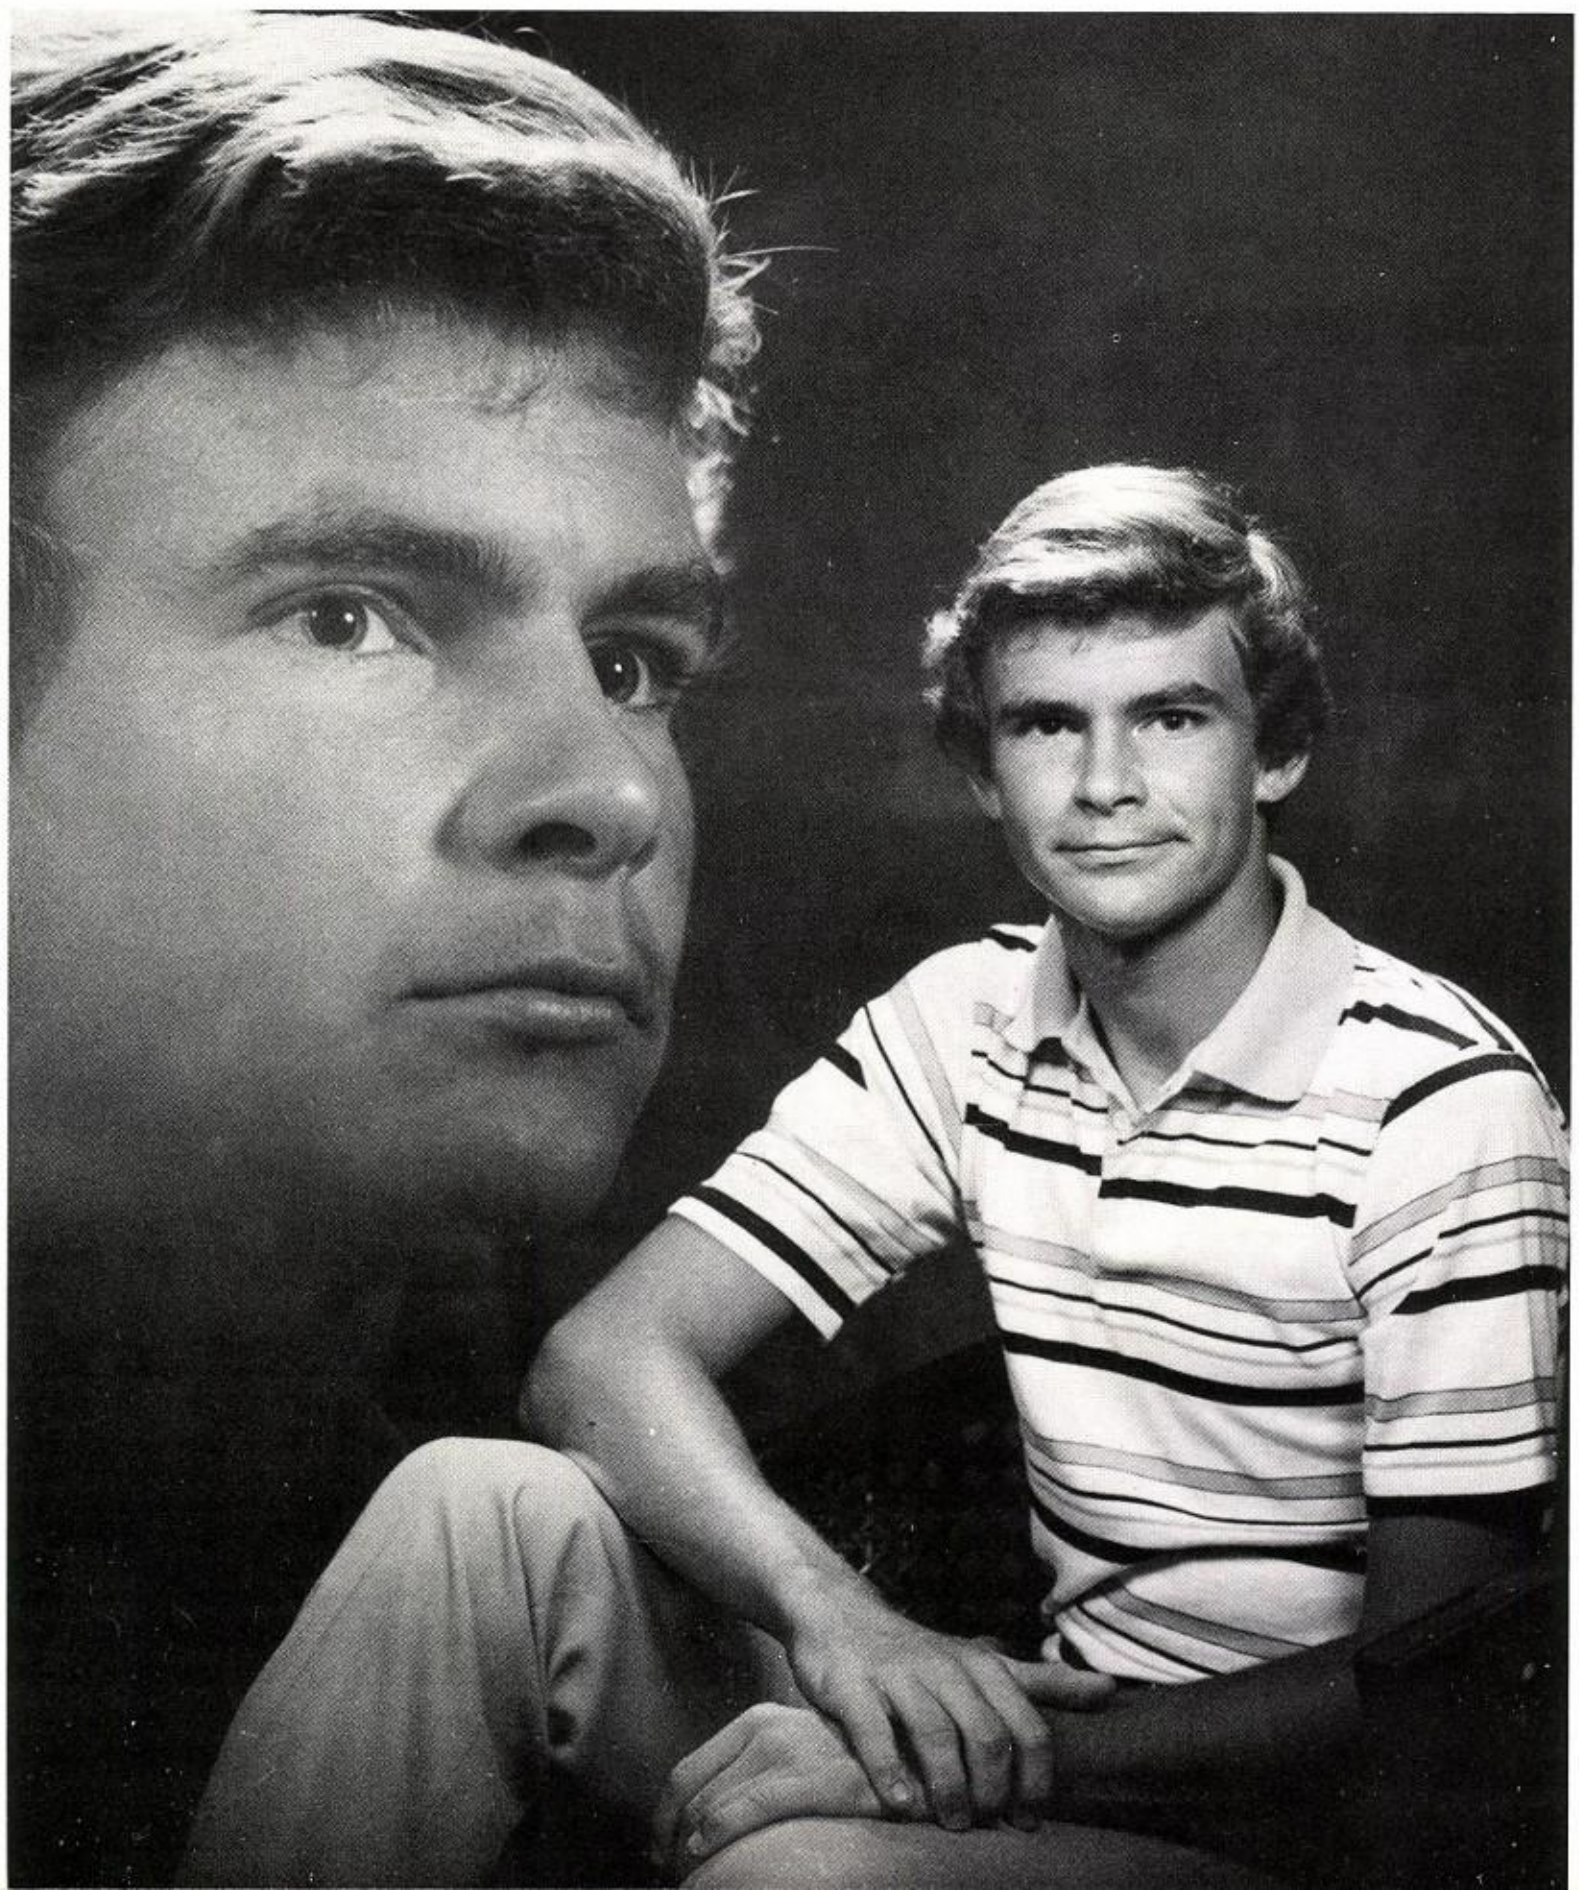
Mr. Harding
Hubie Smith

Hubie Smith has gained the respect of everyone at Harding. Perhaps his greatest accomplishments have come through his involvement in athletics. He has been a member of the golf team and has been instrumental in the success of our basketball team. His outstanding play earned him all region and all state honors. Hubie has also participated in the student council and is a member of the National Honor Society. Hubie has the qualities which compile Mr. Harding.



Miss Harding
Beverly Bourland

The 1979 Miss Harding is Beverly Bourland. Beverly has shown spirit and excitement by her involvement in Harding. She has served as cheerleader and was this years' varsity squad captain. She has also been a member of the Homecoming Court and Queen of Hearts. Beverly has been a Civinette, the FSIC treasurer, and a member of the National Honor Society. Her talents, accomplishments, and exhuberance makes her a worthy choice as Miss Harding.

Kay Captures Crown

King and Queen

Bob Buckmaster
Linda Dorsey

This year's King and Queen of Hearts are Linda Dorsey and Bob Buckmaster. Linda is a member of Civinettes, FSIC, the Lion staff, SHIELD staff, and student council. She is the secretary of FSIC and will be editor of the SHIELD next year. Her hobbies include ceramics, playing the piano, and swimming. Bob is a member of FBLA. He has gone to the regional Junior Olympics in swimming on three different occasions. Bob's interests are swimming, raquetball, and tennis.

The Junior class had several money making projects. They had bake sales, a donut sale, and sold personalized, heart-shaped cakes.

Brad And Gena

Gena Sasseen and Brad Roller are the Prince and Princess of Hearts. Gena is a seventh grade cheerleader and enjoys playing basketball and running track. Brad is a member of the Student Council and also plays football. His hobbies include riding motocross bikes and cycles.

The Seventh grade raised money by having bake sales each day of the competition, selling singing telegrams, and having a womanless fashion show.

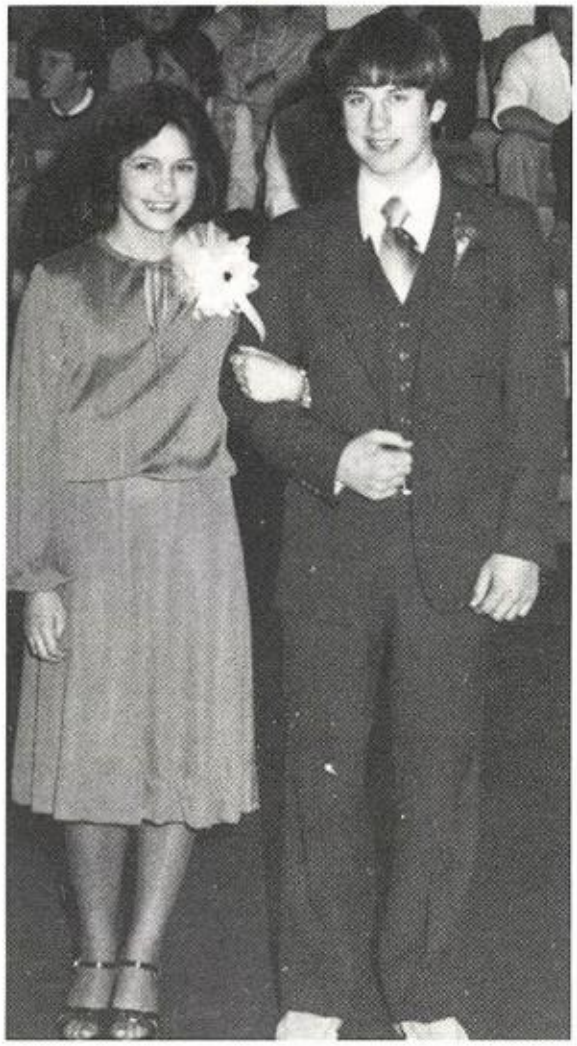
Classes Unite to Raise Funds



"The purpose of the King and Queen of Hearts week was to follow tradition, recognize the basketball teams, and serve as an outlet for student activity," said Mr. Bill Ivy.

During King and Queen of Hearts week, each class competed against each other to raise money. The seniors sold "valograms" and had a luncheon. Juniors sold cakes and donuts. The sophomores sold phone-a-grams and held a luncheon. The freshmen class sponsored a talent show and a girls' wrestling match. The eighth grade raised money with a basketball game and the seventh grade staged a womanless beauty review.

Seventy-five percent of the money raised by each Senior High class went to the juniors for their retreat. The remaining twenty-five percent of the Junior High earnings went to the Junior High Student Council.

SHIELD SALUTES

Kay Smith

Kay Smith has been an active participant in Harding Academy for six years. She teaches American history, world history, and coaches the girls' softball team in the spring. Miss Smith is also involved with organizations and is the Civinettes sponsor. She takes the group to California during Christmas holidays as well as planning various other projects and fellowships. Kay Smith is more than a teacher and is also a friend to her students and always has a kind word and a sweet disposition and attitude. One of her main goals is the building and development of strong character. She holds regular Bible studies and devotionals in her home. Thank you, Miss Smith for your fine Christian example.

Anne Brewer

Mrs. Anne Brewer heads the English department at Harding. In the past she has been a business teacher and a senior class sponsor. Chaucer, Shakespeare, Milton, and term papers are just a sample of the memories many seniors have of English. Not only is Mrs. Brewer a thorough teacher but she presents the material with an interesting and different style. An aura of professionalism is radiated in every aspect of Mrs. Brewer's class and also in her personal life. During spring break she conducts a tour of London and the surrounding areas. The students visit Shakespeare's home, the British museum, and other places about which they have studied. The hours of preparation spent in teaching her classes should be acknowledged and commended. Seniors who have been in Mrs. Brewer's class can feel confident about college English.

Carolyn Batey

Mrs. Carolyn Batey teaches personal adjustment, marriage, and family living. In this class Mrs. Batey teaches about relating to others, coping with problems, and practical day-to-day life. She uses innovative teaching techniques such as experiments, brainstorming, and role playing. Mrs. Batey remains sensitive to the feelings of her students and strives to develop a one to one relationship with each and to understand each student's goals, problems, and individuality. The 1979 SHIELD would like to commend Mrs. Batey for her to care, understanding, and sensitivity to the feelings of those around her.

Bill Ivey

Bill Ivey has served Harding as a teacher, coach, and administrator. In all these positions he has radiated immense spirit, respect, and dedication to Harding. As activities director Coach Ivey has co-ordinated events and activities to benefit every member of the student body. He also served as senior class sponsor and strove to unify the class through participation both inside and outside of school. Beyond being a teacher, a sponsor, a coach, and an administrator Bill Ivey is a friend. He goes out of his way to consider others' feelings, to give an encouraging word, and to give more than he is asked or expected to do. He also has high expectations of students and is disappointed if you don't live up to your capabilities and responsibilities. Bill Ivey truly believes in Harding and has played a big part in making this year a success.

An Evening with the Classics

"An Evening with the Classics," the first junior high production, was staged March 15-17. The play, sponsored by the Thespians, was done in the vaudeville tradition. Included in the production were the English classic "Pryramus and Thisby," taken from A MIDSUMMER NIGHT'S DREAM by William Shakespeare; the French classic "The Doctor in Spite of Himself" by Moliere; and the American classic "The Notorious Jumping Frog" by Mark Twain.

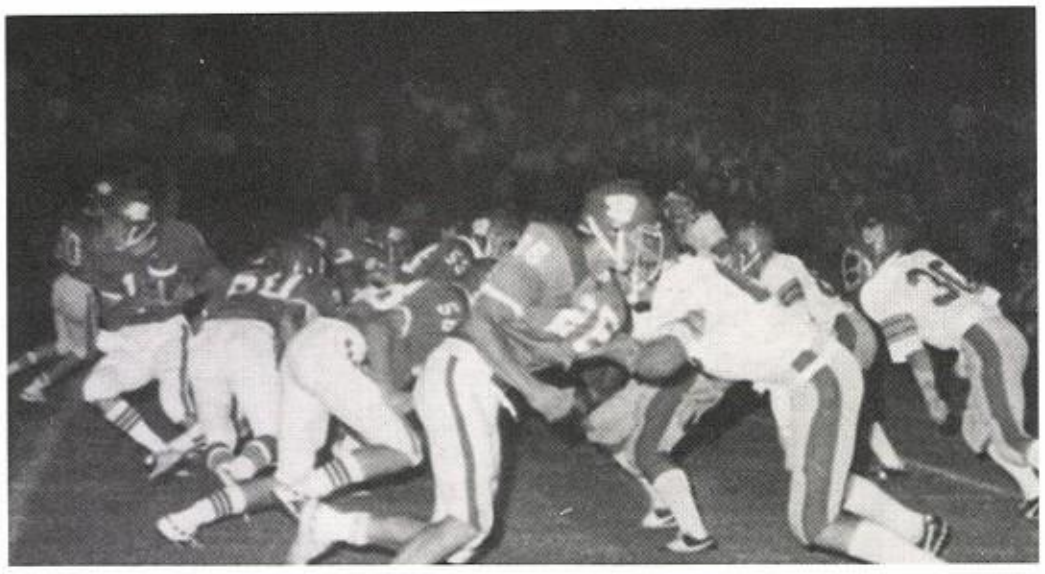
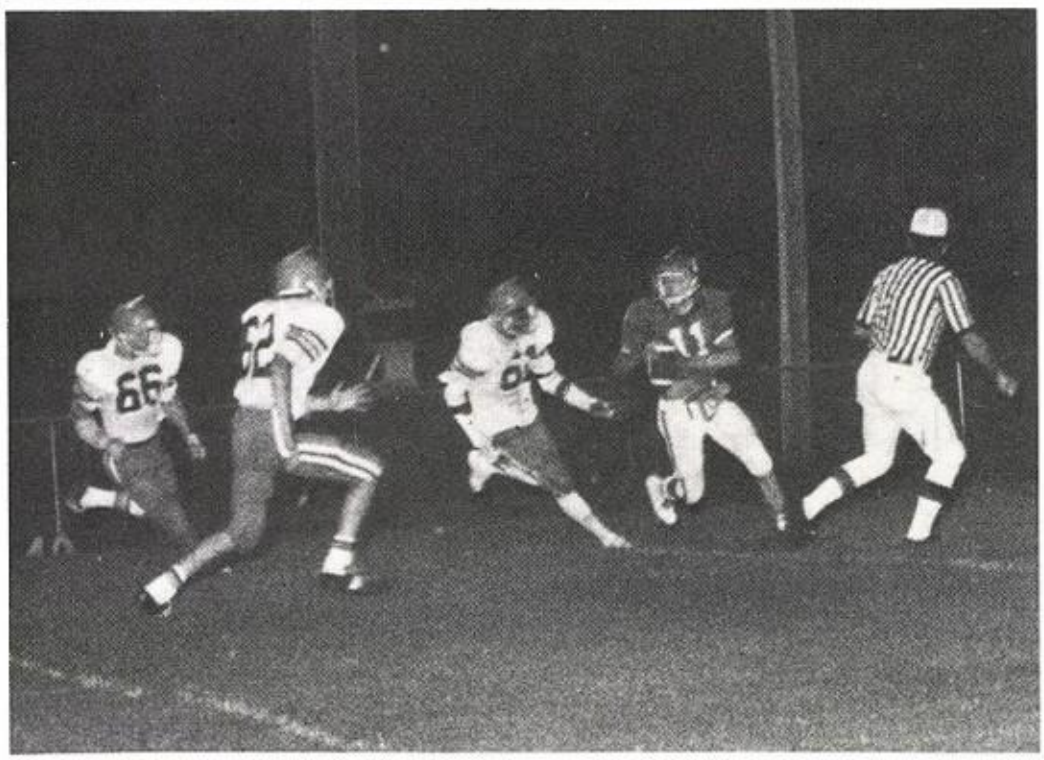
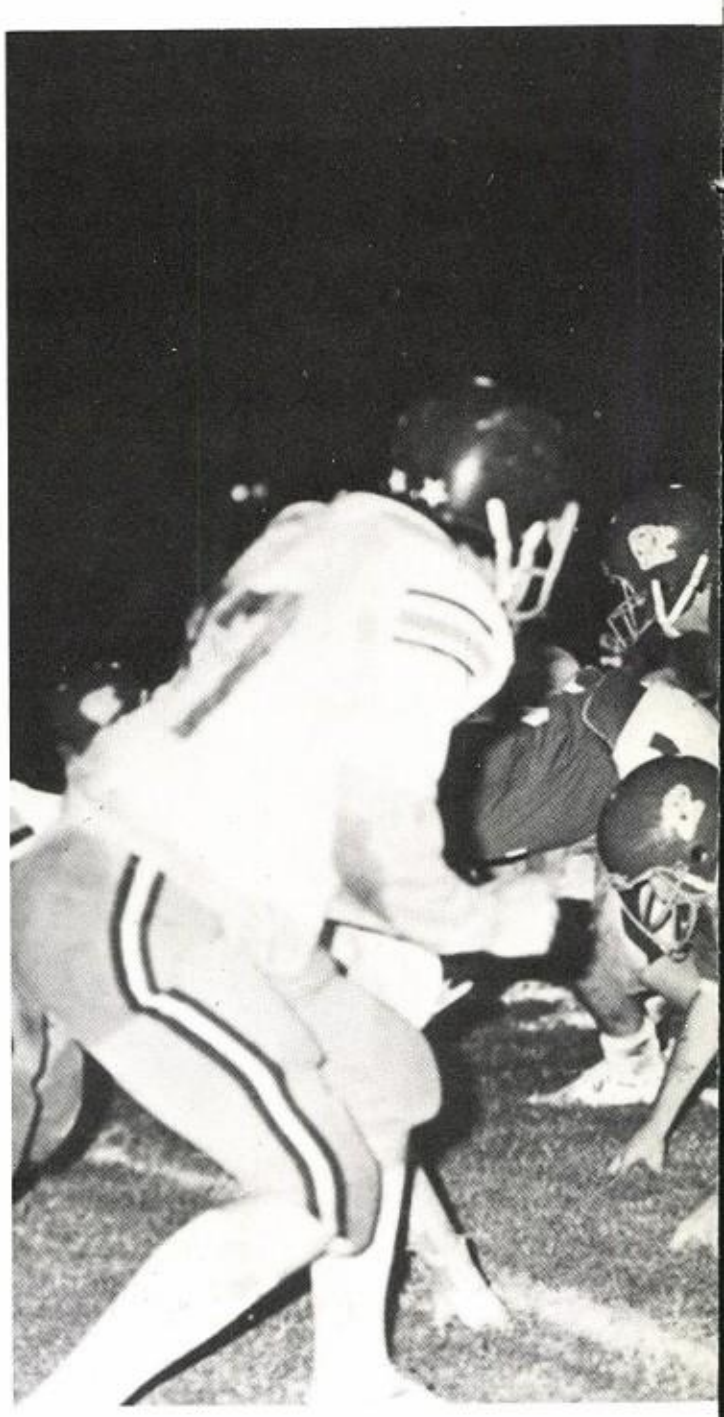
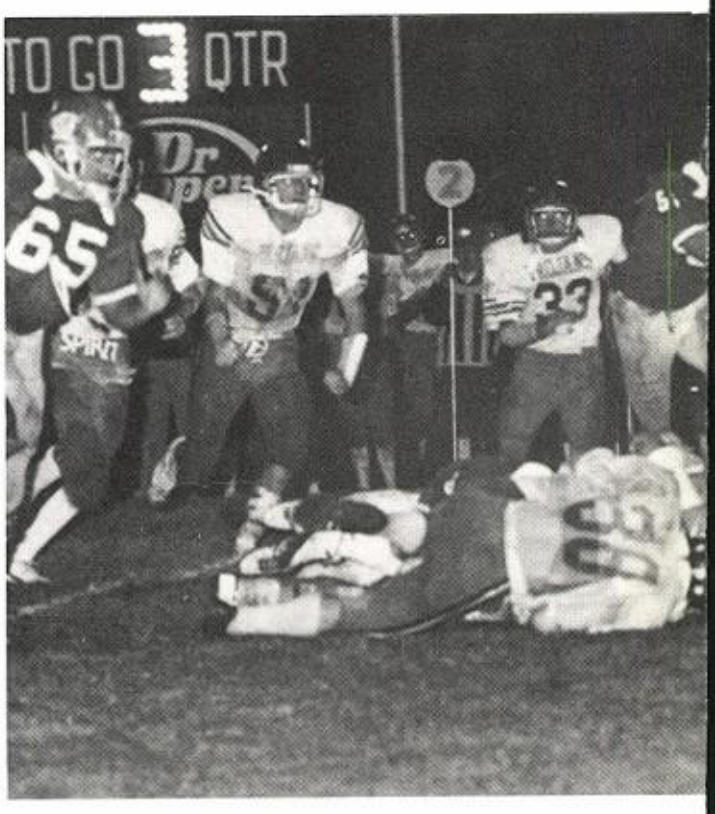
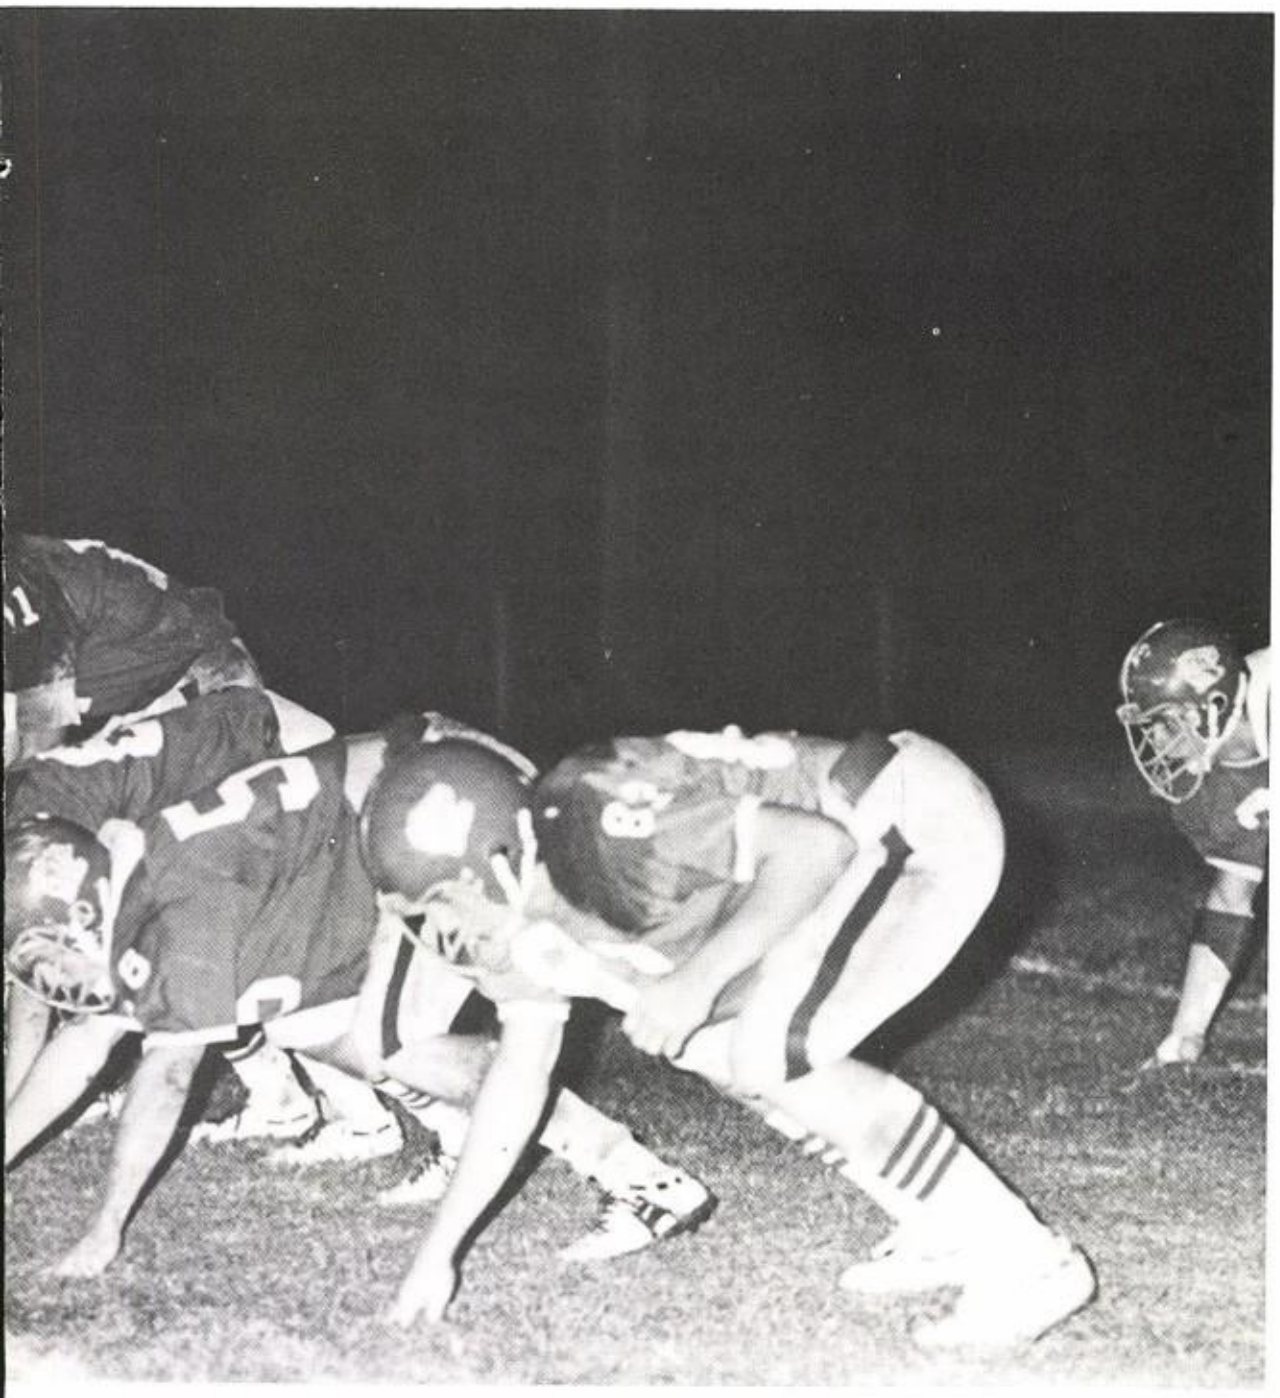
FOOTBALL

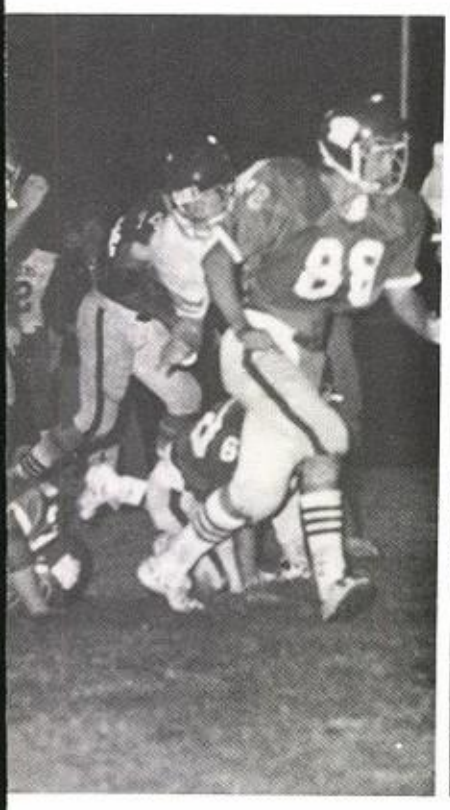


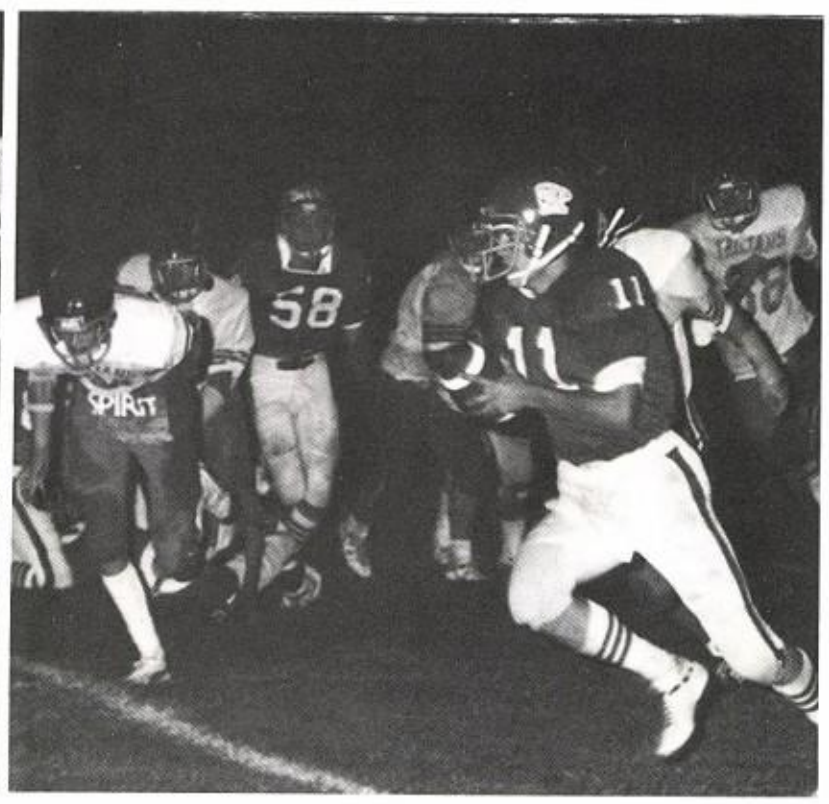












Lions Have A 7-3 Season

Harding Academy opened the season with a 10-0 loss to White Station. The defense played well but the inability to move the ball hurt the Lion's chances of winning.

The Roadrunners of Ridgeway invaded the Lions home field and went away victorious by the score of 23-0. Harding's chances were hurt in this game because of injuries to several key players.

Playing at home for the first three games, the Lions gave their fans something to cheer about by beating the Trezevant Bears 20-18. Richard Hamlet picked off a pass in the final seconds to provide the victory.

One of the most enjoyable victories of the year came over MUS as the Lions downed the Owls 14-7. Harding played a strong first half and held on to win.

Playing away from home for the first time, Harding was outmanned by a strong Prep team 51-6. Prep jumped on top early and never let up.

The Lions bounded ahead the next week beating a large, strong Union City team 7-3. It was a great defensive effort and began a five game winning streak.

Playing before a large Homecoming crowd, the Lions defeated SBEC 20-6 scoring all of the points in the first half.

Harding stunned a large Bishop Byrne team before a huge crowd holding them scoreless and winning the game 10-0.

In an overtime thriller Harding defeated the Catholic Chargers as Robbie Davis threw a perfect pass to Robbie Kiihnl for a winning touchdown.

The Lions ended the season with one of their best defensive efforts against a good Colliervillle team beating the Dragons by a score of 10-7.

Robbie Kiihnl was named All Metro. In the Shelby Athletic Conference Robbie Kiihnl and Richard Hamlet were named All Conference. Named to the All Conference Honorable Mention were Robbie Davis, Greg Poston, David Bourland, Jeff Sissom, Tony Rowe, and Tom Moffett.

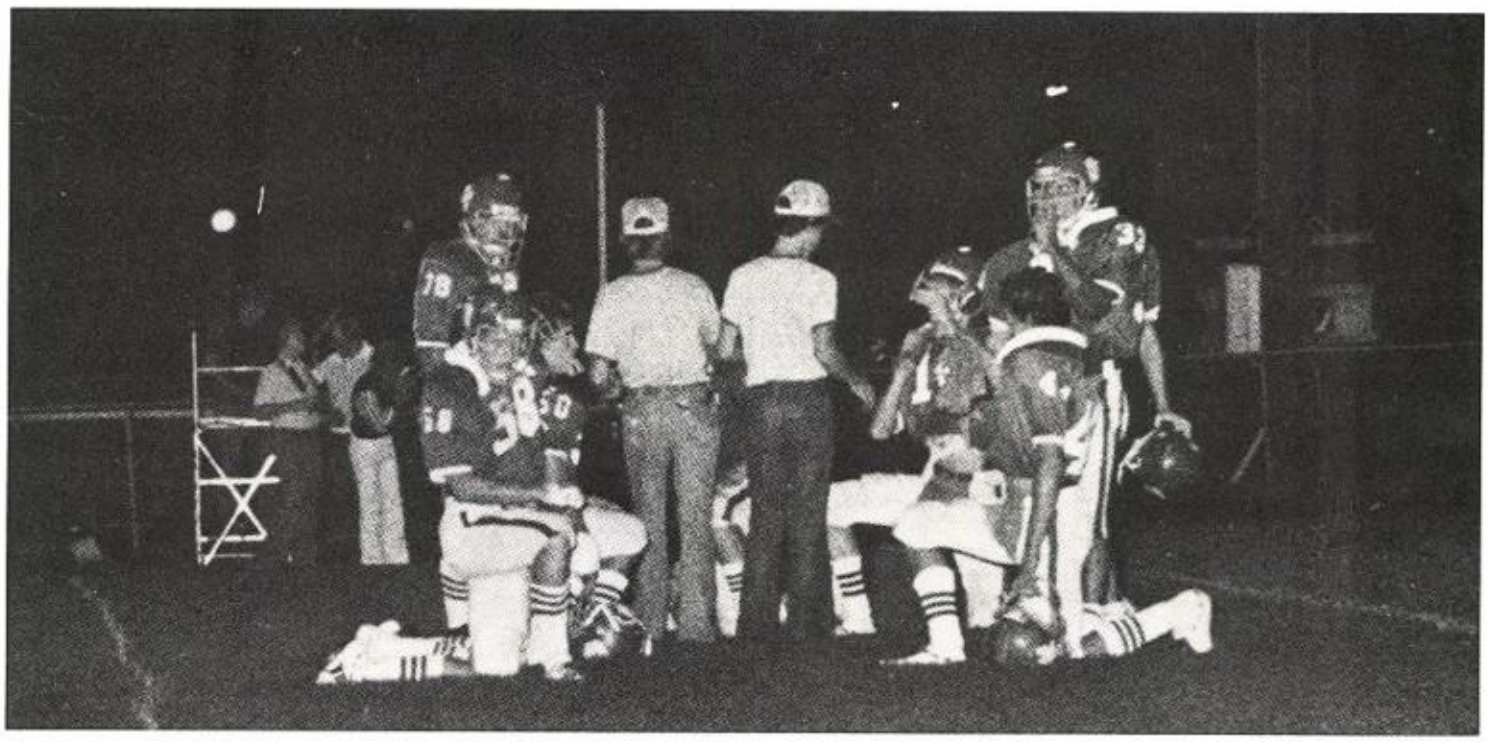
Changes Take Harding Football For '78-'79

There have been many changes this year in Harding Academy football. One of the changes has been the new coach, Jerry Escue, who has been coaching football for ten years. Coach Escue came from McKenzie High School. He commented, "The student body is great", when asked about Harding's spirit.

The major change is the new conference, Shelby Athletic Conference-7, which the school is in. It includes all the members of District 14-AA and is one of the most stable of the conferences that Harding has been involved with in the past years. This conference includes all sports.

The football team was invited to participate in two bowls, one at Collierville and another at Waverly, TN., but due to the school's TSSAA probationary status had to decline.



The 1978 Freshmen football team was declared co-champion of the Shelby Athletic Conference with a record of 5 wins and 2 losses. The team exemplified Harding Academy athletics by showing poise and steady improvement throughout the season.

In the game against MUS, Wally Hatfield kicked the extra point for a score of 7-0. MUS scored by tough defense and stopped the two-point conversion.

Harding led 6-0 in the game against Prep until the last play of the first half when Prep scored with eight seconds to go making the score 6-6. This gave prep momentum and they dominated the second half.

Hard-nosed football was played by Harding against Munford. Harding drove the ball on the ground for four touchdowns. There was some excellent line blocking in this game.

Tough defense was exemplified in the game against SBEC. Tim Wilder returned a point for 87 yards and a touchdown to set the stage for a 13-0 win.

In the game against Bishop Byrne, Harding led at halftime 14-6. Bishop Byrne came back in the second half and scored. At the end of regulation time the score was tied at 14-14. Bishop Byrne scored on three and five in overtime. Harding missed scoring on fourth and nine when Dan Smith was stopped six inches from the goal line.

Excellent blocking and hard-nose running was responsible for the win over Catholic.

Harding fumbled on the opening kickoff in the game against Collierville. Collierville recovered, drove, and scored making the score 6-0. Harding showed poise and determination with great blocking and running and excellent defense.

YMCA League Champs

The 1978 seventh and eighth grade football team ended its season with a 5 wins and 1 loss record. The Cubs defeated two excellent teams in their last two outings to lock up first place in their league. The Cub attack was led by Ross McCullar, with Scott McIllwain gaining valuable yardage up the middle. The entire offensive line helped open up large holes for the backs to run through. Jeff Acuff and Brett Curtis proved valuable assets as the Cubs rolled to victory. Defensively, the Cubs were solid in every position, with outstanding plays from Mark Abbington, Billy Rodgers and Butch Tines. The great defense was evident when the cubs shut down the high powered single wing attack of the Germantown Bears 28-0. The only blemish on the record was a defeat at the hands of Glenmore Academy. The seventh and eighth grade team improved greatly with each game, and should be a fine foundation on which to build a great football program.

CROSS COUNTRY

Second Is TSSAA State Meet, First In Region And Conference

Led by Coach Ronn Rubio, all-staters Bryan Woods and Terry Davis, senior Mike Michie, and juniors Steve Guymon and Bruce Myers, Harding emerged as the class of West Tennessee cross-country— for the second year in a row.

Sprinting to team championships in 3 prestigious invitational meets — the Bishop Byrne at McKellar Park (18 teams entered), the Memphis Classic at MUS (14 teams), the Bison Booster at Searcy (14 teams) — the long-distance Lions won the initial Shelby Athletic Conference meet (Woods, Davis, Michie finishing 1-2-3), then blistered the 17-team field in the Regional meet at Jackson (Woods, Davis, Guymon, Michie in the top 15).

Qualifying for the state meet for the fifth year in a row, the team finished a solid second, ironically scoring fewer points and running better course-times than its own state-championship unit of the year before.

Grueling summer roadwork (Terry Davis and John Lipsey logged 1002 miles, for example) prepared the group to open the season in Nashville on the state-meet course, the Iroquois Steeplechase, with a victory over 3 Middle Tennessee teams. Coach Rubio brought his boys back for conference wins over MUS, SBEC, Collierville, Catholic (twice); then he took them to Athens, Ga., for a classic that featured the top 3 teams from each of 8 Southern states.

Honed to a fine competitive edge and stronger each time it ran, the team outdistanced all remaining foes. A decisive first-place finish at Jackson was the springboard to Nashville, and fittingly the season ended on the same course where it had begun 64 days earlier. On a perfect 70° day the Lions ran 2nd-best in Tennessee.

The JV team had a winning season and led by freshman Scot Bell's 1st-place finish, the team won 3rd-place in the conference meet.

1978-79 VARSITY: (back row) Coach Rubio, Terry Davis, Jere Matthews, Phil Godwin, Bruce Myers, Steve Brown; (front row) Bryan Woods, Mark Rosser, Walter Heald, Don Kirby, Scot Bell; (not pictured) Mike Michie, Derek Huffman, John Lipsey, Steve Guymon, Zack Randolph.

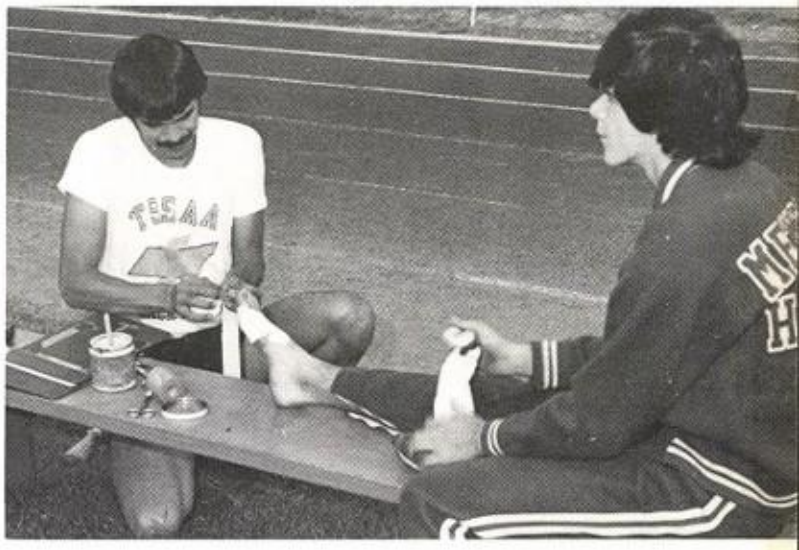
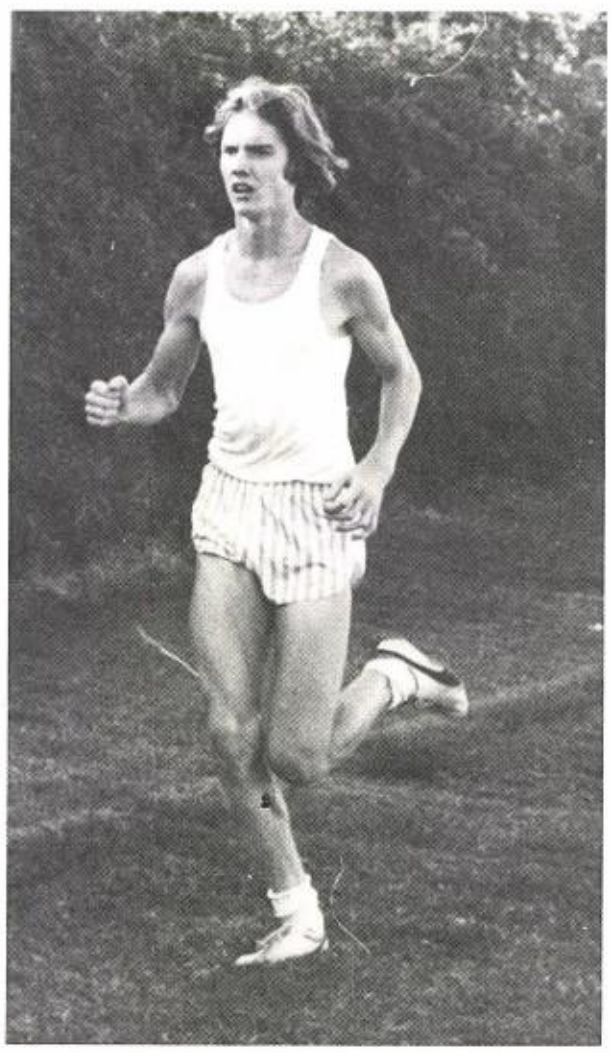
The loneliness of the long-distance is epitomized by all-state Terry Davis during the MUS Invitational in which he finished 4th. Team-leader Davis finished 3rd in the Bison Booster, 2nd in the conference, 5th in the Regional, and 8th in the State.

Sandwiched between Westwood's Darrell Clemmons and Whitehaven's Ricky Seymour, 3-time-all-state Bryan Woods steps to a 4th-place Regional finish. Bison Booster and SAC champion, Woods finished 7th in the state meet with an excellent time of 15:06 for the 3-mile course.

Plagues by blisters and assorted foot ailments throughout the season, Bruce Myers receives his daily taping from Coach Rubio. Trainer, coach, friend, Coach Rubio has guided Harding runners for 6 years.



They're off at the exciting pack-start of the conference meet on Harding's campus. Already in first-place, Bryan Woods increased his lead during the race to finish 1st just ahead of teammates Davis and Michie.



Versatile football-player-harrier Steve Guymon, all-regional, races to a 5th-place finish in the MUS Invitational. Guymon finished 4th in the Bison Booster and 8th in the Regional.

The strain of Nashville state-meet competition registers on all-regional Mike Michie's face. With a crowd-rousing kick-finish, Michie finished 3rd in the SAC meet at Harding.

This year the varsity girls' cross country team had an unusual team line up. The 1978 girls' team consisted mostly of freshmen. "We were greatly improved over last year, and are building toward some terrific years to follow," says Coach Matthews. Each one of the girls improved her racing time and maintained an attitude of discipline required to push them through the season with triumph over many personal goals.

State Runner-Up

The Lady Lions Volleyball team continued to please Harding fans with their amazing consistency in winning. They won 19 straight matches (including a defeat of the Arkansas defending State Champion, West Helena) before losing to perennial powerhouse Bradshaw, Alabama. They did not lose to another team until the finals of the TSSAA State Tournament where Kirkman (Chatanooga) won the State Championship for the third year in a row.

Team honors were SAC-7 Champions, District Champions, West Tennessee Regional Champions and TSSAA State Runners-up.

Varsity Displays Talent

The Varsity Boys' Team finished the regular season with a record of 23 wins and 10 losses. Overcoming minor injuries and inexperience at the beginning of the season, they molded into an outstanding team by the end of the regular season.

The team played well together and capitalized on the good outside shooting of Hubie Smith and Phillip Wade. Jim Donnell and Robert Gillespie boosted the inside game, and Maury Goode exhibited outstanding rebounding prowess during the entire season. Alex Ivy perfected his defensive skills and Chuck McNutt was an extremely reliable sixth man.

Led by the senior members of the team, the boys learned to keep their heads up and to hustle. Senior Hubie Smith was named Most Valuable Player in the Lipscomb Tourney and the Memphis Harding Classic.

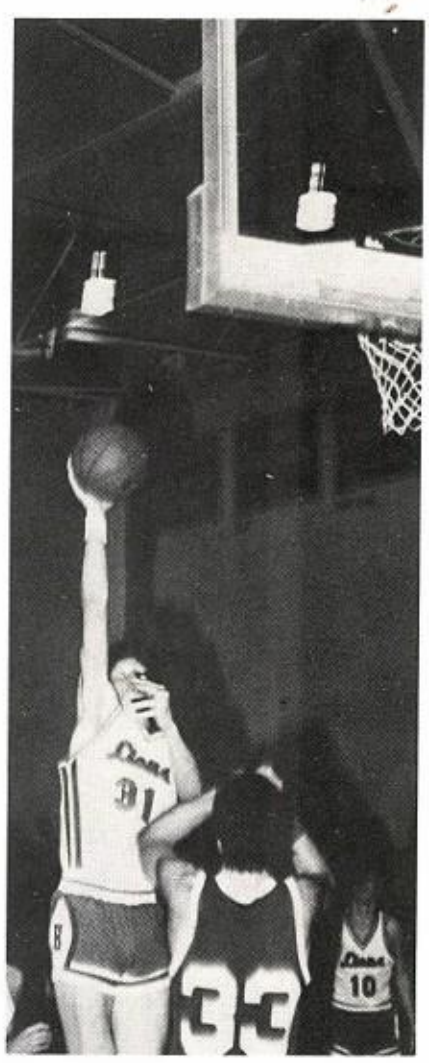
Junior Varsity

The Junior Varsity Boys' Team set a new record for the most victories and fewest losses in a season. The team's 24-4 record came about as a result of strong team play. All of the players contributed to the team's success because of the tremendous depth. Other team strengths included good size and quickness.

Led by the excellent shooting ability of Jim Benton, Clark McFerrin, Don Phillips, Cary Daniels, Shawn Swain, Mark Rosser, and Robbie Betts, the team also capitalized on its excellent rebounding, defensive ballplaying, excellent passing, and experienced leadership. They won the Harding "B" Tournament championship early in the season and continued the fine play that characterized their winning season.



Jim Donnell shoots one handed.

Freshmen Boys

The Freshmen Boys' Basketball team had a winning season of 12-8. They had good rebounding and scorers such as Kenny Inman and Jimmy Boring. They also showed good defensive play. Bill Donnell, Danny Austin and Don Deaton played an important part in offensive scoring. They ended the season as District 37 Champs which took them to the Regional Tournament.

Lady Lions Rack Up 23 Straight Victories

The girls' varsity team, lead by six seniors, racked up twenty three consecutive wins this year. A quick moving team, they captured first place in the David Lipscomb Tournament as well as the Country Day School Tournament.

Forwards Angie and Tonya Bodiford led the team in scoring. Working well together, they combined their talents to help this year's team compile its best record ever.

The quickness of guards Paula Stevenson and Debra Austin caused other teams to make mistakes. Guard Lila Orr led the team in rebounding.

This past summer seven of the wrestlers went to the Gramby Wrestling Camp in Virginia. This year wrestling was based on the gramby system.

The '78-'79 wrestling team opened their season with four straight victories but began to be plagued by illness. They lost four of their starters but soon were back into the jump of things and went on to have a 6-4 dual match record. They captured second in the SAC-7 Conference Tournament, second in the District 11 Tournament and third in the David Lipscomb Tournament. Lonnie Sheppard and Kenny Beaver were state qualifiers.

Although the team lost six of its starters last year they have improved. This year's team consisted of two seniors - Jeff Whitmire and Kenny Beaver. The rest of the team consisted of four juniors, five sophomores and one freshman.

1978 Track And Baseball Teams Have Super Seasons

Long days of tortuous practice prepared the girls' and the boys' track teams for each of the meets. The girls' team was highlighted by the combined efforts of the members of the relay teams, as they took several wins. Melanie Clay did very well last year in the new event of 110 yard low hurdles, which took her to the District Competition. Towards the end of the year, she was also in the Pentathalon Competition at MUS. The boys' team had several outstanding individuals; some of whom were Tim Isbell, two-mile run; Bryan Woods, one-mile run; Stan Hendrix, high hurdles; and Steve Guyman, two-mile run. These four young men qualified for the Regionals; however, the only runner from Harding to be able to proceed to the State Meet was Tim. Tim placed fifth in the overall competition.

The baseball team compiled a 22-4 record as District Champs. Team unity was the key to the success plus a couple of fine hitters. The team won the most games in the history of Harding baseball.

Student Council

The Student Council began the year by rewriting its constitution. Several projects were soon planned and completed successfully including the Powder Puff football game, the kickoff party, Christmas baskets, Christmas play, a Junior Mister Pageant, a Student Council Retreat, Janitor Appreciation day and open panel discussion forums for students and administrators. The council was made up of two class representatives from the high school grades. Class and club presidents along with executive officers were included.

Council Takes New Shape

Row 1: Alex Ivy, vice president; Mr. Chesnutt, sponsor; Mary Bryant, secretary; Mr. Fowler, sponsor; Jim Bradley, president.

Jr. High Student Council

Row 1: Stephanie Anderson, president; Lynn Gilliland, vice president; Valerie Fister, secretary; Kris Miller, Treasurer.

The Junior High Student Council's purpose is to lead the Junior High Students in organized activities. This year's Junior High Student Council may be smaller but that does not mean they do not work as hard. Some say they work harder. There are not any requirements to be on the Council except that they must be approved by the teachers. The sponsors are Miss Kay Smith and Mrs. Becky Cunningham. This year is really the first year for any real organization. Projects included the Christmas baskets.

Row 1: A. Wilson, D. Adkins, L. Gilliland, V. Fister. Row 2: B. Jones, D. Smith, K. Jeffries, S. Anderson, P. Childers. Row 3: K. Miller, B. Bowers, B. Roller, S. Hewitt.

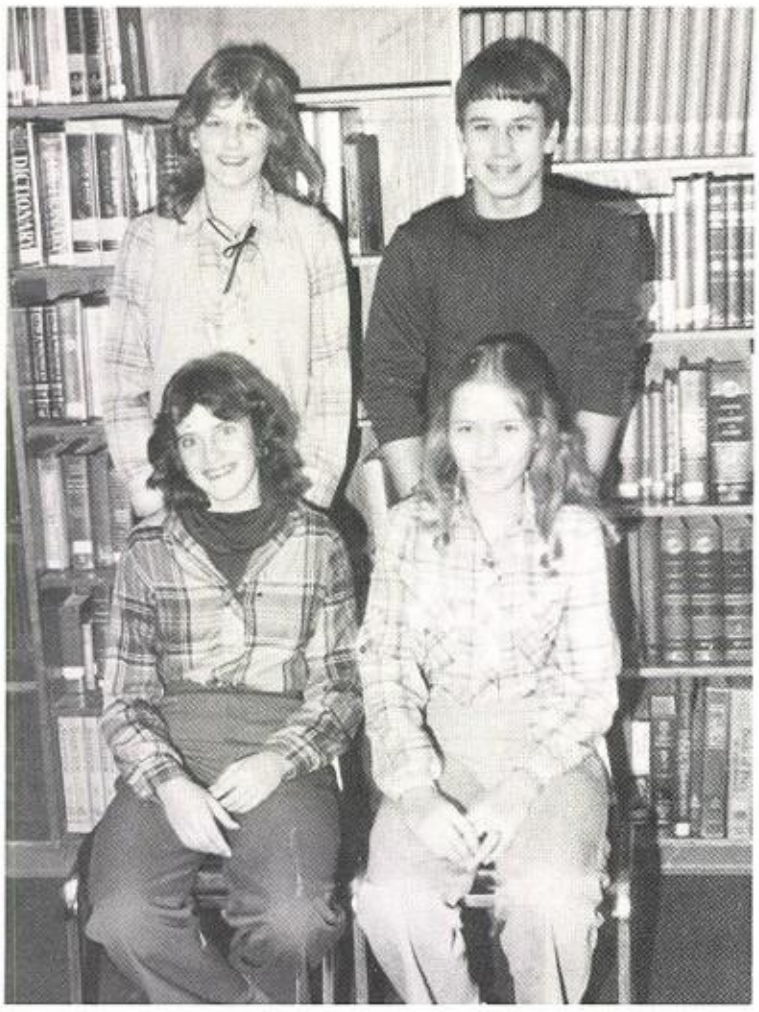
Left to right: Miss J. Wolverton, sponsor; R. Harris, secretary; J. Simpson, president; D. Tankersley, vice-president; and P. Stark, treasurer.

The National Honor Society is one of the most respected clubs at Harding Academy. This year the membership is smaller due to the rigid requirements. The induction of new members is held in April.

The first National Honor Society chapter was chartered in 1921. Its purpose is to create an enthusiasm for scholarship and to encourage the development of character of all students.

The National Honor Society sponsors the Junior Miss pageant and also has fund raising projects and a Christmas Banquet every year.

This years sponsor is Miss Joyce Wolverton, with Jackie Simpson, President; Dwayne Tankersley, vice-president; Revonda Harris, secretary; and Peri Stark, treasurer.



Row 1: D. Kirkland, vice-president; B. Curtis, president; L. Wooten, reporter; L. Golden, secretary. Not pictured, L. Gillespie, treasurer.

Junior Beta Helps Students

The Junior Beta Club is an organization designed to encourage the efforts and rewards for junior high students. To be a member one must have an A average and also must have leadership qualities. The major project of the year is to tutor students having grade problems.

The Junior Beta Club was created in 1961 by the Senate and this is Harding's second year to have a chapter.

This year's sponsors are Mr. Gaithor Key and Mrs. Kay Pedigo. The officers are Brett Curtis, president; Dena Kirkland, vice-president; Lisa Golden, secretary; Lisa Gillespie, treasurer; and Lynn Wooten, reporter.

Civinettes

The Civinettes, who have a good recommendation from students and faculty and at least a B average, have worked hard to serve Harding and the community.

They raised money for the Kidney Foundation, the Heart Association, and several other worthy causes. At Harding, they served at several banquets, worked at the concession stand for basketball games, and painted characters in the girls' locker room. This year the Civinettes went on a retreat with the Key Club and took a trip to California.

Plans for the 1979 SHIELD began in June at a yearbook workshop held at the University of Central Arkansas. Decisions about the theme, cover, and class sections were made. The ad campaign began during the summer and senior pictures were also made. As school resumed in the fall layout designs were organized and school pictures were made. Disaster struck as a mass make-up picture day had to be held. Despite various complications, all members of the staff worked hard at meeting deadlines and in producing an annual of top quality. Much time and effort went into making sure this year's SHIELD portrayed the events of 1978-79 in an interesting and varied style.

Footprint

The purpose of the FOOTPRINT Staff is to prepare an annual for the elementary locations of Harding. The sponsor is Mrs. Shappley and the officers are Kim McLarty, editor, and Margaret Warren, assistant editor.

The staff is made up of twenty-one members. The members fill out applications and are chosen from them.

This year is the seventh year for the FOOTPRINT. They are planning to put out a good 78-79 elementary annual.

Sing A Song

The four choruses at Harding are directed by Mr. Jim Chester.

The main purpose of the Acappella is to serve God. The school and the community. In performing they inspire as well as entertain. On Wednesday nights during January through the first of May they perform at local Churches of Christ. The spring tour took them to North and South Carolina and Georgia.

The main purpose for the Nineth Grade Chorus is to sing together with Christian hearts. The chorus performs at many elementary locations.

The Eighth Grade Chorus learns to sing and perform in some of the elementary locations.

The main purpose of the Seventh Grade Chorus is to sing, perform and especially to worship God through singing.

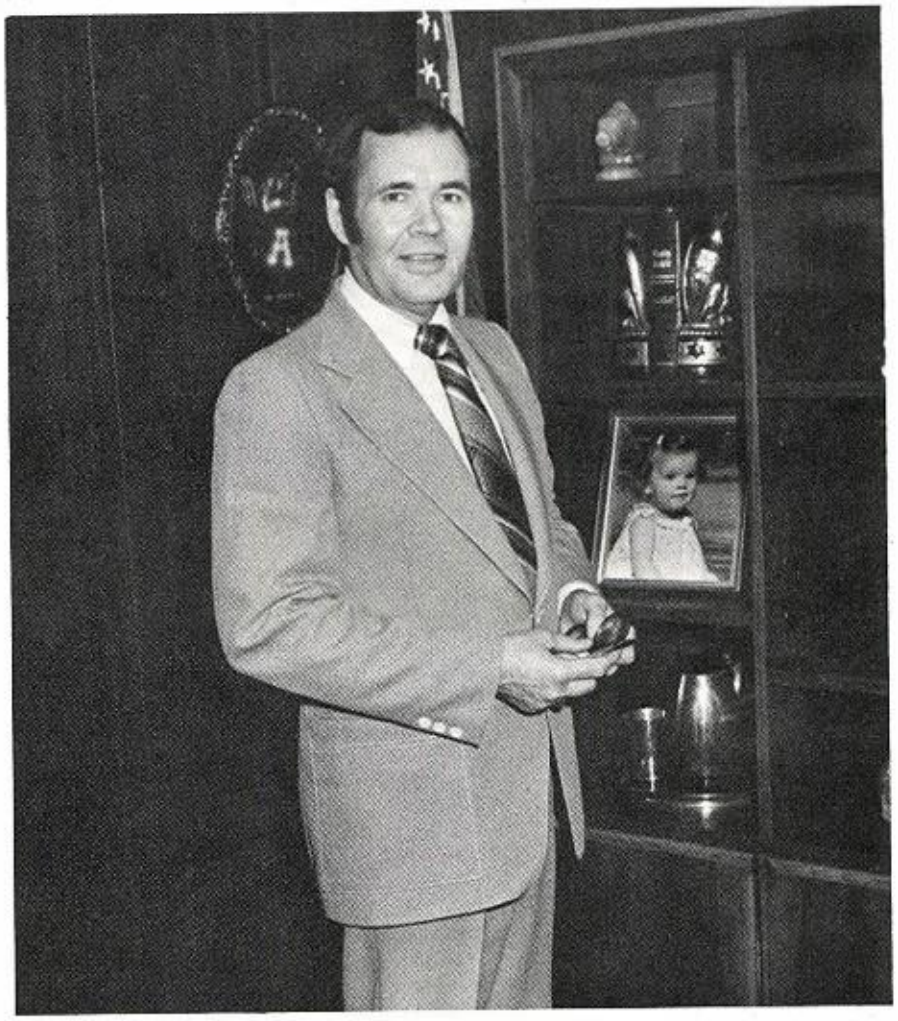
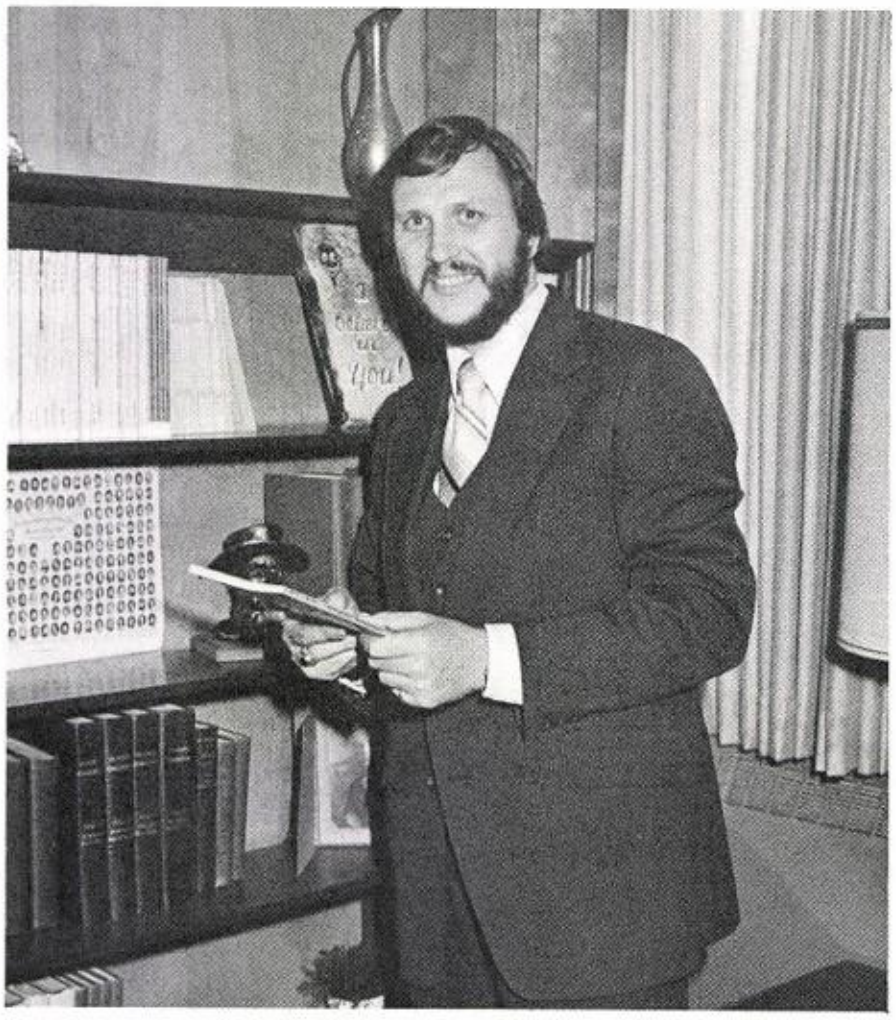
Academics

As superintendent, Dr. Harold Bowie carries the overall responsibility for the total program at Harding Academy. He is in charge of planning the budget and working with the business manager in administering it. Dr. Bowie is in charge of planning expansion of the physical facilities, raising money and working with the architects and contractors. He handles all legal problems, works with the Board of Directors and the Advisory Council. Dr. Bowie meets with church elders to establish agreements concerning the use of their educational buildings for the elementary school program, and gives the final approval for employment. He sets salaries and charges for tuition and fees and works with major discipline problems. He also receives suggestions for changes of school policies or practices and receives constructive criticism of the superintendent's decisions or practices. Dr. Dowie has served as superintendent at Harding for seventeen years. He received a B.S. and an M.Ed. from Arkansas State and an Ed.D. from Memphis State.

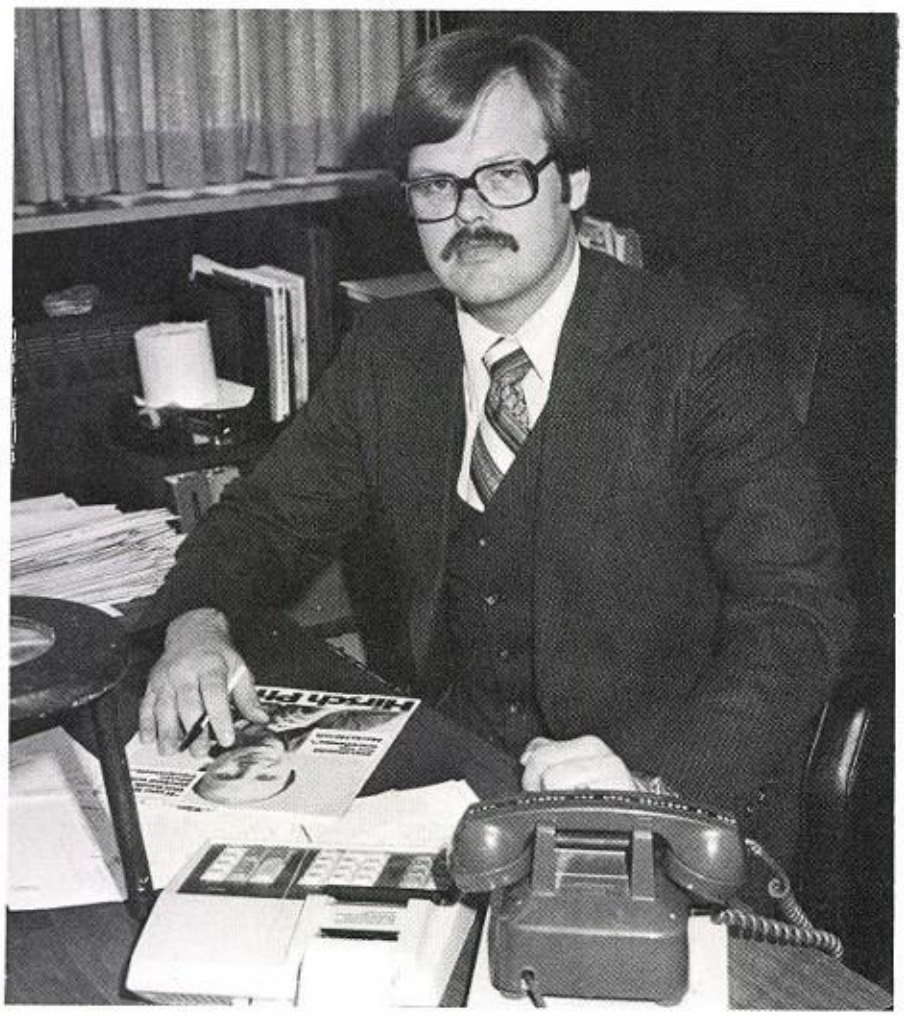


Betty Bates has been at Harding for seventeen years; however, this is her first year to serve as academic dean. Her administrative duties include selecting the textbooks, coordinating the ten-year and the five year review studies of the Southern Association, and being in charge of school when the superintendent is away. Her teacher personnel responsibilities include interviewing and recommending teacher applicants for employment, making teacher, class, and room assignments, reviewing distribution of grades given by each teacher and advising them of changes that need to be made. She is in charge of meeting quarterly with each department chairman, to discuss departmental meetings that have been held and other matters pertaining to the departments, monitoring classroom conduct and teacher control, and working with teachers and students to correct problems that arise, and administering departmental budgets. Mrs. Bates' pupil personnel services include approving or disapproving each student's application for admission to high school, administering girls' dress code, and helping in assigning extra-curricular duties. She is also in charge of working with the guidance counselors and teachers to determine who will be in the enriched and accelerated classes and setting and administering the quarter and semester exam schedule. Mrs. Bates received a B.A. from Harding College and a M.A. from Memphis State.



The dean of students at Harding Academy is Fred Phillips. His duties concerning student activities include approving and coordinating all club and class activities, fund raising activities, pep rallies and club and class meetings as submitted by the activities director. He also meets with the student councils at least once a month and works with them to promote good communication and school spirit and approves all special assemblies and chapel programs. In student discipline, Mr. Phillips works with routine discipline problems within the school situation, administers discipline alternatives, and supervises hall and lunch room conduct. His student personnel services include maintaining attendance records, assigning lockers and chapel seats, maintaining the lost and found, supervising the clinic, counselling students, and assisting with the student scheduling. His administrative duties include reviewing, revising and publishing the student handbook, assisting with teacher orientation and in-service training, conducting fire drills and directing other emergency procedures, and supervising the hall monitors. He has other duties as assigned by the superintendent. Fred Phillips has been with Harding for four years. He has a B.S. from Abilene Christian University.

LEADERS



Ken Cox is the business manager at Harding Academy. He is in charge of setting the bus routes with the times, maintaining vehicle insurance and approving vehicles for field trips. He administers the approved budgets, approves purchases, oversees drama expenditures, confirms meal ticket lists and charges regularly and assists the athletic directors in their purchasing. Mr. Cox is also in charge of administering the cleaning and maintaining of the building and immediate grounds, making regular building inspections, maintaining building readiness for all special events and administering the reservation of the cafeteria and auditorium. He is in charge of keeping track of all gas consumption, electrical repair, plumbing repair, and the annual inventory of equipment and supplies. Mr. Cox is also responsible for student insurance, faculty hospitalization insurance and retirement insurance. He arranges for the repair of audio-visual equipment, and, in the cafeteria, works with the food contract firm to insure satisfactory food service. The business manager supervises printing services, assists the academic dean in laying out and having printed any printed material. He supervises auditorium use by outside groups and in the bookstore, oversees the operation and approves purchases. He has other duties as requested by the superintendent. Ken Cox has been at Harding for five years. He has received an A.A. from Freed-Hardeman and a B.A. and a M.A. from Memphis State.

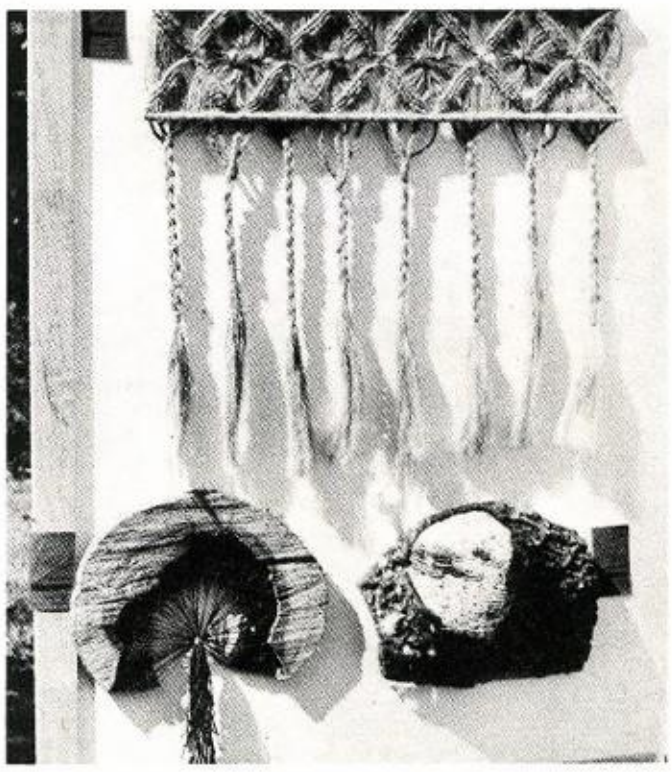
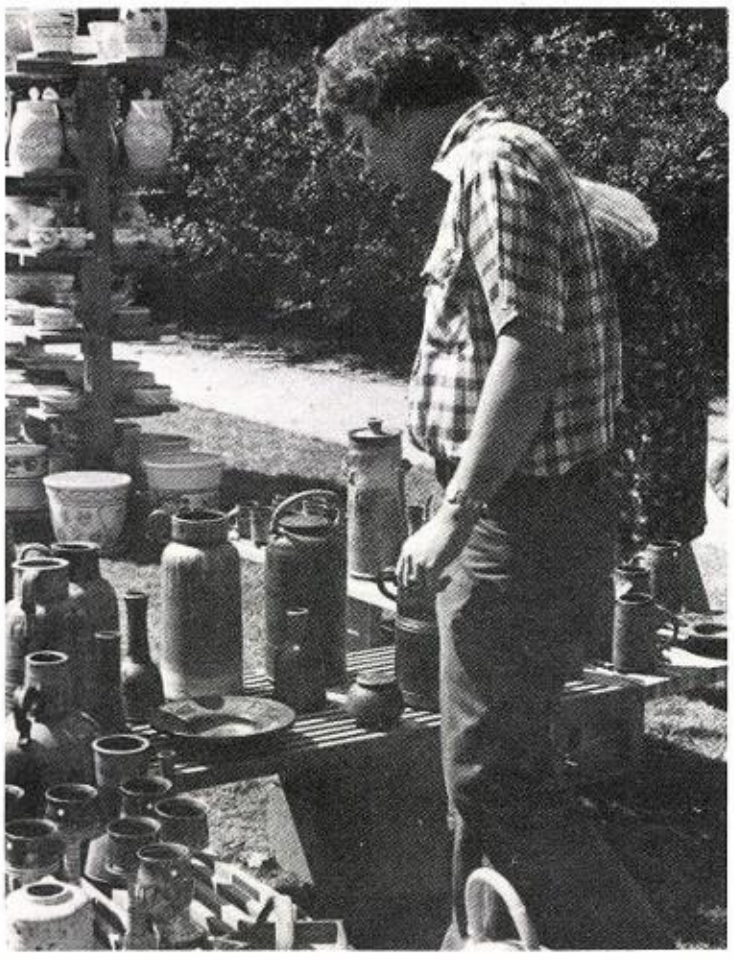
STAFF

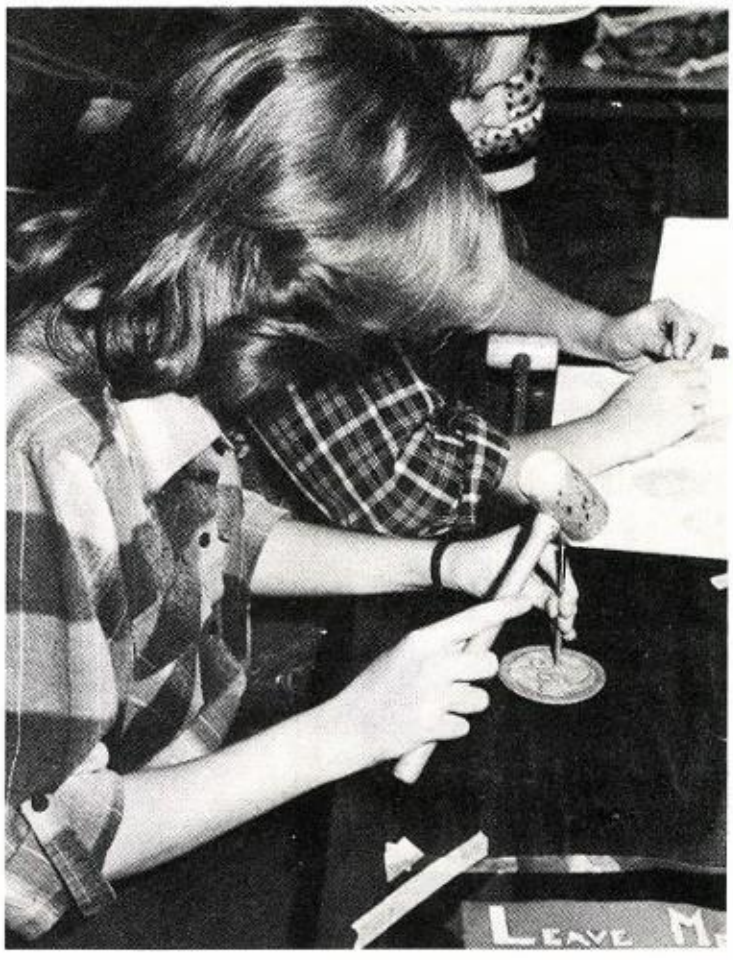
The staff at Harding Academy includes the administrative and business secretaries, cafeteria and maintenance staff, teacher's aides, bookstore and the cleaning crew. Stella Paschall is the secretary for the dean of students; Lena Willoghby is Dr. Bowie's secretary; Bonnie Nowlin is Mrs. Bates' secretary; and Faye Betts is Ken Cox's secretary. Faye Clegg is the secretary for the Guidance Office. The Business Office personnel includes Dimple Preslar, Betty Roberts, Dot Leachman and Doris Carter. Sandra Van Eaton works in the bookstore this year. Mike McGraw is in charge of the cleaning crew and John Pace and Jim Trimble handle the maintenance staff. Francis Phillips is in charge of the landscaping around Harding. Mr. Vandiveer is in charge of the building repairs, remodeling and carpentry. Leon King works with the mechanics. All of these people have done an excellent job in keeping Harding in good condition and running smoothly.

Art Department

The Art Department under the chairmanship of Reed Oliver offers courses in beginner art through advanced art. Students learn such things as weaving, leather crafts, silk screening, wire sculpturing, pottery making, acrylic painting, and painting. The department sponsors tours of art galleries and arts and crafts exhibions.







Upper Left: Carol Scoggins and Malisa Vanzant weave in a junior high art class. Upper Right: Macrame wall hangings are exhibited at the Pink Palace Crafts Fair, which was visited by the art classes. Lower Left: John Miller admires pottery displayed at the Pink Palace Crafts Fair. Lower Right: Judy Phillips works with leather crafts.

Bible Department

Dr. Bill Srygley is the head of the Bible Department. The Bible Studies included are "The Life of Christ" for the seventh grade, "The Book of Acts" for the eighth grade, "The Scheme of Redemption" for the ninth grade, and "Basic Bible Studies" for the tenth grade. Juniors and Seniors may choose their course of study from such topics as "Romans, Galatians and Ephesians"; "I and II Peter"; "I, II and III John"; "Hymnology"; "Jewish History"; I and II Corinthians"; and "The Life of Paul". During the spring, a Bible Seminar was held and filmstrips were shown throughout the year.

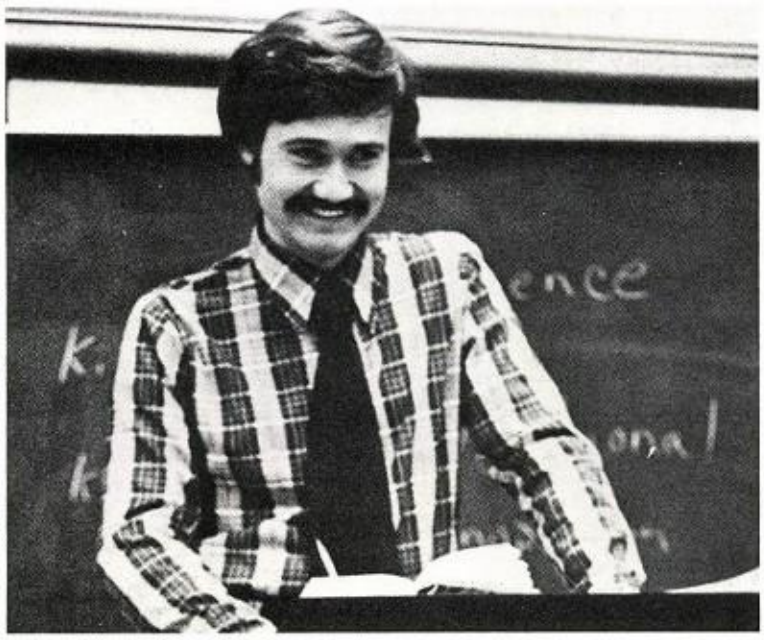
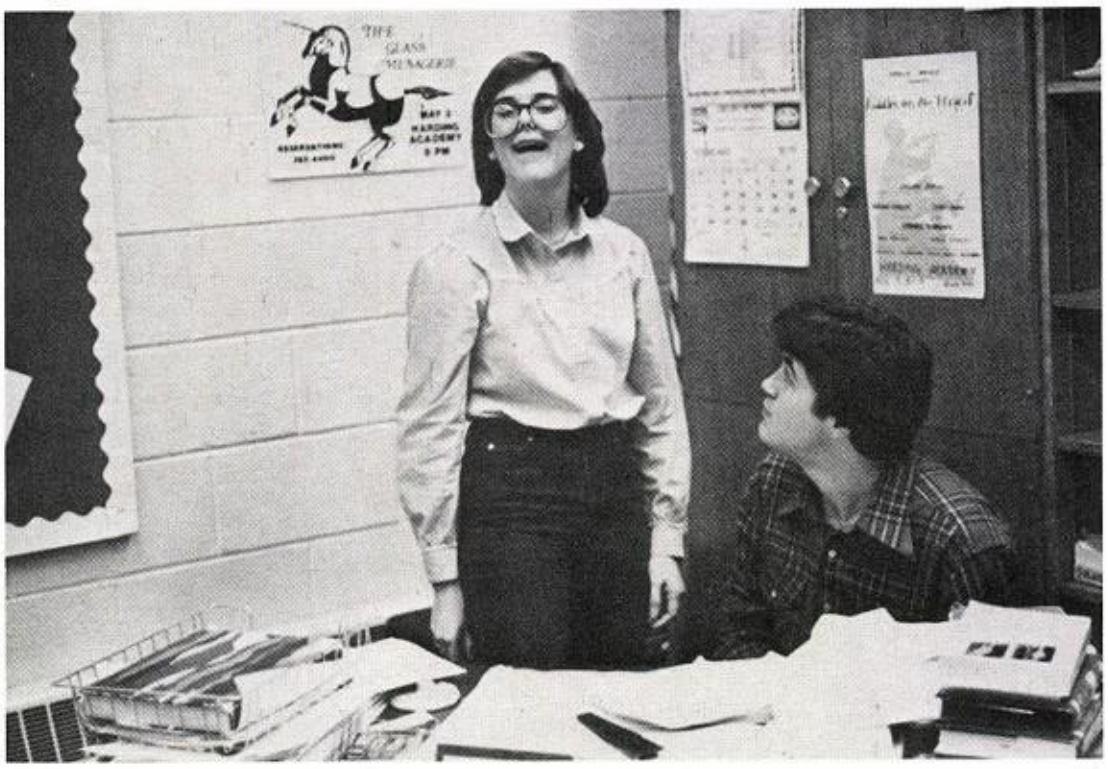
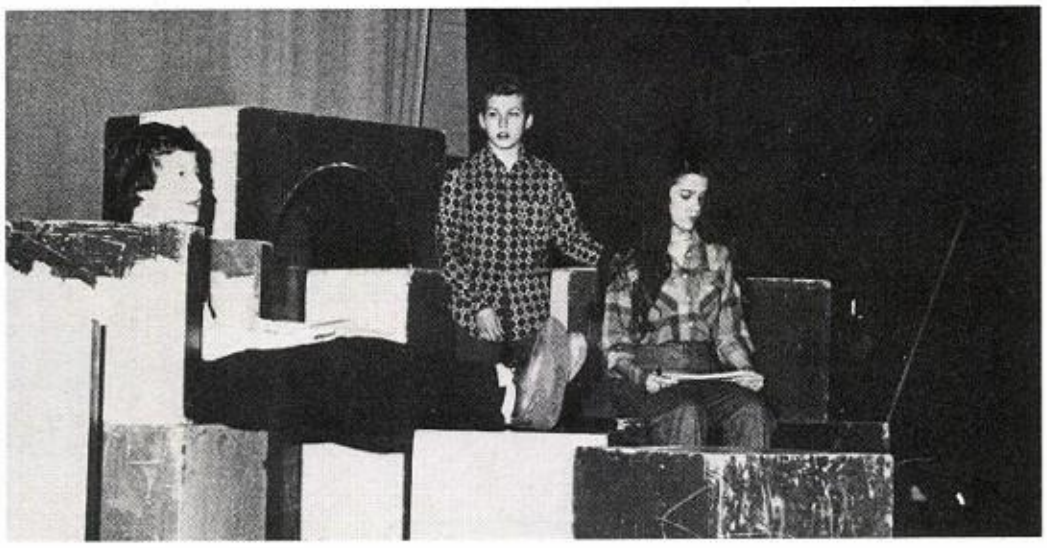
Drama And Speech Department

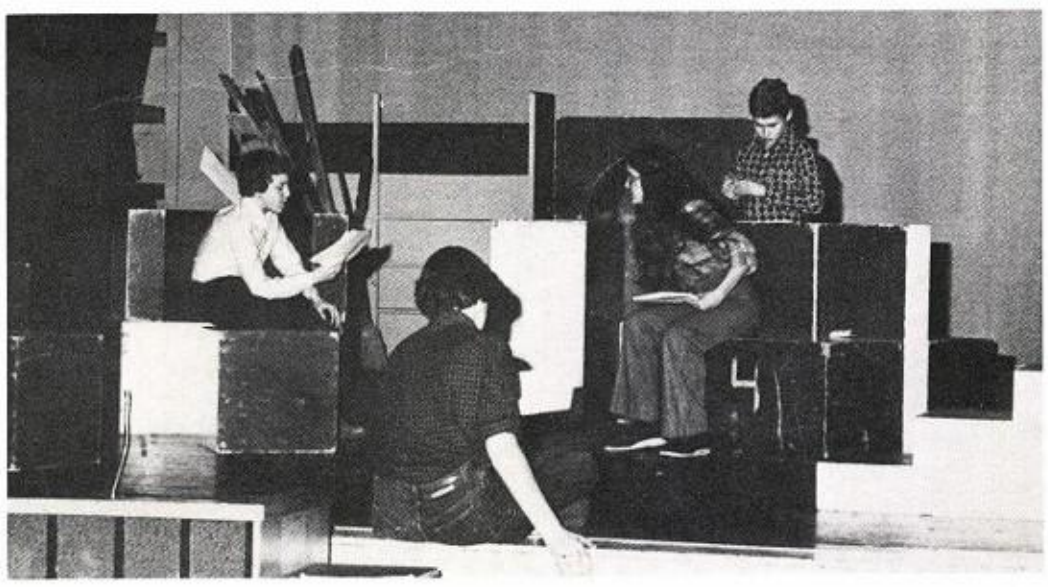
The head of the Drama and Speech Department is Michael Semore. This department is in charge of the production of all dramatic performances. Mr. Pullen is in charge of taking the Forensics team to speech tournaments in competition with other schools.



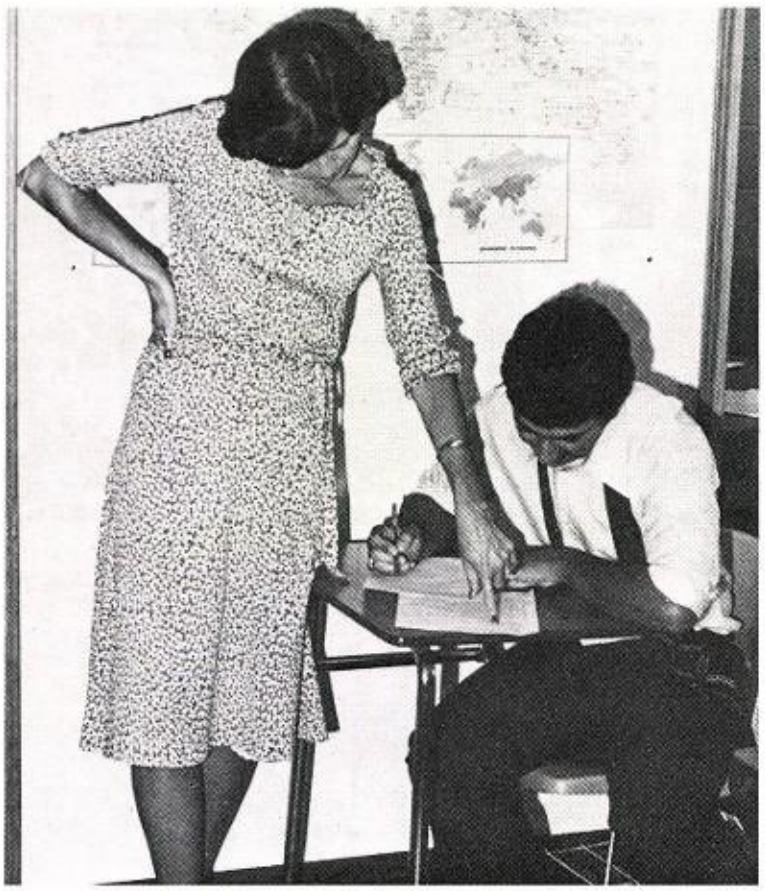


Upper Left: Mr. Pullen teaches classes in Speech and English. Above: Kay Andrews and Greg Foster rehearse for a Reader's Theater production to be performed in speech tournament competition. Lower Half of the page: Junior High students rehearse for one of several one-act plays. This is the first year the Junior High have ever held their own productions.

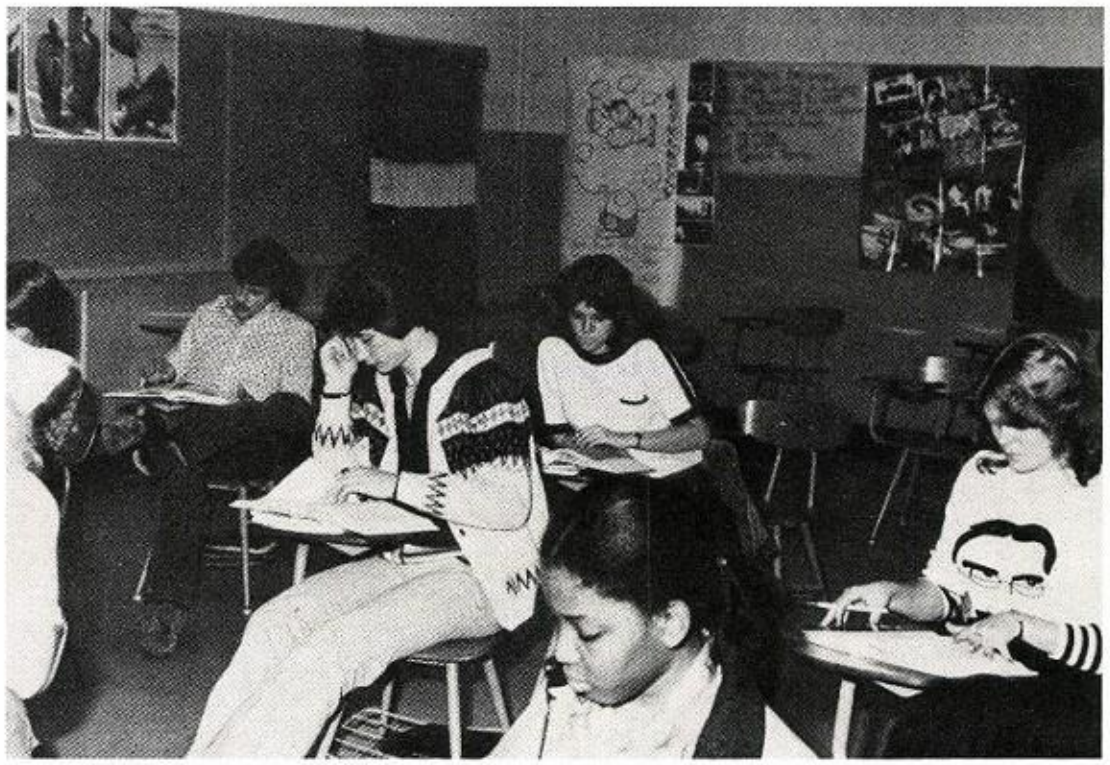




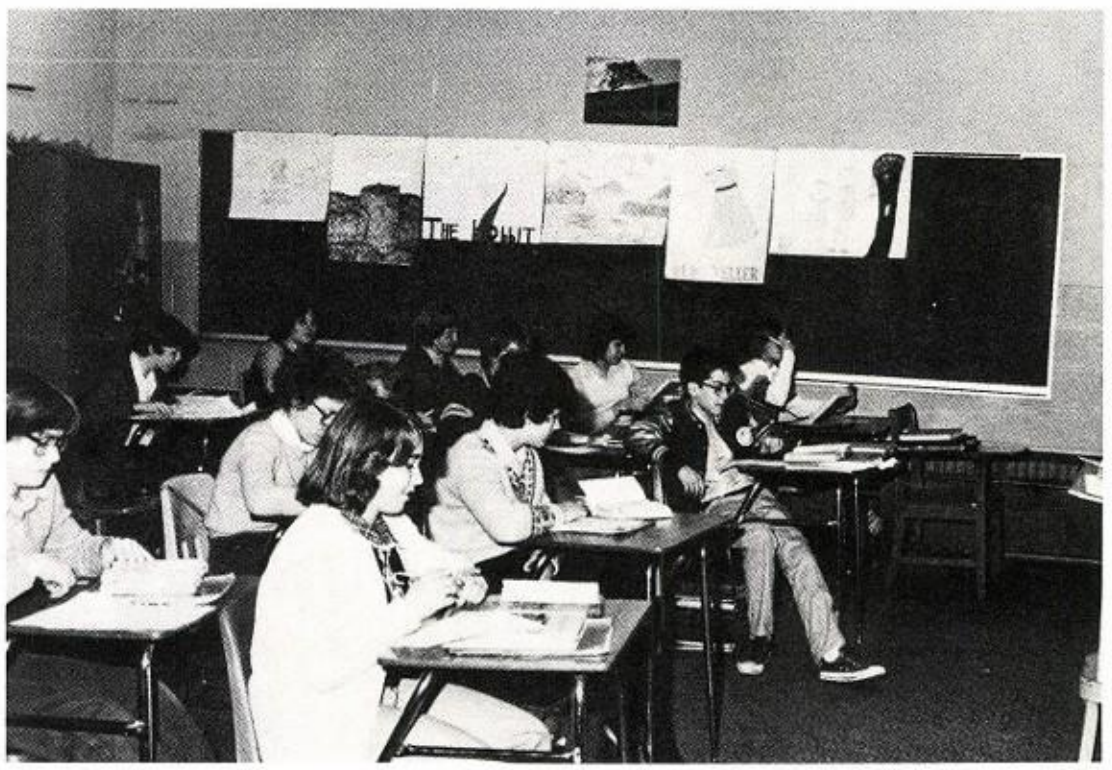
English Department



The head of the English Department is Anne Brewer. Junior high English deals mainly with grammar; freshman and sophomore students study one semester of grammar and one semester of literature. Juniors study American literature and seniors study English literature. Every year, Mrs. Brewer takes a group of students to England during spring break. A few of the places they visited had been studied in the senior English classes. English teachers serve as advisors to the Lion and the Shield. Billy Pullen is the new Forensics coach this year, and Michael Semore and Deb Holloway direct drama productions. Mrs. Brewer states, "Students seem to really enjoy memorizing lines from 'Prologue to Canterbury Tales' and other literary selections. Writing themes is also a favorite diversion. I enjoy IRONY.



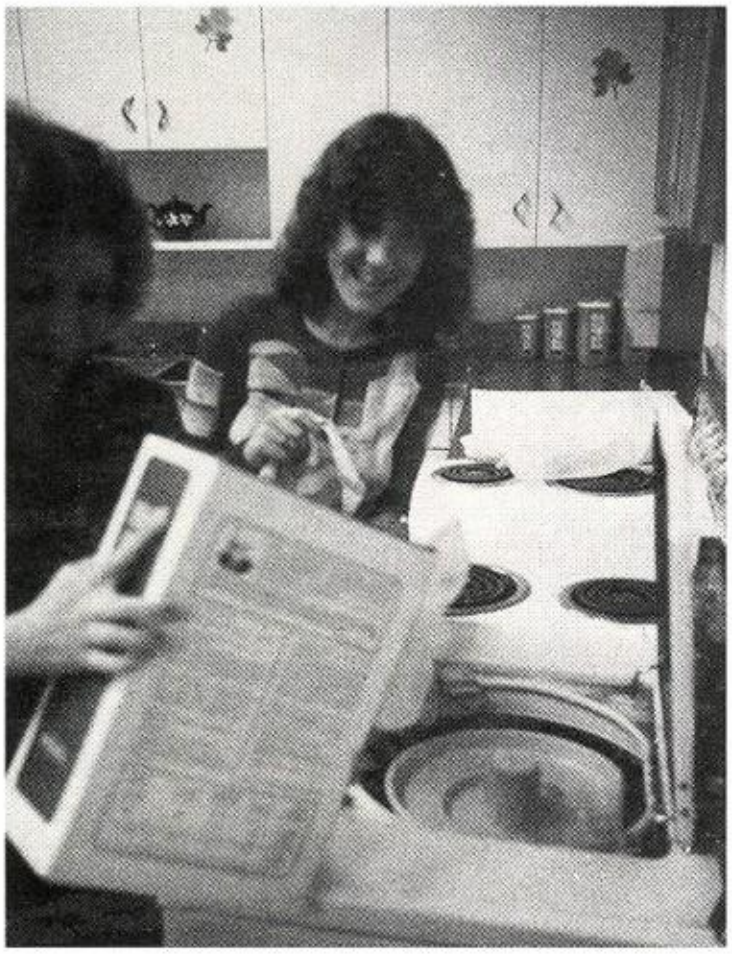
Upper Left: Mrs. Bond assists Hossein Motamedi in English literature; Lower Left: Eighth graders enjoy Mrs. Donaldson's English class. Upper Right: Sophomores study Shakespeare in literature. Lower Right: Junior High English students decorate rooms with posters based on book reports.



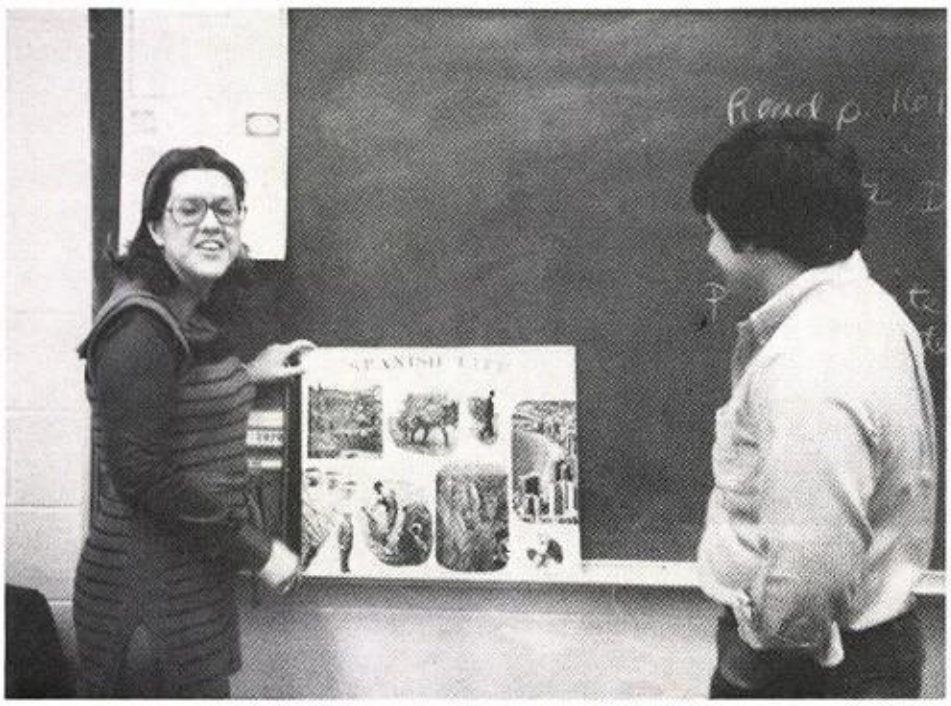
Home Economics Department

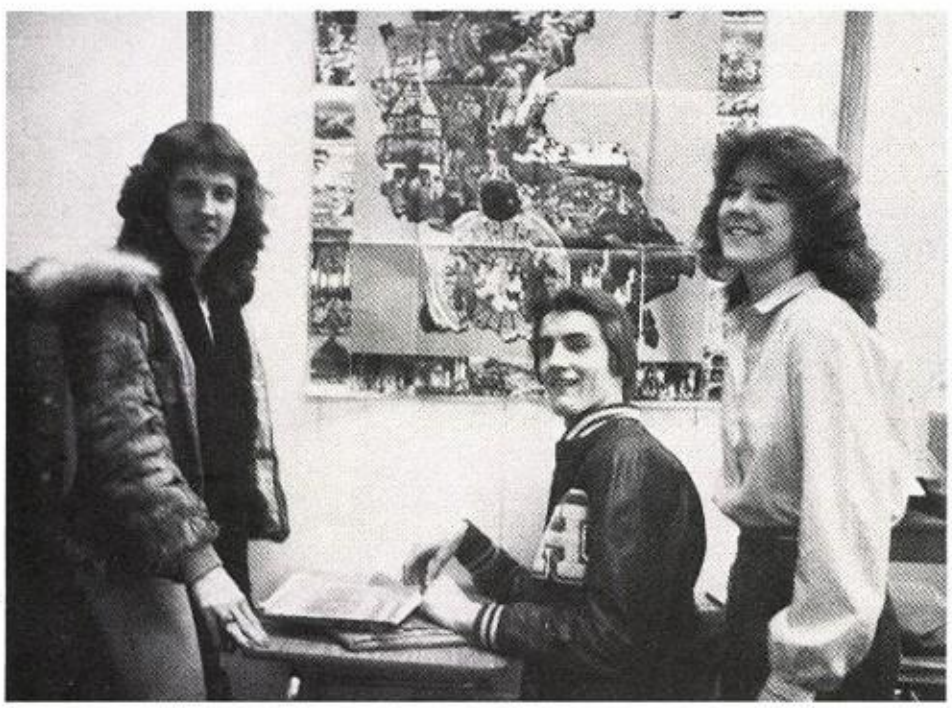
Mrs. Jan Bell is the head of the Home Economics Department. The Home Economics Department includes in its curriculum a study of personal development, such as grooming, family relationships, and dating; it also includes sewing, childcare, interior design, foods and nutrition, and entertainment. Its major emphasis is to help each young woman grow in confidence in her home related activities. Various projects are assigned for her to complete at home under her mother's supervision.

Upper Right: Andre White and Angela Hayes learn to operate a washing machine. Upper Left: Suzanne Wood and Peggy Fisher prepare a meal for fellow students. Lower Right: Home Economics students prepare menu courses daily. Lower Left: Leigh Martin and Julie Martino learn the proper ways to serve at a formal dinner.

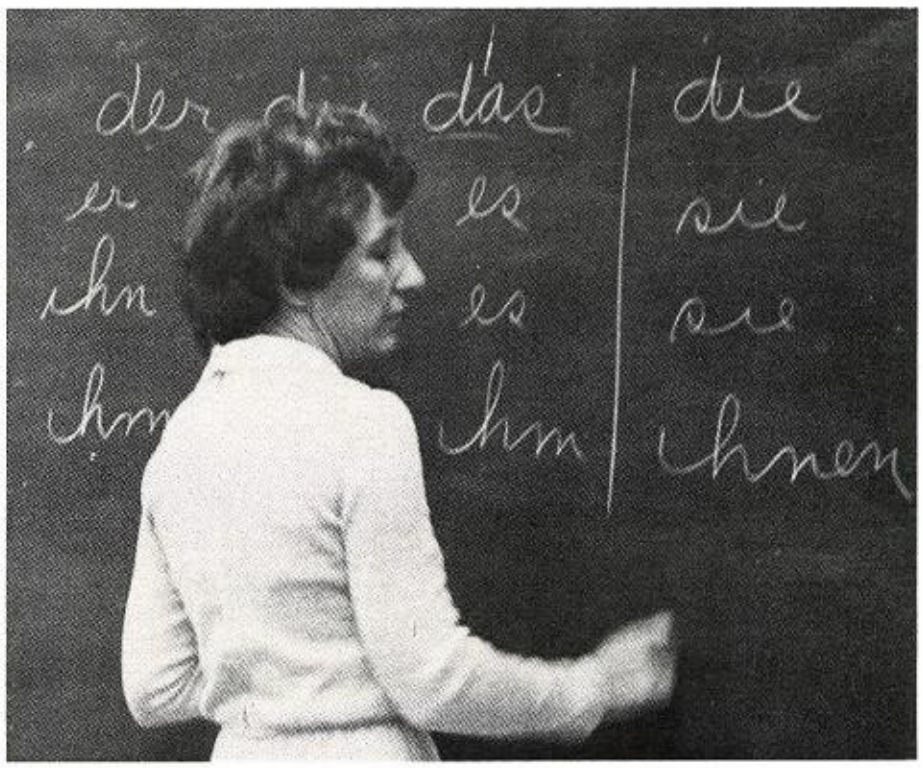


Language Department





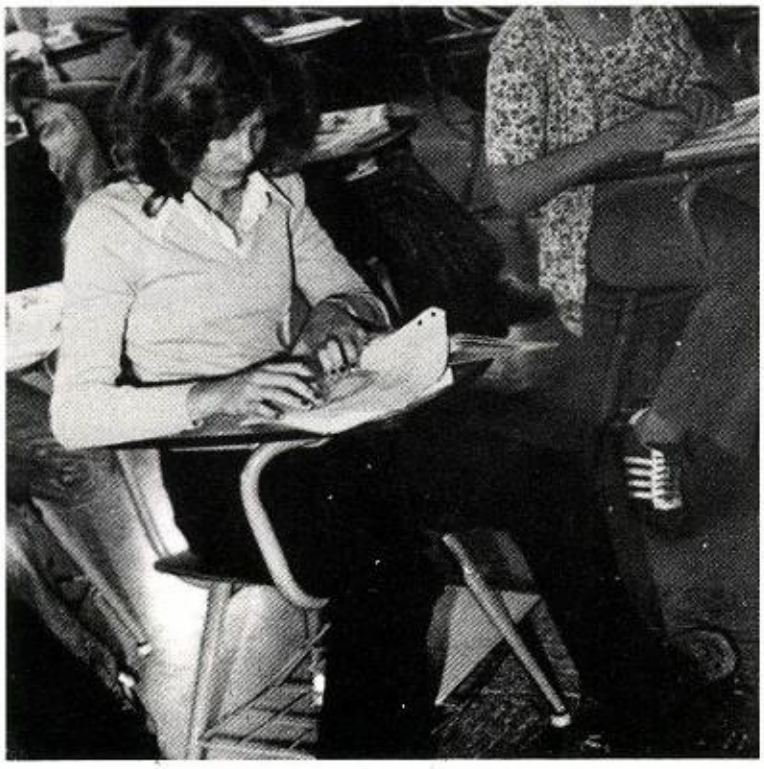
The head of the Language Department is Mrs. Marilyn Barnes. The courses offered include German I, II and III, and Spanish I and II. For the first time, Mrs. Barnes had five German classes. Mrs. Patsy Evans is the new Spanish teacher here at Harding. Both German and Spanish students take a test at Memphis State during the spring for advanced placement in college.

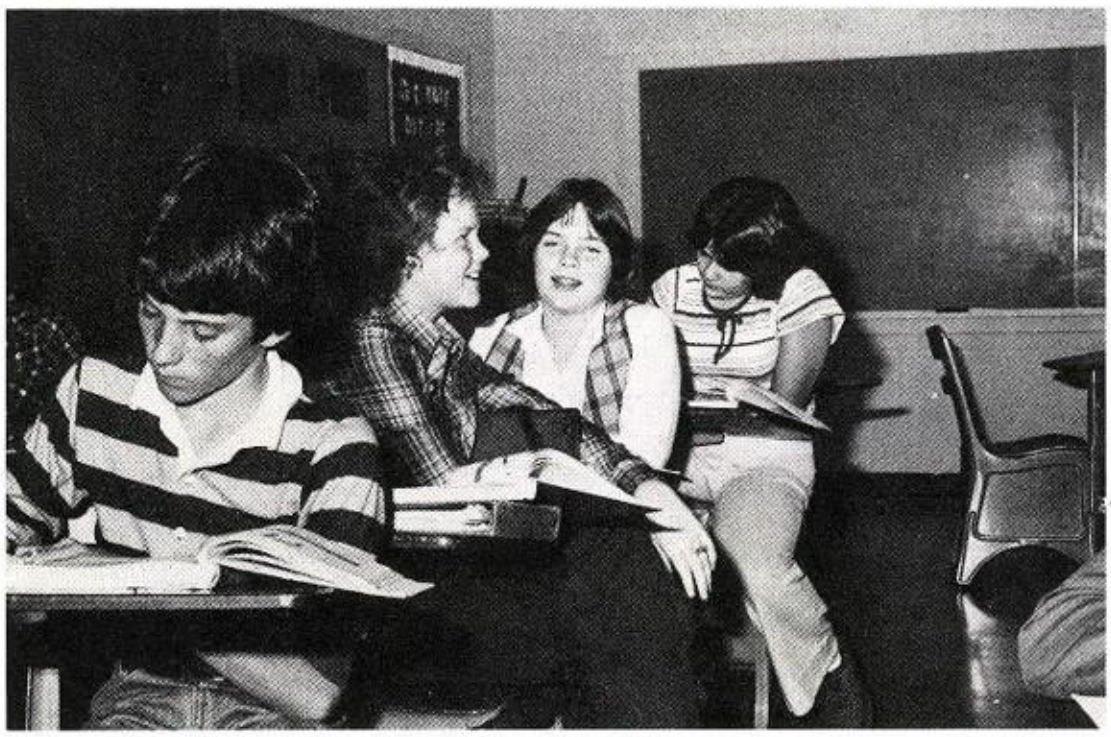


Upper Left: Andrew studies Spanish life. Middle Left: Judy, Jim and Kim study a map. Lower Left: Students learn languages thru repetition. Upper Right: Mrs. Barnes conjugates verbs. Lower Right: Mrs. Evans quizzes students.

Math Department

The head of the Math Department at Harding Academy is David O'Neil. The math courses offered include seventh and eighth grade math in the junior high, and Algebra I and II, Advanced Math I and II, geometry and general business in the senior high. David Morris is a new addition to the staff.

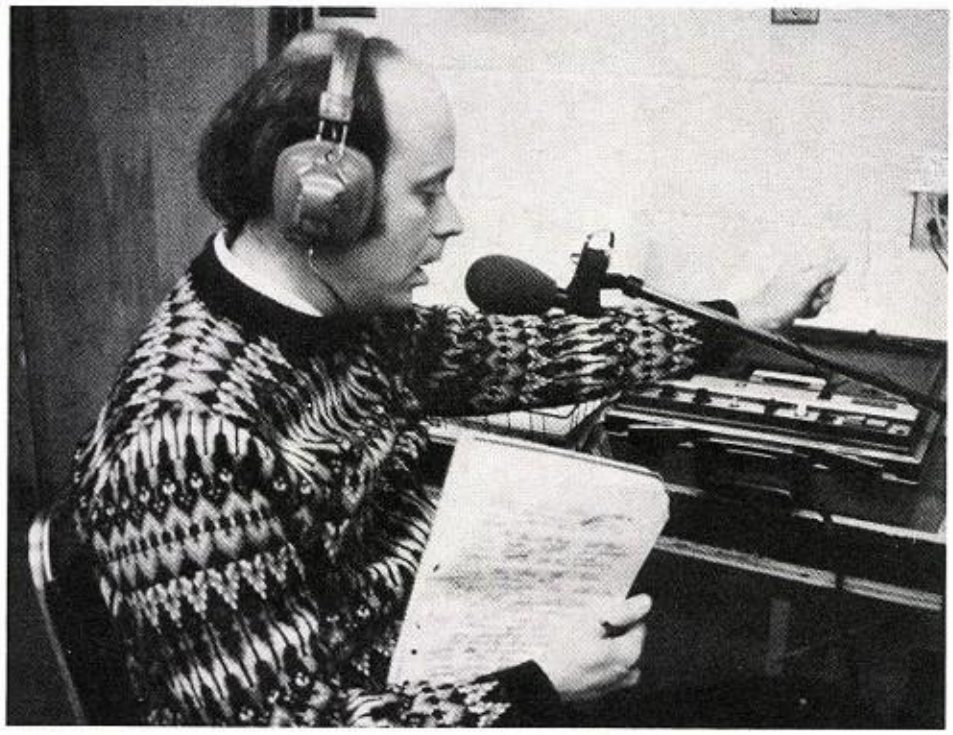




Upper Right: Mrs. Lynn Holt shares a warm smile with her freshmen. Middle Right: Michael Sanderson studies hard for Mrs. Burke's math class. Lower Right: Junior high math is a new experience even for the advanced students. Upper Left: Kelly Taylor uses a protractor to complete a geometry problem. Lower Left: Susan May visits with others after completing her math assignment.

Music Department

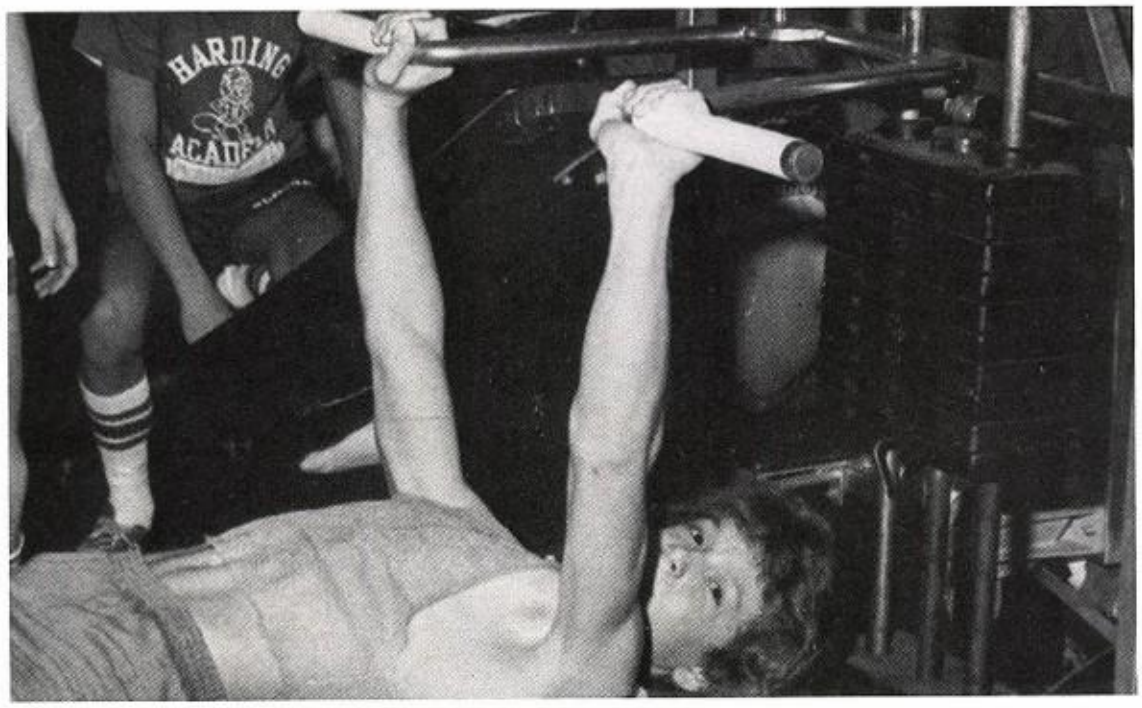
Barry Lumpkin is the Music Department head. The Music Department offers courses in band, chorus, and music appreciation. Seventh and eighth graders have music with Mrs. Donna Warren for one quarter each year during which they learn to listen to music. They also learn the terms used in music as well as some music history. Vocal music is a popular subject, also. There are four classes of choral music under the direction of Mr. Jim Chester. There are three band classes under the direction of Mr. Barry Lumpkin. On September 30, the band was rated "excellent" and the auxiliary received "superior" ratings in the Marching Festival at Southside in Jackson, Tennessee. They also participated in the downtown Memphis Christmas Parade.

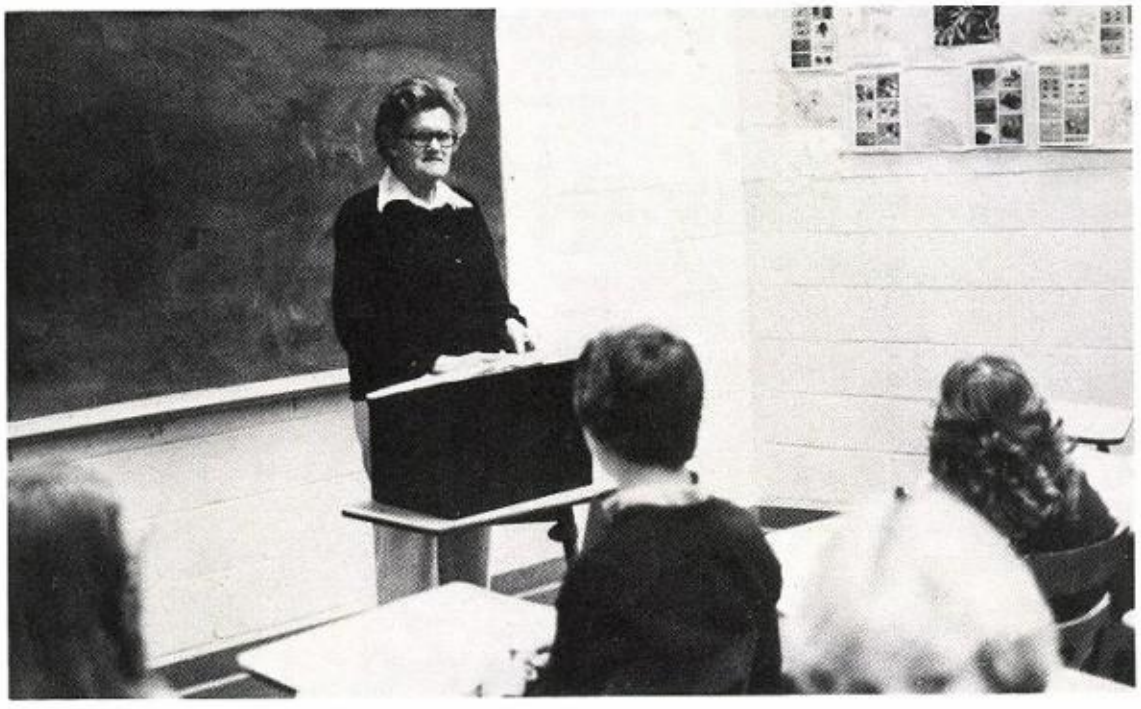


Health And P.E. Department

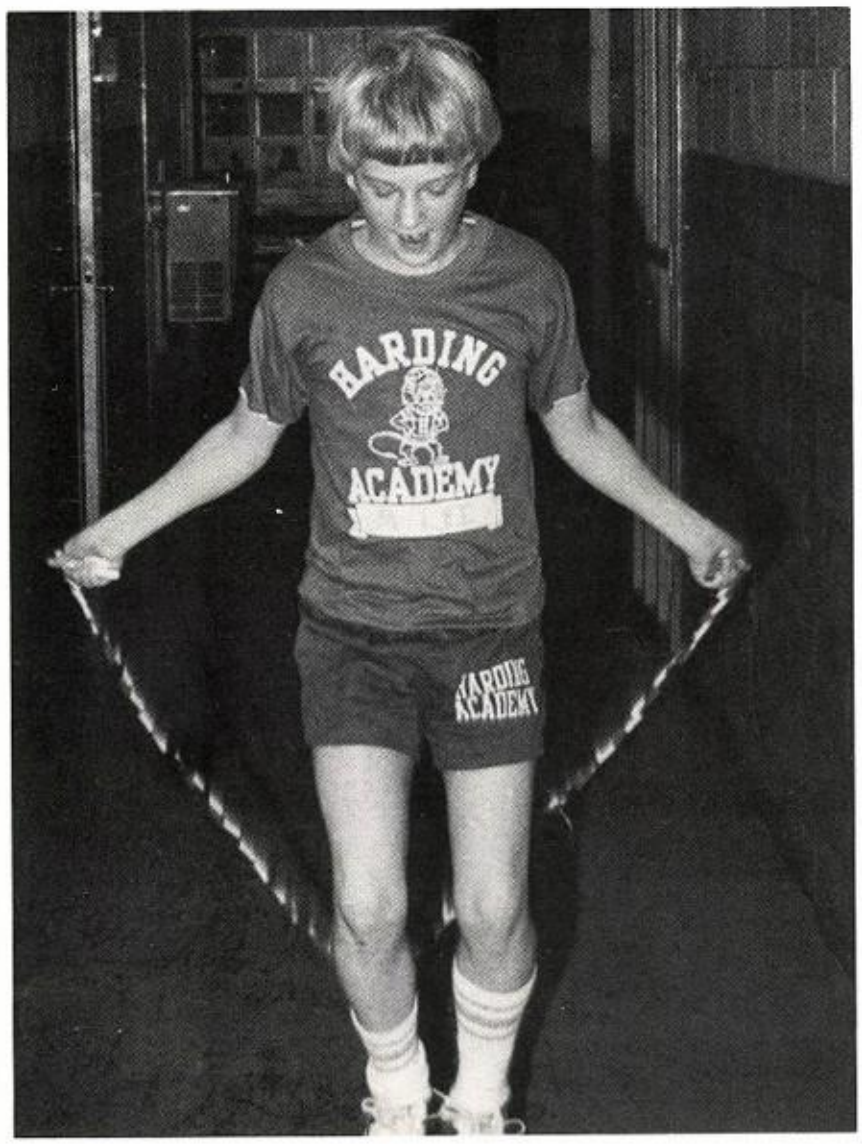
This year's physical education program was enhanced by the addition of the girls' gym. The curriculum included the teaching of team sports and individual sports so that each participant might be better able to enjoy a broader spectrum of physical activities. Some of the activities taught were basketball, soccer, volleyball, football, hockey, and team handball. The individual activities included racquetball, bowling, putt-putt, tennis, badminton and golf.

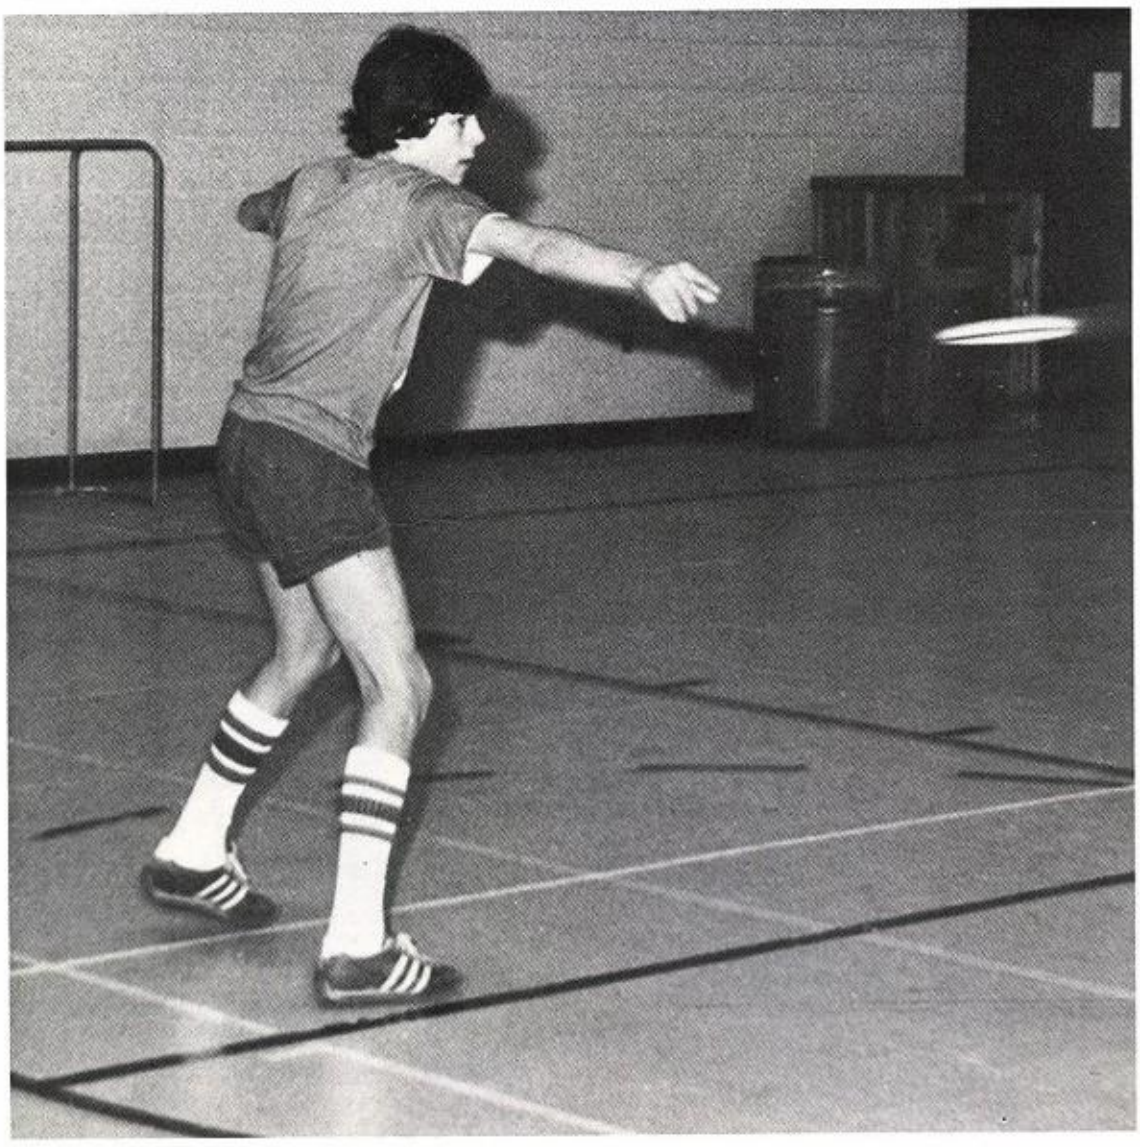
The health classes attempted to create a greater awareness of personal hygiene and community concern for the necessity of good health habits.

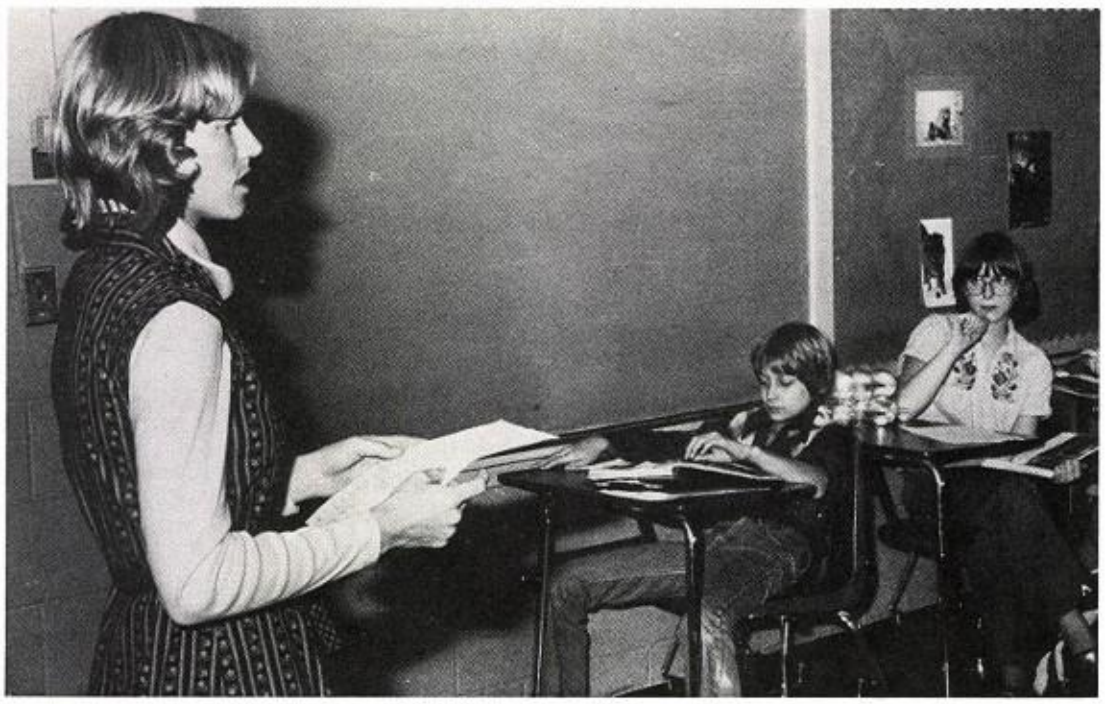




Top right: Jeff Acuff bench presses in gym. Center: Mrs. Sally Phillips, health teacher, discusses the importance of a nutritious breakfast. Bottom right: Mark Albright practices his frisbee technique. Bottom left: Mark Lee finds that jumping rope is not child's play.



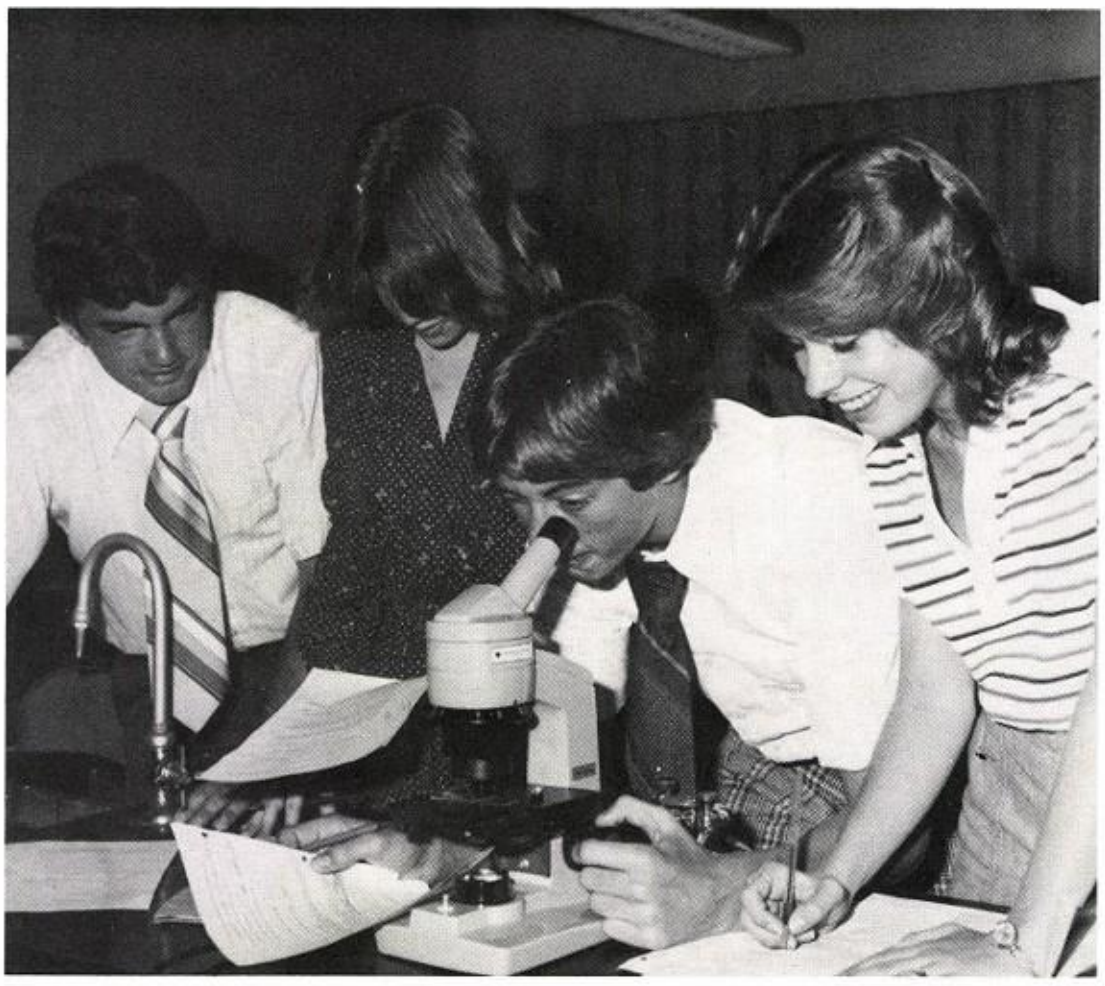




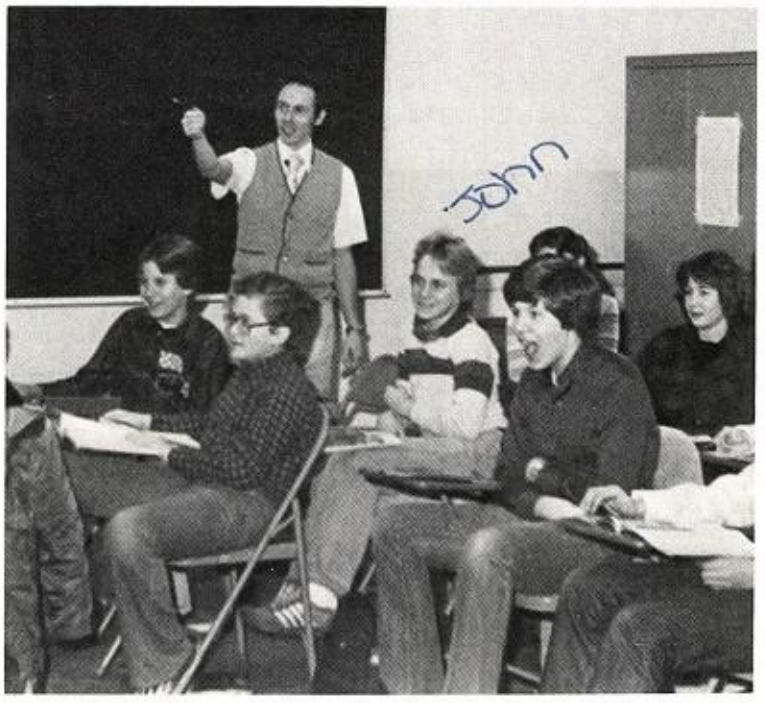
Science Department

The head of the Science Department is Mrs. Nancy Seratt. The courses offered in the junior high include life science in the seventh grade and earth science in the eighth grade. Physical science is offered as a freshman course. General biology is a required course for sophomores. General Chemistry is an elective course offered to juniors and seniors. Advanced biology is an upper level second year of biology for those who have completed general chemistry and desire an additional chemistry course to apply toward a Scientific Diploma. Physics and biochemistry are also offered as electives.

One of the special events occuring in the Science Department is the science fair in the spring. Winners compete in the Memphis-Shelby County Science Fair. Biochemistry students participated in the Tennessee Medical Auxiliary Health Project. They also had various guest speakers and field trips throughout the year.



Upper Right: Karen Ijams teaches life science to her seventh grade class; Middle Right: Shh! Here comes Coach Hedrick! Bottom Right: Ronnie Beaver, Linda Dwyer, Ronnie Kiihnl and Natalie Brooks work on a Biology lab; Bottom Left: Lynn Alsup teaches physical science to freshmen.



Social Studies Department

The social studies department consists of nine teachers. Mrs. Ruth French is the department head. The course offerings are geography and American history in the junior high, and civics, world history, sociology and American history in the senior high. A specialized sociology class is Mrs. Carolyn Batey's personal adjustment, family living and marriage (PAFL) classes.

Two years of social studies are required for graduation, one of which is a credit in American history. The social studies organization is the Contemporary Issues Club, sponsored by Mr. Ed Russell. Some of the members attended the Democratic National Conference held in Memphis in December.

Various field trips are scheduled during the year in the Memphis area, and the eighth grade visit to the Shiloh Battlefield in the spring has become an annual event.

Upper Left: Mrs. French keeps her class smiling through American history. Middle Left and Right: Mr. Isaiah Hall teaches geography in the junior high. Lower Right: Senior high students can take World History as an elective with Mrs. Kay Smith.

Technology Department

Mr. Charles Patterson is the head of the technology department. The courses offered include two years of both drafting and electronics. This department is primarily designed to prepare students for technology fields in colleges and technical schools. In five years the department has grown from 60 to 125 students. During the year the classes took a field trip to the Pickwick Dam to observe the production of hydroelectric power. Various other trips were made to local industries and universities, plus projects and theories in which the students participated.

Upper Right: Ken Beaver uses a T-square to complete a drafting project. Upper Left: Mr. Patterson's students conduct various experiments and test theories in Electronics. Bottom: Tim "Starsky" Moffet pesters comrades Lyndon Odom and Bobby Reeves during a drafting class.

Class Officers Work For Unity

This year the Senior class officers were Terri Martin, president; Jim Morrison, vice president; Kim McLarty, secretary; and Mary Bryant, treasurer.

Terri is involved in FHA, FBLA, Lionettes, Student Council, Forensics and the Hamhocks. Outside school Terri enjoys skiing, piano, and church activities. "I want to unify the class and for everyone to enjoy their senior year," stated Terri at the beginning of the year. Terri put together picnics and parties, even a hayride.

Jim, who played varsity football, participated in the Key Club, Biology Club, Thespians, Student Council and served as president of A Cappella. His outside interests include skiing and church activities.

Kim, editor of the FOOTPRINT, participated in the Biology Club and the National Honor Society. She also represented the senior class on the Student Council. Kim, who enjoys cooking, skiing and church activities, remarked, "This year has been the greatest!"

Mary, editor of the LION, was the Student Council secretary and a member of the National Honor Society. She enjoys sewing, skiing, church activities and anything outdoors. Mary believes the class of 79 is the "finest."

All of the officers commented that a special thanks goes to the class sponsors: Mr. Patterson, Mr. Sanderson, Mrs. Bond, Miss Welch and Coach Ivey.

MICHELE RUTHERFORD

July 3, 1961 - August 8, 1978

When faced with the death of Michele Rutherford, one can't help but think that it was so unfair. The memories of Michele will be cherished by everyone whose lives touched hers.

We're building a reputation,
not resting on one.

The Year In Review

The senior class officers were announced on May 29, 1979, in order to get started on our last year at Harding. The first activity was a pre-school picnic at the Plough Recreational Center. The senior class then promoted and planned the kick-off party which took place on August 25 after the Harding-White Station football game. On September 8, the senior girls overpowered the junior girls in a powderpuff football game. The seniors had a bike-a-thon on September 22 to promote the Harding-MUS game. The next event was the senior hayride on September 30. This gave us a chance to become a closer class and to prepare us for the biggest event of the year, Homecoming. The class was never as close and unified as it was during Homecoming Week. There were the unforgetable things such as the entire senior class coming as the unknown comic on character day, the senior skit featuring Captain Cub and the Harding Academy space cadets, the pep rally with the organization of different noise makers, the giant sign and the first appearance of the senior jerseys. Homecoming night made the whole week of work worthwhile as the mighty class of '79 won the Homecoming competition.

The next big event was the Halloween carnival. The seniors sponsored the haunted house and with the help of Mr. Patterson's make-up jobs and several willing souls it proved to be a great success.

As a fund raising project the seniors attempted to sell popcorn frisbees. No great amount of money was raised but it was original.

In December the seniors and the Student Council had a Christmas skit to break the tension of exams.

January was the month of the frisbee wind up and several snow days. February included more snow days and the King and Queen of Hearts contest. March, April, and May included various activities such as a cookout, devotionals, senior skip day, and senior banquet, bacculaureate and graduation.

Class Officers Get Involved

The junior class officers for '78-'79 are Sheryl Straw-president; Georgia Anderson-vice-president; Janice Gatlin-secretary; and David Bourland-treasurer.

Sheryl is secretary of Acappella and also secretary of Thespians. She is involved in the Entertainment Club, Biology Club, CIC, and the Student Council. In the musical "Hello Dolly" Sheryl played the leading role of Dolly.

Georgia was an officer for the Lionettes for three years and also on the tennis team for three years. In the ninth grade she was class president, in the King and Queen of Hearts, and on the Student Council. Her hobbies include snowskiing and playing tennis. She wants to help get the class more spirited, more unified, and more involved.

Janice, a member of the German Club and FSIC, is also involved in track and softball. Janice has been a cheerleader since the seventh grade. She likes horseback riding, softball, and basketball.

David is involved in football and track. He is a big brother to FSIC. He also serves as a member of the Key Club. David likes skiing, hunting, fishing, and swimming.

Decisions, Decisions

Blue, red, green, starburst, cut stone, or smooth stone — which one should I get? 10k or 14k? Did I order the right size? Should I get something under the stone? These are just a few of the questions each junior asks himself each year.

When you have finally made all of your decisions, you discover you have gone twenty dollars over your limit. Then when you get home, you find that your mom wanted you to get the blue stone instead of the red one with the diamond in the middle.

Even though all of these decisions may send the average junior home with a headache and to his parents for a loan, everyone seems to agree that ordering class rings is one of the highlights of the year.

Middle: Bill, Ellen, Beverly, Stan, and Chris look over ring order packets. Upper left: Bill Brown, Herff Jones representative, waits while Linda Dorsey decides on a polaris ring with a dark blue stone. Upper left: Glynnis Anderson-Smith and Rob Neal look at some of Tim Brown's ring samples.

This year fashions have really changed from last year. The straight legged jeans rolled up, spiked high heels, big blouse tops and longer straight skirts are in for the girls.

The guys are wearing top-siders and banded top shirts. The khaki pants and straight legged jeans are also being worn by the boys. It looks like Harding is keeping up with today's styles and fashions.

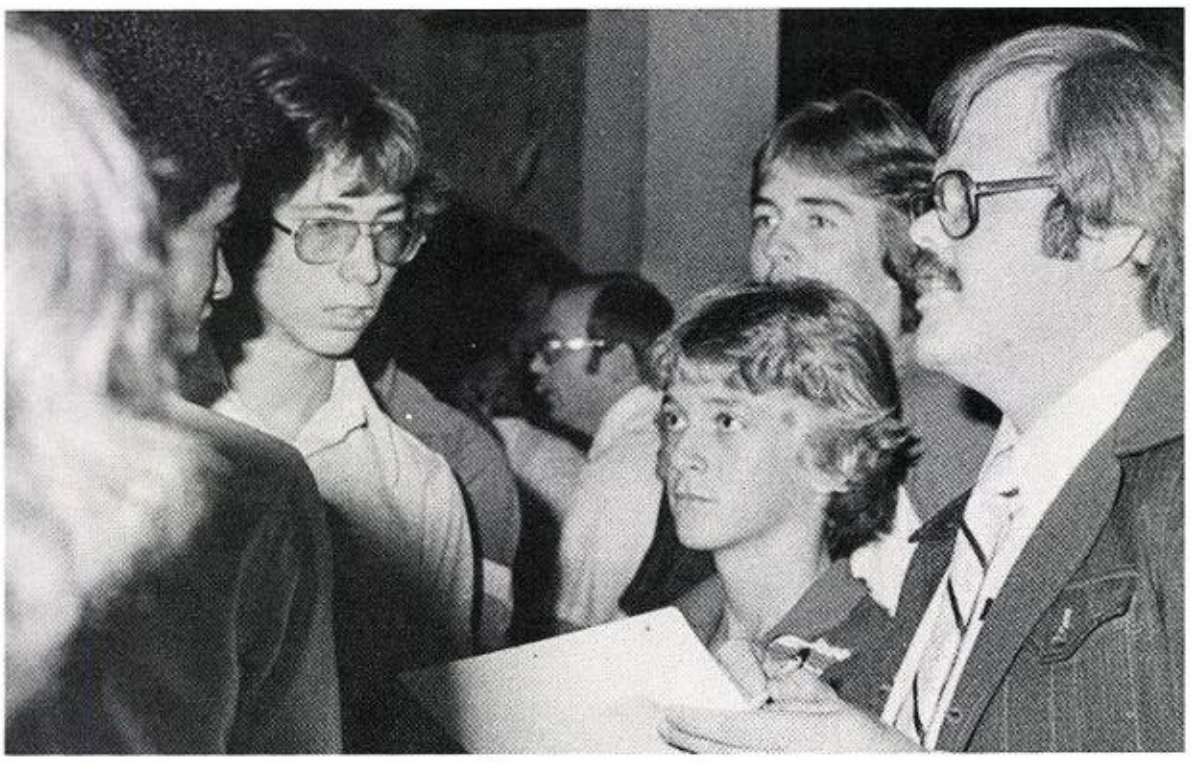
Lockers

Many students create a home away from home by decorating their lockers. They may decorate with calendars, posters, mirrors, pictures, collages, and magazine clippings. Ken Cagle and Michelle Buzzard stop to leave Kristy Dowlen a message on her locker bulletin board.



HAIR

Mr. Cox checks Jeff Clack's, Brent Gaithor's, and Marty Guyse's hair during monthly hair check.

The length of boys' hair has brought about a monthly ritual called hair check. The student handbook says that the boys' hair must not be long or full enough to attract undue attention or give a feminine or shaggy appearance from any point of view. Part of the ear must be clearly visible and the hair in the back should not go below the collar of a dress or sports shirt.

"People are judged by their appearance," said Mr. Phillips. "We are not asking the boys to shave their hair off, but we do want them to look decent."

These rules are enforced by having hair check once every four weeks. When a boy fails hair check, he has two days to get his hair cut. Repeated failure to meet the hair code results in additional disciplinary action.

Many students are opposed to monthly hair checks while others accept it as a necessary part of the dress code. "I think it stinks," said Robert Williams. "I don't really care though because my dad would make me get my hair cut anyway."

"I think it's good but it's too strict," said Lynn Ralston.

Many students feel that most boys want to look neat and would probably keep their hair at an acceptable length without the monthly hair check. "If they didn't have hair check, I think most guys would get their hair cut anyway," said Georgia Anderson.

Janice Gatlin said, "I don't think they should have hair check as long as they keep it neat and clean."

Jim Benton feels that the controversy surrounding hair check is unwarranted. "Hair check is necessary so that we will be able to determine what sex the pupil is," he said.

Robbie Coleman World Champ

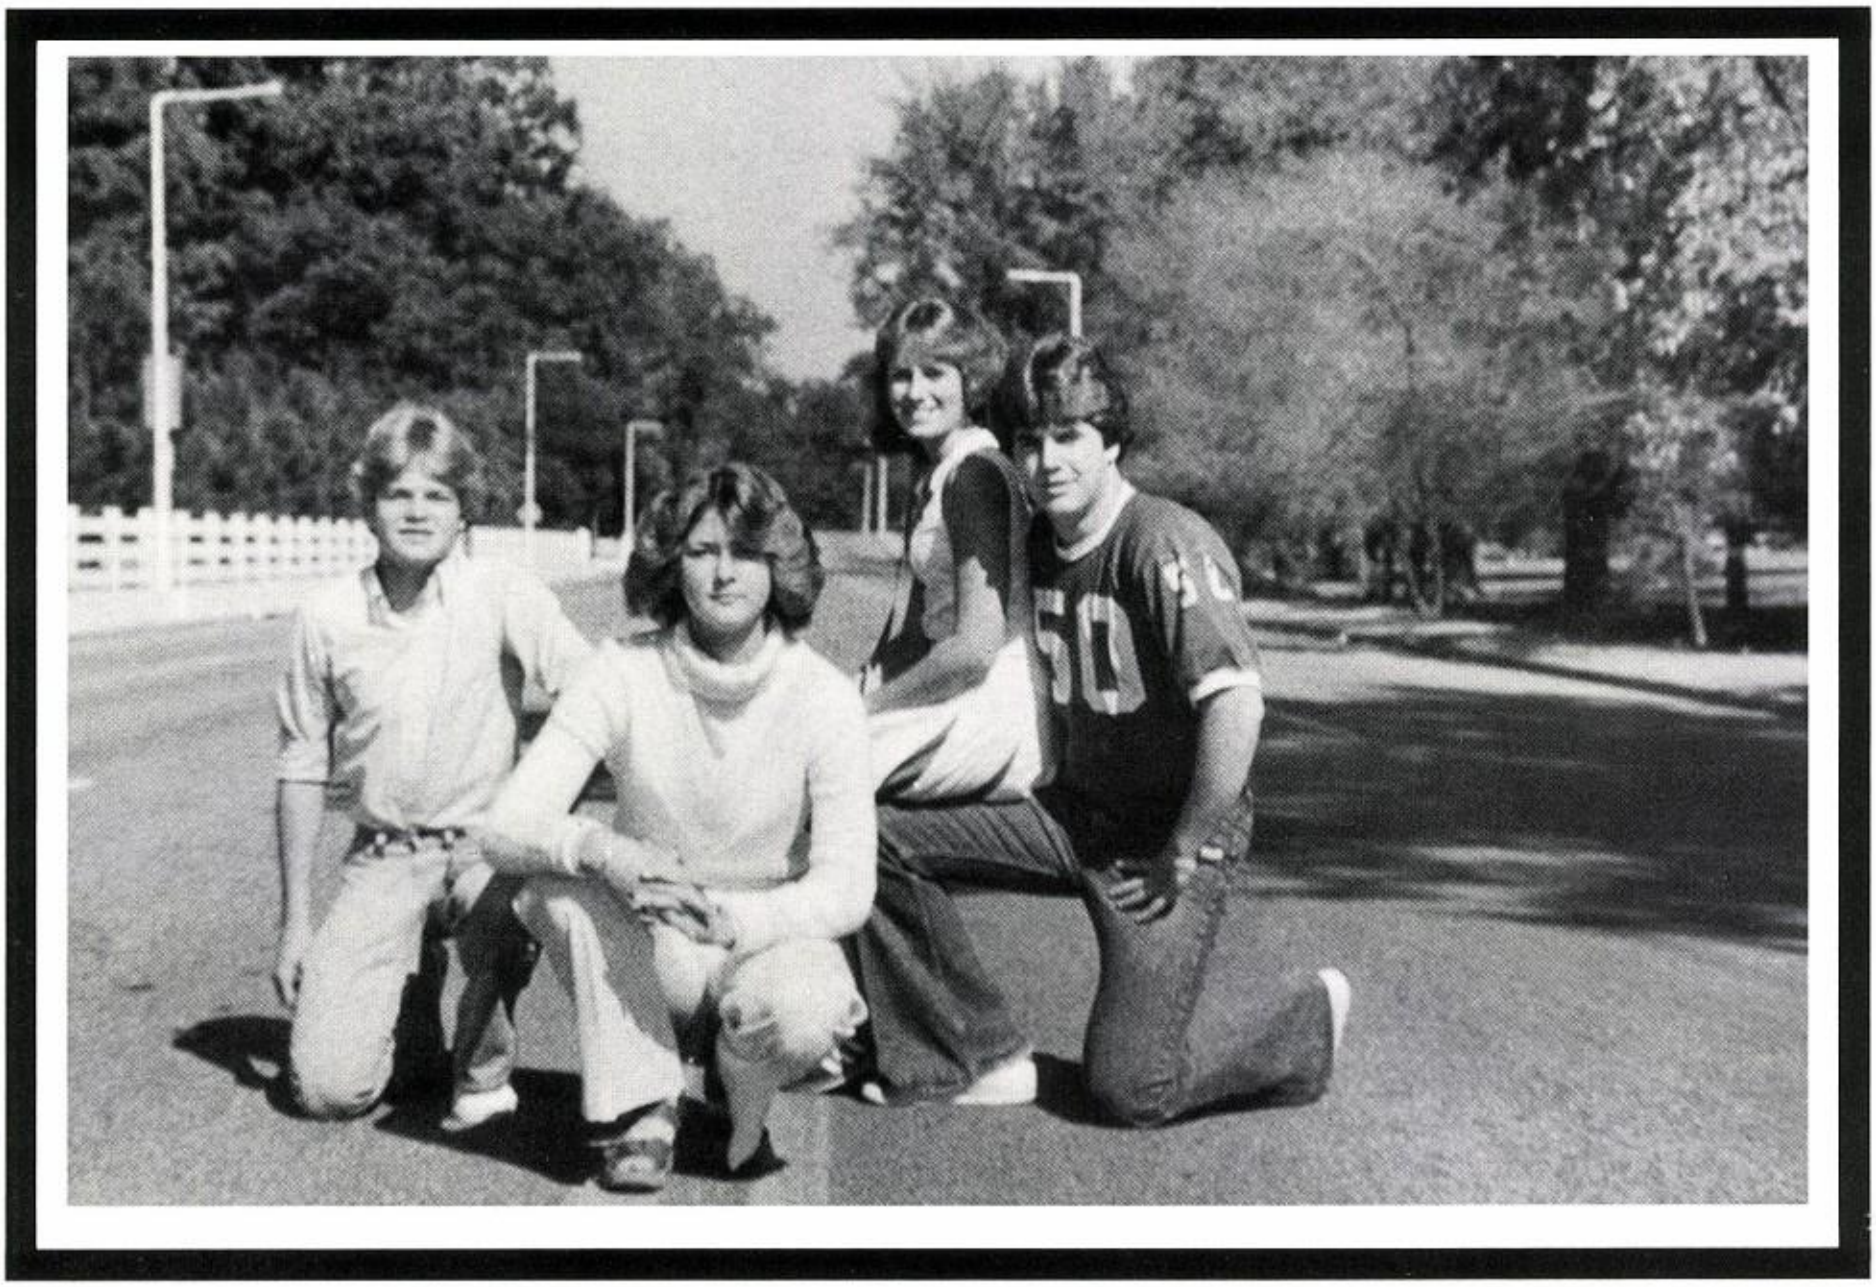
Who is Robbie Coleman? The World Champion Roller Skater. Robbie has become well known at Harding this year. Not many people realize just how hard she works. She usually practices about five hours on Saturday, and at least an hour on Sunday.

Robbie and her partner Pat Jones have traveled to Lisbon, Portugal. They hope to continue in July, 1979, in Puerto Rico.

Robbie is on the girls' varsity basketball team this year. Through all the headaches Robbie feels the title of World Champion has made up for all the struggles.

Robbie Coleman Day was a great adventure, too. Grades ten through twelve went to see Robbie and Pat perform. It was a great success. All at Harding are proud to have Robbie as our World Champ.

JUNIORS



Officers Have Many Plans

The 1978-1979 Sophomore Class officers are Bob Bush, president; Melody Sanderson, vice-president; Kim Riggs, secretary; and Shawn Swain, treasurer.

Bob, a member of the football team and Student Council, enjoys water skiing and music. His plans for the Sophomores included having class parties and doing a good job on homecoming. He also wanted everyone to get together and work hard to insure a good year.

Melody is in the Civinettes, Acapella, Key Club, Club, Biology Club, and she is a cheerleader. She is interested in swimming, tennis, piano, and fashion. She hoped that the Sophomores would become closer and that this would be a great year.

Kim is involved in Acapella, Lionettes, and FSIC. Her hobbies are swimming, basketball, and tennis. Kim wanted to get all of the sophomores united and to have class parties, and that would make a fun year.

Shawn is interested in tennis, track, basketball, soccer, and drawing. He wanted the Sophomores to have parties and picnics. Shawn predicted a great year if the sophomores became unified.

With the many plans their officers had for them, the Sophomores had a great year.

Favorite Things

What made 1978-'79 a year of excitement? The class of '81 feels that it was a combination of music, sports and movies.

Music is the highlight of many sophomores' daily lives. They wake up by it, eat by it, study by it, and sleep by it. Of all the many great groups they feel that the year's most sensational groups are the Bee Gees, Boston, Foreigner and Fleetwood Mac.

The styles of music have changed from hard rock to disco and songs that have lyrics with meanings to them.

Sports are very popular this year with football and basketball being the favorites. Many feel the reason for this is because of the excitement and action of the games.

After the game one can always expect to find some sophomores at their favorite eating place, Danvers, or out eating pizza somewhere else.

This year there were some really great movies. The trend seems to be going back to movies with a lot of music and to movies that are humorous.

The sophomores all agree this was one of their favorite years at Harding.

Getting behind the wheel of a car is one of the main things on the average sophomore's mind. The power and thrill of driving an automobile is the most important thing in the world. Camaros, Trans Ams, and any other thing powered by a V-8 dominate the life of a sophomore.

A big question is whether to buy a used car or wait and buy a new car when enough money has been saved. Sports cars, trucks, and economy cars are mainly what sophomores want. People who drive sports cars and trucks want people to look at them, while people with economy cars want to save money.

Laura Laeheler said, "I would like a Trans-Am but I don't think I'll ever get it."

Nancy Faulk had this to say, "I would like a 1979 Mustang because they are sporty and economical."

"I would like a Ford Bronco with 4-wheel drive," added John Woods.

Whether fast, slow, new, used, or in between, a good car is what most sophomores want.

Sophomores Have Spirit!

During the fall of each year students look forward with anticipation to the activities which have been associated with homecoming week. The activities are designed to increase participation, unity, and spirit which is exactly what happened with the sophomore class.

They participated in "dress up" day and there were many who stayed after school to work on making their halls and float terrific.

The competition the Sophomores had with the other classes helped to make them united as a whole. By next year they will really be a CLASS.

Although their spirit could have been better, they had enough overall participation to come in third place in class competition.

Leaders Of The Freshmen Class

The officers of the freshmen class were president, Bobby Jones; vice-president, Debbie Prince; secretary, Paula Osborn; and treasurer, Lisa Cobble.

Bobby Jones, freshmen class president, was also a member of the student council. He was involved in football and baseball. His hobbies include weight lifting, hunting, and fishing. Bobby felt at the beginning of the year that it would be a good one.

The vice-president of the freshmen class, Debbie Prince, a cheerleader, likes acrobatics, skiing, horseback riding, and racquetball. She felt at the first of the year that this year would be a lot better than last year. "It will be a lot better especially if we can get everyone behind everything we're trying to do. We need a lot of class spirit this year and I think the Class of '82 has it."

Paula Osborn, the secretary of the freshmen class, was also involved in the pep club and ninth grade chorus. Her hobbies include softball, waterskiing, and tennis.

Lisa Cobble, the freshmen class treasurer, is also on the tennis team. Her hobbies include volleyball, tennis, and racquetball.

Will We Ever Get Out Of Junior High?

There were many changes for the freshmen this year, and there were not too many ninth graders who were particularly thrilled with these changes. Jimmy Boring, a freshman, said, "I don't like the idea of being included in junior high. We don't get to go to the pep rally or get involved." Two other freshman, Pam Hendrix and Cindy Robinson, said they didn't think it was fair that the freshmen classes before were included more in senior high and had more privileges than they do this year.

But there are a few freshmen who think there are some good things about this year. Marion Thompson, a new student to Harding Academy, said, "The people are really friendly and I've made a lot of new friends."

Blake Wilson said, "A good thing about this year is that there are a lot of new girls! Also it's good because we get to eat in the cafeteria instead of rooms. The food is a lot better, too." So, you see, this year is not so bad after all.

Hassles

When school starts, the hassles start and the freshmen have plenty of them. Deborah Pitchford said that her main hassles are getting to class on time and waiting in the lunch line. "It's so hard to get through eating on time because it takes so long to get through the line," she said.

Sharron Butler and Russel Little agree that getting to their classes on time is a big hassle. "I have to rush back and forth all over the building to get to my classes on time," Russel said. Sharron said that her classes are spread out all over the building, too.

Homework is another hassle. Kim Foree, a freshman, said, "Homework is a hassle because we have it every night and sometimes in almost every subject."

Along with the homework hassle Karl McLarty thinks it's a hassle not having studyhall in which you can do your homework and study for that big test you have today that you didn't study for last night!

The major thing I heard was that the big hassle in NO PRIVILEGES! Most freshmen agree that not going to the pep rallys and not being included in the high school are THE main hassles.

Freshmen Look To The Future

The year of the ninth grade is the year in which students usually begin thinking about what diploma they want to graduate with, whether to go to college or not, and where to attend college.

There are four types of diplomas to choose from: the Scientific, Liberal Arts, Technical Arts, and the Classical. To decide what diploma to graduate with students need to know the requirements of each diploma and they have to decide what abilities they have. Usually to get help in deciding, students go to one of the counselors, Mrs. Hill or Mr. Massey. The counselors explain about the diplomas and help them to decide upon an area to start studying for now. They explain about different colleges, about the requirements to get in, and about the areas in which a college is best.

Lisa Cobble, Paula Osborn, Debbie Prince, and Bobby Jones discuss their schedules with Mrs. Hill.

'83 Officers Plan More Activities

The eighth grade class officers for the '78-'79 school year are Sherry Hewitt, president; Nick Adkins, vice-president; Pal Duke, secretary; and Lisa Morton, treasurer.

Sherry, a cheerleader, enjoys snowskiing, waterskiing, cooking and drawing. She said, "If everyone participates in all the activities we do as a group, the year will be a lot of fun."

Nick, a member of the football team, chorus and track, enjoys tennis, hunting, and skateboarding. He hopes to instigate more activities and to unify the eighth grade this year. He concluded by saying, "The eighth grade class is going to be the best ever."

Pal Duke would like to be on the track team this year. His outside interests include hunting and fishing. He states that this year he would like the class of '83 to work together and have more school spirit.

Lisa, a member of the pep club, enjoys painting and ceramics. Her plans this year are to have a great year and to go to Opryland.

With all the plans the class officers have for this year, the class of 1983 is going to be great.

Excuses

Did you ever seem to have one of those days when everything you did was wrong? No matter which way you turned, you seemed to be in trouble, and you searched frantically for a good excuse to bail yourself out. A good excuse may not have solved the problem, but it certainly seemed to help!

Eighth graders seem to have excuses ready for any emergency from being late to school and chapel to not having their homework. One eighth grader said, "If I ever see that I am going to be late for class, I make it really good and do not even go to class."

Sherry Zinn said, "I am never late. I am just not ever on time."

When you are late to chapel, you have to give your chapel checker a very good excuse. Jeff Ivie's favorite excuse is, "I sprang my little toe and just had to go to the clinic."

Pal Duke said, "I would not be late to chapel if we had more time to eat lunch."

When it comes to homework, one student said, "I just tell the teachers that my electricity was off, my mother is in the hospital, and my cat died, and I just did not have time to do my homework." All of this proves that the excuses may be better, but some things never change.

Leave The Driving To Us

Yelling out windows, fighting with paper wads, and standing in the rain are just a few of the many happenings experienced by those who ride buses.

This year riding a bus had changed greatly from years past. There are assigned seats and absolutely no food or drinks are allowed on the bus. A senior stated, "I didn't like riding a bus because it was like a prison. They are afraid that fifteen, sixteen, and seventeen-year-olds will tear up the seats."

Some hassles of riding a bus are having to stand in the rain, waiting on a bus when it's about thirty minutes late, and missing the bus when it is early.

The joys of riding a bus are numerous. Yelling at people out of the windows, meeting new people, fighting with paper wads, and seeing how many people you can cram into one seat help the time pass rapidly. In the mornings when you get on the bus everyone looks dead but in the afternoon everyone is wild and crazy.

In talking with some people who have ridden or are now riding a bus there are mixed responses. A former rider replied, "Riding the bus gave me a chance to study for tests which I had neglected to study for the night before."

Karen Dorsey said, "I like riding the bus because I have met a lot of different people."

Eighth Grade Goes Places

The class of 1983 participated in many activities this year. Most of the activities helped the people in the class to get to know each other better. The class started off with an out of school activity for the girls. The girls went to see a movie REVENAGE OF THE PINK PANTHER and then out to dinner at McDonalds. The girls really got to know one another better and a feeling of closeness resulted.

The boys also had an out of school activity in which they went out to dinner and then went to see Memphis State play Wichita State.

The eighth grade class planned many more activities, some of which included a cookout at Audubon Park for the last football game. The students felt that these activities have really unified the class.

Seventh Graders Plan A Big Year

This year the seventh grade class officers were Ace Wilson, president; Kelly Jeffries, vice-president; Kerry Riggs, secretary; and Lisa Daves, treasurer.

Ace Wilson, president of the seventh grade played cornerback on the football team. He has attended Harding Academy for five years. He said, "I have some great plans for our class this year. We want to have a slave sale, go to movies, and have parties."

Vice-president Kelly Jeffries is a cheerleader, a member of the chorus, and is on the student council. She enjoys swimming, running, playing tennis, and football. Kelly said that she thinks their seventh grade year has been an exciting one.

Seventh grade class secretary Kerry Riggs is also a cheerleader and a member of the seventh grade chorus. She had several parties planned for this year, including a Halloween skating party and a Fifties party.

Lisa Daves, treasurer of the seventh grade is a member of the chorus. She enjoys traveling and playing tennis. Lisa said that she wanted to help make money to have many class activities. She said, "I like Harding very much and I will try to make this the best year possible."

The Big Kick

With the Rogues team in Memphis, soccer has steadily become a popular sport, both for players and spectators. Lisa Ryan and Jan Papasan, two seventh graders, know all about the sport. They play for the South East Memphis Soccer Association (SEMSA). They practice two or three times a week for about two hours each time. Although soccer is a rugged sport, both girls like to play as long as they can.

Lisa has been on the soccer team for four years. Her brother played soccer and taught her how to play. Her main goal is to play professional soccer. "I would love to be the first girl on the Rogues team. I think they are so good!" she said. Lisa also likes running and playing tennis.

Jan was influenced to play soccer when she saw the Rogues play. When asked if she would like to play for the Rogues, she quickly replied, "You bet! They are my very favorite team." Jan is not really interested in a career in soccer, though. She said, "Right now I play just for fun but I would like to be the best I can." Jan is also very involved in basketball, volleyball, racquetball, and modeling.

First Impressions

Remember your first day of school? Everything looked so big and there were very few familiar faces. Did you wonder if you would make friends easily, and were you afraid of your teachers? How about trying to find your classes? They all seemed to be located in opposite directions and every time you were on your way to Miss Pedigo's math class, you got turned around and ended up in Mr. Hall's room!

Most seventh graders experienced these feelings on their first day. Bubba Daugherity said, "I was anxious to start school so I could meet new girls."

Beth Brock, a new student at Harding Academy, said that she was afraid of coming to such a large school but that she was excited about meeting new people and learning many new things.

As the year progressed, the students began to feel more at ease in their new surroundings.

Tin Grins Are In

There are very few people who are lucky enough to have beautiful, straight teeth. Most people between the ages of eleven and fifteen know all about having to wear braces. What a shame that we have to sacrifice so much for good looks!

Most people will agree that there are several advantages and disadvantages of wearing braces. Shana Dunevant said that she was looking forward to having straight teeth, but she did not like to go to the orthodonist every few weeks for regular check-ups.

Evanne Newman said, "I have to be careful with what foods I eat. I am not supposed to chew gum, but I do anyway."

But when the braces are removed, all the disadvantages finally seem to be worthwhile.

Gary And Kelly Represent Seventh

The seventh and eighth grade were asked to vote on one girl and one boy from their class who seemed to have the most spirit. This year Kelly Jeffries and Gary Childers were chosen to represent the seventh grade. Gary has attended Harding Academy since the first grade. He enjoys water skiing, baseball, basketball, and hunting. Gary loves to watch Harding football games. He said, "I like to see our team play other teams and beat them. It is fun to sit up in the stands and cheer them on." Kelly Jeffries, who has attended Harding Academy for seven years, is a very active participant in her class activities. She is the seventh grade vice-president and class favorite, in addition to Miss Spirit. Playing racketball, swimming, tennis, and running are a few of Kelly's favorite sports.

Ross And Lynn Represent Eighth

The eighth grade chose Lynn Gilliland and Ross McCullar as Mr. and Miss Spirit. Lynn has been at Harding for four years. This year she is a cheerleader and is in the pep club. Swimming, singing, and collecting different dolls (she has 150 of them) are some of Lynn's hobbies. Lynn is proud to be Miss Spirit for the eighth grade. She said, "Being chosen Miss Spirit is a great honor. I'm sure that there are many other people that have as much spirit as I do. I just thank everyone for their votes."

Ross McCullar is the eighth grade Mr. Spirit. "I have been at Harding since kindergarten," he commented, "and I think it is a very good school. I was very surprised that I was voted Mr. Spirit, but I'm glad I was." Ross is a very athletic person. He likes football, basketball, baseball, swimming, hunting, and fishing. This year he played on the seventh and eighth grade football team.

PEOPLE

1978-79: The Year In Review

People compose a vital part of Harding Academy. Each person is an individual; each has a unique personality and each has contributed to his school in some way. Some are active participants in sports, clubs, or class activities while others strive for personal achievements through music or academics. 1978-79 saw many people change — it saw new friendships begin, old relationships strengthen, plans change, romance blossom and then fade, goals reset, dreams shatter, and for the lucky few dreams actually came true. The year also brought about some trivial changes: changes in fashions and hair styles. Despite the diverseness of people, their attitudes, styles, and interests, they all played a role in making 1978-79 a memorable year. Each person contributed an important part to Harding — a part which should be realized and appreciated. After all Harding Academy IS people.

What was your worst day at school?

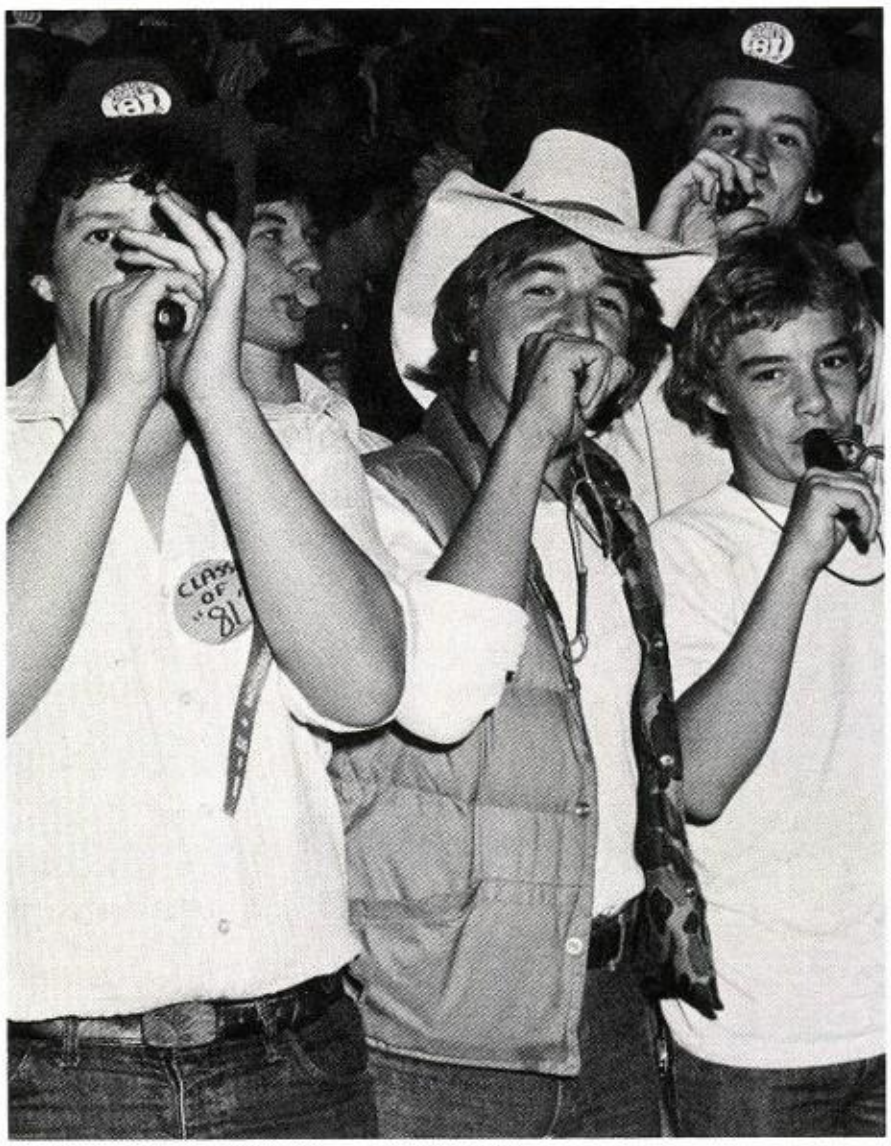
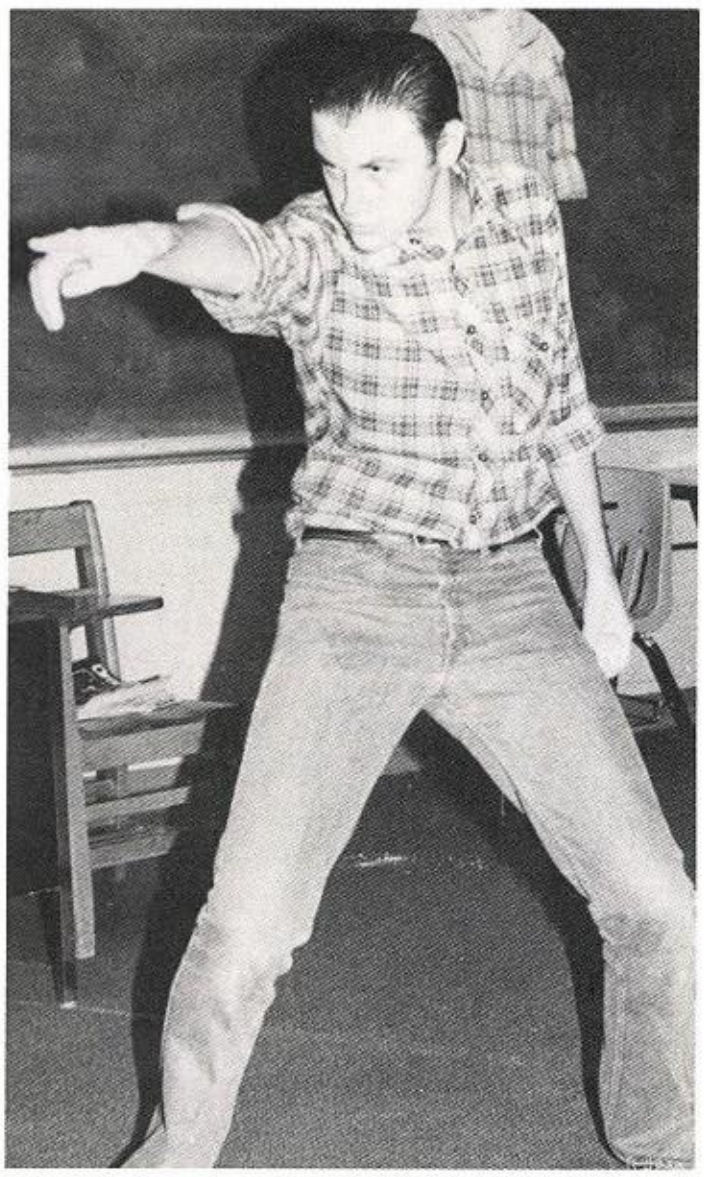
EVENTS

1978-79: Events In Review

Getting up, going to school, going to classes, listening to lectures, going to chapel then lunch, on to more classes, getting laden with homework, then finally hearing the 3:20 bell signified a typical day for Harding students. Routines were common but the rat race was often broken by special events. Junior and senior girls got a chance to show athletic prowess while the guys showed cheerleader ability during a powder puff football game. Homecoming brought many activities and great excitement. Students participated in dress-up days, slave sales, class competition, and a climactic pep rally at the week's end. Much effort and many hours of preparation went into the production of "Hello Dolly." Magnificent performances were turned in by the entire cast, which included Sheryl Straw, Greg Foster, Kay Andrews, Gary Beck, and many others. Junior Miss proved a chance for sixteen senior girls to show their individuality and talents. The band and chorus also provided entertainment at special events. The band boosted spirit at pep rallies and at football and basketball games. The chorus sang special Christmas programs, in chapel, and at weekly Wednesday night performances. February brought with it King and Queen of Hearts competition and slave sales, class competition, bake sales, and the crowning of the King and Queen. These events involved hard work, considerable time, and total participation in order for them to be successes and in the process to break the monotony of regular school routines. Events proved to be an exciting part of the 1978-79 school year.





Do you think that events have made this a more prosperous year and if so why?

Yes, because there has been more general involvement by the students and because the administration is trusting us with more freedoms than usual.

-Mary Bryant

Not for the ninth grade because we never got to be included in senior high activities.

-Risa Shakelford
-Rose Daniels
-Alicia Joyner

Yes, it made the Junior class feel more unified and have more spirit.

-Carla Slate

Yes, because this year was more enjoyable.

-Mardite Keltner

Yes, because it gets more people involved and allows classes to show their unity.

-Kim Bryant

Yes, because the classes have grown closer and they agree more.

-Lisa Barnes

What is the most embarrassing thing that happened to you during a special event?

The day I paid $3.00 to get a Valentine's cake thrown in my face that said, "Here's to you, Chuck."

-Stephanie Diffee

SPORTS

1978-79: The Season In Review

The 1978-79 sports season was the best ever for Harding teams. It brought many victories and honors to individuals, teams, and to the school.

The 1977-78 Lion basketball team was led by Scotty Jones and Hubie Smith. This team was the district runner-up, the regional champ, and also did something no other Harding basketball team had ever done — it advanced to the state tournament. This accomplishment brought an unheralded excitement to the student body as many made the trip to Murphreesboro to see the Lions play.

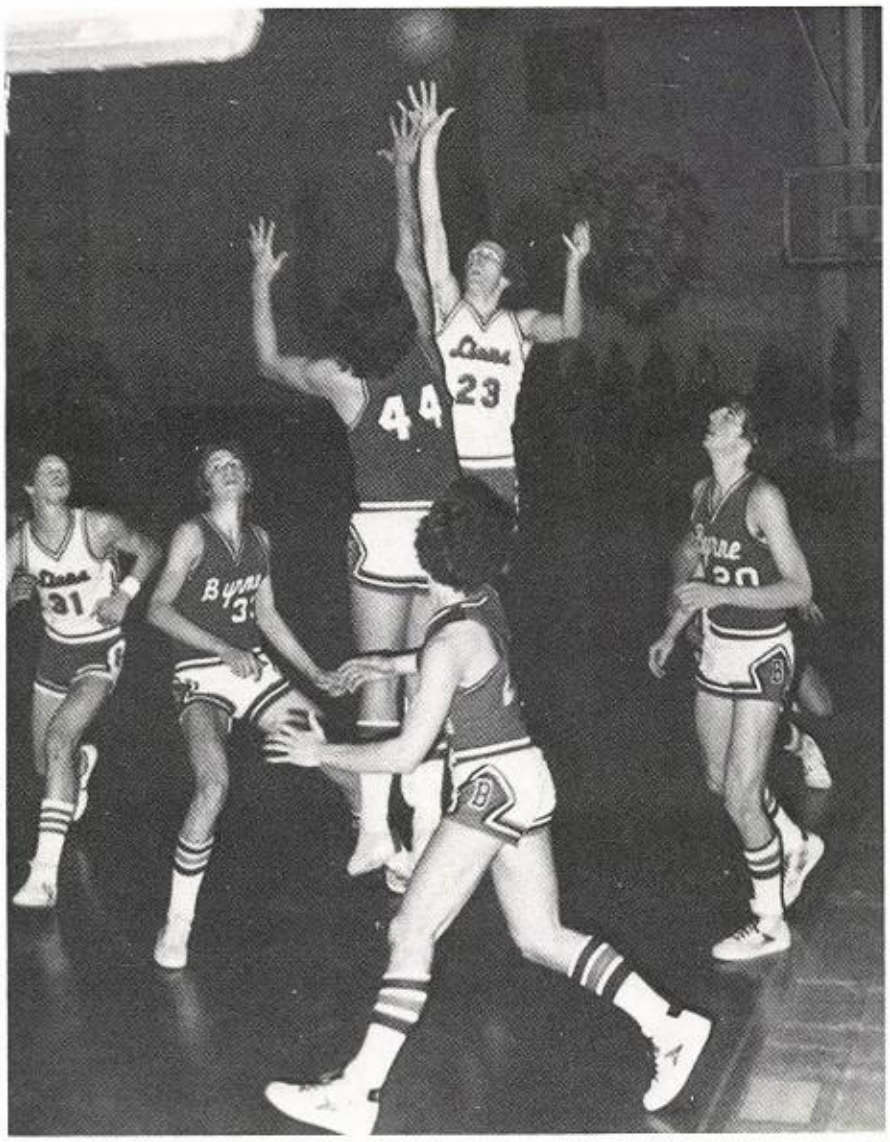
The 1979 Lion team is led by six seniors and has had a very successful season thus far. To date the Lions have a 23-10 mark and have not yet competed in district or regional tournaments.

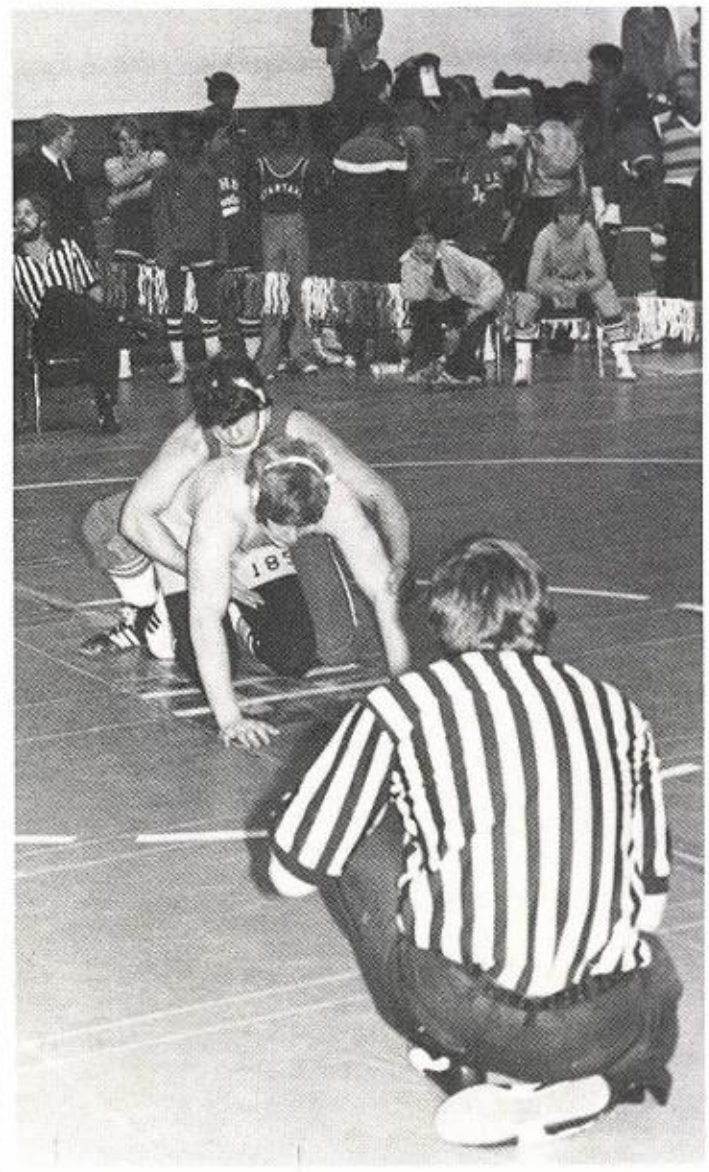
Spring sports - baseball, golf, track - compiled awesome accomplishments. The '78 baseball team posted a 22-4 season (its best season ever). The team was very talented and was particularly strong offensively as they outscored their opponents 227 to 98. The team won district honors before being eliminated in single elimination playoffs.

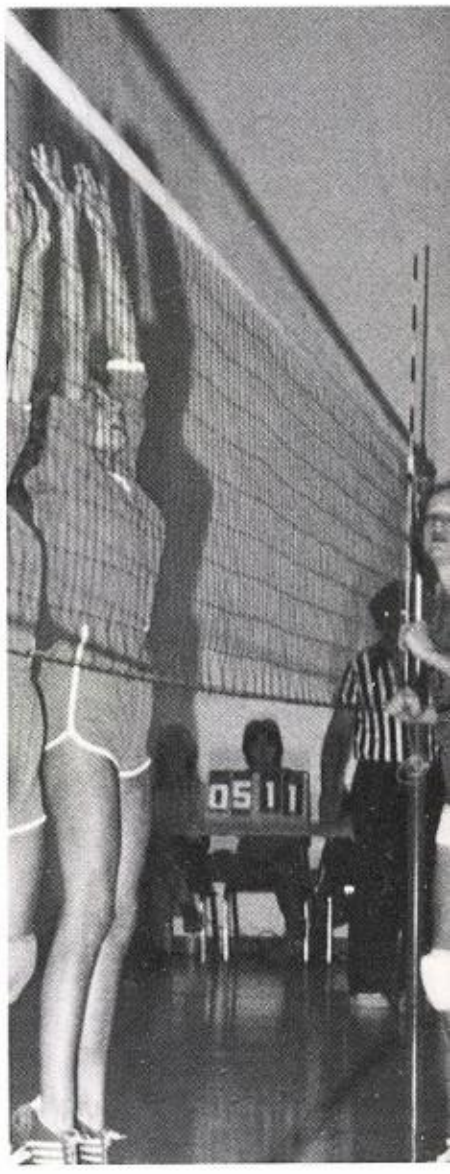
The '78 golf team posted a 9-4 season. The team captured the district for the fifth straight year, region for the first time ever, and was the TSSAA state runner-up.

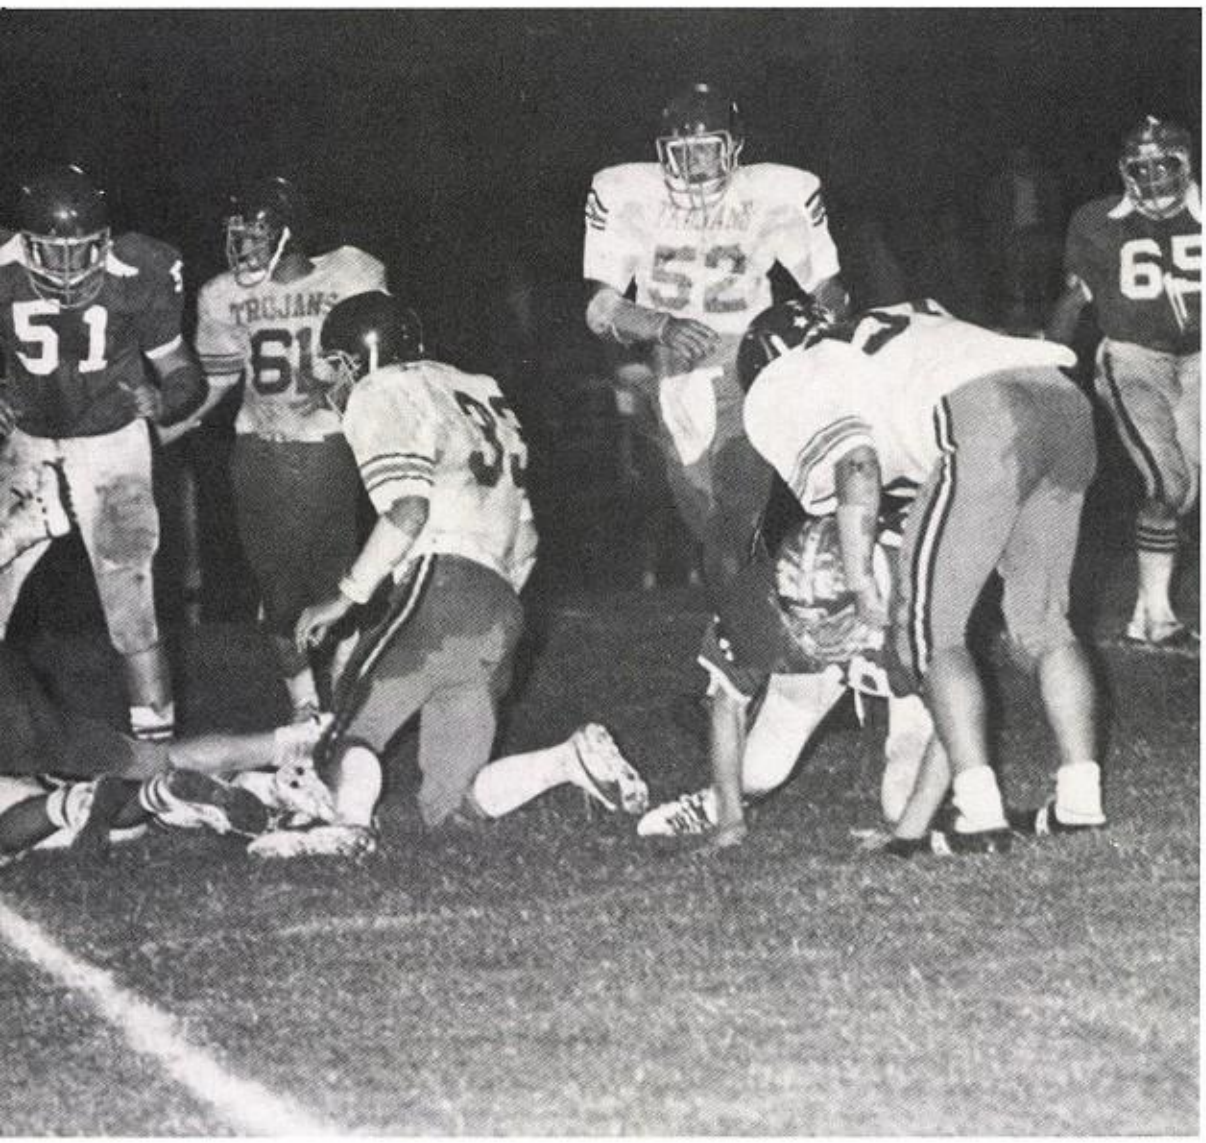
A 7-3 meet record was posted by the '78 track team. Season highlights included winning the Harding and MUS invitationals for the first time. The team also had a runner qualify for the state meet.

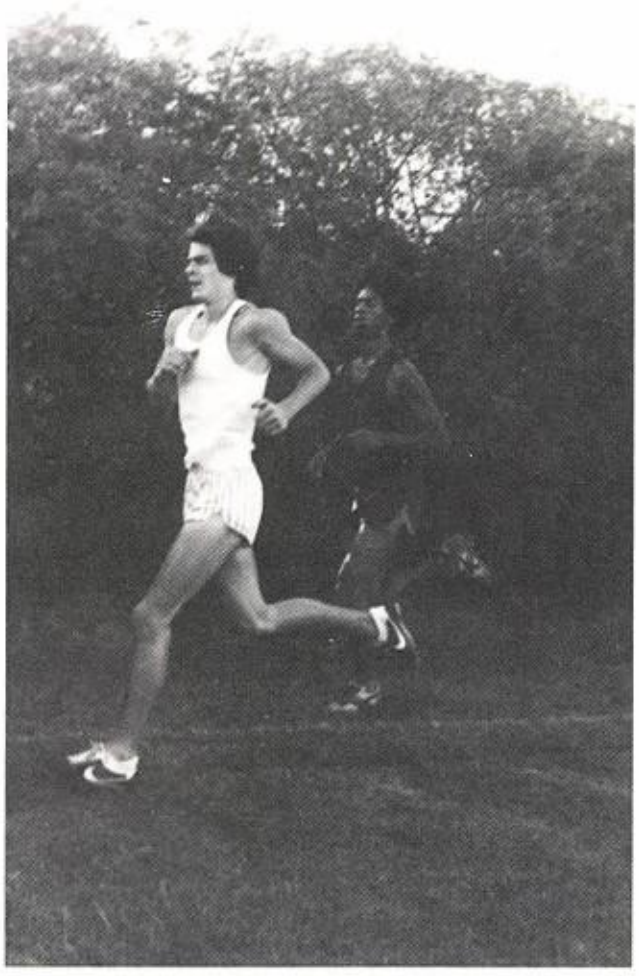
Beginning and ending with 33 players, the 1979 varsity football team had a tremendous, if not somewhat surprising season. Under the leadership of new coach Jerry Escue, the team was runner-up in the SAC-7 and received several invitations to bowl games.











The Lady Lion volleyball team continued in their winning ways with a 29-3 season. The team had an awesome year, acquired the SAC-7 District, and Regional championships and being the TSSAA state runners-up.

While improving to the point of being better than last year's team, the '78-'79 Harding crosscountry team almost copped another state championship. The team compiled a 5-1 season meet record on their way to winning the SAC-7 and Regional championships and being the TSSAA state runners-up.

From looking at scoreboards, it becomes obvious that Harding's tradition of winning has come of age. This tradition was brought about by many hours of training, practice, and hard work. The excitement, victories, and great honors that participation in sports has brought to Harding made a lasting impression on the 1978-79 school year.

What is the funniest thing that has happened to you during a sports event?

My junior year I scored for the other team.

-Maury Goode

When I poked a player in the eyes and he got up and hit Greg Poston and got a 15 yard penalty. Then we got a safety the next play and won 2 to 0.

-Casey Crichfield

The night I tripped and fell flat on my face during the pre-game warm up at Briarcrest.

-Melanie Clay

The day Jeff Sissom ripped my gym shorts on the football field.

-Cary Ledbury

At Harding It's A Whole New World

Going to college is like going to a new world. It's a time for branching out, for breaking away from parents, for making decisions. It's an important time in one's life when crucial events that affect a lifetime come into focus.

At Harding there are people who care about helping young people develop and mature. There are qualified faculty members, 180 of them, who are interested in seeing one excel not only in the classroom but in every area of his existence. There are new friends — 2,879 of them this year from 47 states and 22 foreign countries. There are challenges for all fields of interest, with more than 60 majors from which to choose. There is opportunity to develop one's best today in order to give the best in the world of tomorrow. Come join us.

Freed-Hardeman College

HENDERSON, TENNESSEE
(901) 989-4611

What do you want in a college? Most students look for a place where they will fit in, one that offers the programs they desire, and one they can afford. Is Freed-Hardeman that college? Only you can decide — but we can help with the facts.

The College/Student Life

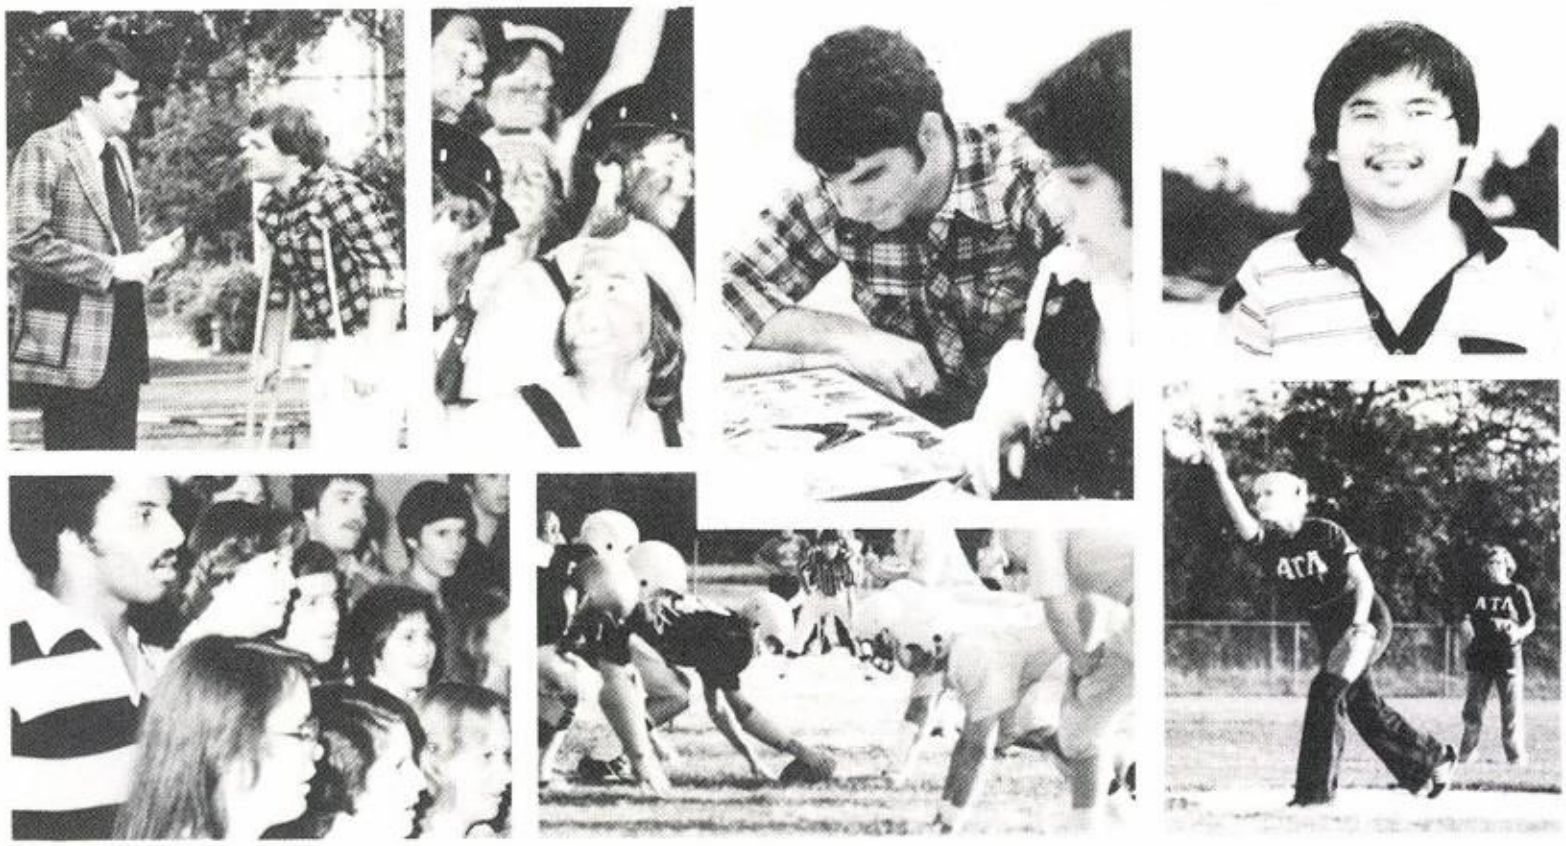
First, let us introduce ourselves. Freed-Hardeman is a small, liberal arts college supported by members of the churches of Christ. Our student body consists of about 1400 students from 38 states and 17 foreign countries. Ours is primarily a residential campus (80% of our students live in one of our nine dormitories), although some do commute from the West Tennessee area.

The Bible is at the heart of the educational process at Freed-Hardeman. Christianity is a way of life for us, not a course you take and forget. It means that biology, as well as other courses, is taught from a Christian perspective. It also means that recreational activities are planned from that same perspective.

Academic/Curricula

Career opportunities at F-HC are bountiful. Perhaps one of them will suit you. We offer possibilities ranging from a 1-year secretarial certificate to a bachelor's degree with thirty options. Additionally, we offer the AA majors in 35 areas and Tennessee Teacher Certification in 26 subjects.

Made up your mind to find out more about F-HC? If so, contact: Reeder Oldham, Dean of Admissions and Records, Freed-Hardeman College, Henderson, TN 38340. E. Claude Gardner, President.



Best Wishes

DAVID LIPSCOMB COLLEGE

Since 1891, David Lipscomb College has given young people an opportunity for strong academic training in a Christian environment. Today, Lipscomb is entering the greatest era of its history! The College now offers more majors under a better trained faculty than ever before. Twenty-two hundred students are involved in unlimited campus activity. Yet, amidst such positive change lies one constant—the word of God. Each day, Bible class and chapel are essential parts of a student's day.

Lipscomb's goal is to aid in the development and growth of Christians. We are constantly trying to improve. If you are a student or a parent, please come and visit us. We think you will like what you see!

For further information, call toll free or write Steve Flatt, Director of Admissions, David Lipscomb College, Nashville, Tennessee 37203. In Nashville 385-3855. From Tennessee outside Nashville 1-800-342-2300. Other states, except Alaska and Hawaii, 1-800-251-2054

The 1979 SHIELD is different from previous annuals in many ways. We have used more art type and graphics, made more effective use of copy, changed the format for the class sections, used color endsheets, and perhaps the biggest and most obvious change was the red cover.

The 1979 SHIELD was a team effort; it demanded considerable time and effort not only on my part but on the part of the entire staff. Everyone has worked diligently to meet deadlines and to plan good layouts. A big thanks to Revonda Harris for a super job as business manager; we sold more ads this year than ever before. A special thanks to Mrs. Donaldson for her persistence, guidance, and patience.

An annual is only as good as its pictures and this year we've had excellent pictures. Many thanks go to Mr. Oliver for his supervision of the photography in the SHIELD; Lee Ann Mitchell, Randy Foster, and Greg Johnston for most of the pictures used in the 1979 SHIELD; Jay Shappley and Holland Studios for class, club, and special color work; and to Frank Brayden Photography for the city of Memphis picture used on the cover. Also thank you to Mr. Lumpkin for use of his band pictures.

Thanks are also due to the teachers who tolerated our interruptions and allowed us to use their class time for voting on class favorites, Mr. and Miss Harding, the senior superlatives. A special thanks also to club sponsors, class officers, department heads, and coaches who provided us with details which made for more informative and interesting copy. Without this kind of co-operation the SHIELD, its purpose and theme would have been lost in a state of chaos.

The goal of the 1979 SHIELD was to accurately capture some of the spirit, excitement, moods, and special times of 1979, and I trust that we have done so to a great extent. I hope that the 1979 SHIELD is an annual that Harding can be proud of and that it is a good and accurate representation of what Harding is all about. If you have comments, criticisms, or even better, if you have compliments please express them to me or members of the staff. It would be nice to know that our work has been appreciated or at least noticed. I hope that the 1979 SHIELD will prove to be something as special to you as it has been to me.
